SECTION A INTRODUCTION

1. General

The Peace Crossing Community Development District (the CDD or the “District”) is a special-purpose unit of local government established by Ordinance No. 2023-29 of the City of Lake Wales, Florida (“Ordinance”).

The CDD was created to construct and maintain public works and utilities including water, sewer, drainage, irrigation, water management, parks, recreational facilities, roadways and other infrastructure.

2. Purpose and Scope

The purpose of this Supplemental Engineer’s Report is to provide a description of the Series 2024 Project (as defined herein – and as also referred to Assessment Area One). These improvements will thereafter be owned, operated and/or maintained by either the District or another legally empowered governmental entity.

3. Lands in the CCD

An Aerial Location Map showing the location of the land included within the CDD boundaries (the “Property”) is included as **Exhibit A**. The legal description(s) and sketch(s) of description of the Property are included as **Exhibit B**. The Property includes approximately 1,863.752 acres which includes the +/-826 acres on which the Series 2024 Project will be constructed.

SECTION B EXISTING CONDITIONS

1. Topography

The Property ranges from approximately 116 feet elevation to 132 feet elevation, with the project survey based on NAVD Vertical Datum. The lower elevations occur in the wetlands and along the Peace Creek Drainage Canal. The lands within the CDD are undeveloped row crops and rangelands, and wetlands.

2. Soil and Vegetation

Based on the Geotechnical Report prepared by ECS Florida, LLC, the predominant surficial soil types within the Property are identified as sand (SP) and sand with slit (SP-SM) for upland areas. The wetlands in the area have visible ponding in select areas which indicate a clay or silt layer with a perched water table. The site is predominantly open pastures, however there are select areas with existing trees.

3. Land Use and Zoning

The District is located within City of Lake Wales, Polk County, Florida. The Property is undeveloped at this time. The land contains Planned Development Mixed-Use (“PDMU”) zoning and is subject to a Master Development Plan (MDP). The future land use within The CDD boundary is Mixed Use and Rural

Residential. The PDMU Zoning category was approved by the City of Lake Wales on August 17, 2021 and was further modified on December 20, 2022.

SECTION C INFRASTRUCTURE PLANS

1. Public Infrastructure Improvements

The CDD will finance infrastructure design and construction required to provide public infrastructure for the project and its ultimate property owners. The improvements for the project will be consistent with the City of Lake Wales Comprehensive Plan and Land Use Regulations Code and may include the following (collectively, the “Series 2024 Project” or the “Project”):

Public Roadways, including thoroughfares, arterial, collector, or local streets

The Series 2024 Project includes a north/south road through the project as well as intersection improvements at the intersection of Thompson Nursery Road and entry to the project (including the signalization of that intersection). The intersection improvements will be subject to a development agreement and potential reimbursement. The roadway improvements are necessary for interconnectivity of various developments that might occur within the CDD boundaries. Roadways will consist of either 4-lane or 2-lane divided and undivided cross sections. Main roads may include roundabouts. Roadways include subgrade, base, asphalt, curbs, gutters, inlets, culverts, striping and signage.

Stormwater Improvements

The stormwater collection and outfall systems are a combination of roadway curbs (although curb costs are included in public roadways), curb inlets, pipes, control structures and interconnected open lakes designed to treat and attenuate stormwater runoff from District lands. The stormwater system within the project discharges to the Peace Creek Drainage Canal through a series of interconnected wetlands. The stormwater system will be designed consistent with the criteria established by the Southwest Florida Water Management District (SWFWMD), Polk County, and City of Lake Wales for stormwater/floodplain management systems.

The proposed interconnected stormwater lakes/ponds will be owned and maintained by the CDD. The lakes are necessary for many reasons which included but are not limited to:

1. Providing a stormwater management function
2. Providing a source of fill for CDD funded improvements

Water and Sewer facilities

The District intends to construct water and wastewater facilities to serve the project. Connections to existing utilities are located along Thompson Nursery Road and along US Highway 27. The system will be constructed by the CDD and turned over to the City of Lake Wales Utility Department. Water and sewer facilities in this report are limited to the extents of the project limits described above. No water or sewer laterals will be extended to private lots or property.

Master Irrigation facilities

The initial master irrigation source for the project will be from surface waters from the proposed ponds as well as from groundwater. In addition to these two sources, future City of Lake Wales reclaimed water is anticipated for the development. As such, a future reclaim main is proposed along the entirety of the main public roadways within the project. The future reclaim main is included in the cost estimate of this Engineer's Report.

Public Roadway Landscape, Lighting, Signage, and Furnishings

The District will construct and/or install landscaping, irrigation and hardscaping within District common areas and rights-of-way. Landscaping will consist of sod, shrubs, ground cover, trees and plants. The irrigation system will consist of spray and rotating heads providing irrigation coverage to the landscaped areas. Moreover, furnishings/hardscaping will consist of benches, trashcans, accent pavement, etc.

Street lights are proposed for the project. The intent is that Duke Energy will own the street lights and the CDD will lease them.

Entry features

The project may include entry features that will serve as aesthetic architectural features. These structures or landscaped areas may include signage, lighting, and hardscaping to accent key features of the District to enhance the overall public areas of the community.

Trails, Parks, Recreation, and Security

The CDD may construct a trail system that connects localized parks or "pocket parks" throughout the community. These improvements will be funded, owned, and maintained by the District, or alternatively may be funded by the developer or future property owners and turned over to the District for ownership, operation, and maintenance. Alternatively, the District may retain ownership but contract, through an agreement that complies with the applicable IRS management contract safe harbor, with a homeowners association for operation and maintenance.

The CDD may also construct guardhouses or gates or other security related improvements. Any gates would only be soft gates allowing all members of the public to enter at all times.

Other improvements, infrastructure or facilities authorized by Chapter 190, Florida Statutes

It is noted that the list above is not an exhaustive list. Other improvements, infrastructure, or facilities authorized by Chapter 190, Florida Statutes, may be subject to CDD financing.

2. Permitting

A portion of the required permits have already been applied for while other required permits will be applied for at a later date. It is our opinion that there are no technical reasons existing at this time which would prohibit the permitting and construction of the planned infrastructure, subject to continued compliance with agency criteria and conditions of the already approved plans and permits.

Permits necessary to complete the Project are, in our opinion, obtainable from the permitting agencies, subject to reasonable, normal and customary permit conditions. The following is a non-exhaustive list of applicable permits and their status:

City of Lake Wales Construction Permit: Pending

Polk County Type II ROW Use Permit: Pending

FDEP Potable Water Permit: Pending

FDEP Wastewater Permit: Pending

FEMA Conditional Letter of Map Amendment (CLOMR): Pending

Southwest Florida Water Management District Statewide Environmental Resource Permit: Pending

Florida Department of Environmental Protection 404 Permit: Permit

4. Estimated Costs of Master Improvements

Table 1 lists the components of the planned improvements proposed to be constructed by the District for the Series 2024 Infrastructure, together with their proposed costs of design and construction. The table also includes an estimate of administrative, engineering, and other fees and contingencies associated with the improvements.

The Improvements as summarized in this report are necessary for the functional development of the Series 2024 project. The Project is being designed in accordance with current governmental regulatory requirements. The Project will serve its intended function so long as the construction is in substantial compliance with the design. Items of construction for the Project are based upon current development plans. It should be noted that although these Improvements are required for the District, a portion may also serve other adjacent lands.

It is our professional opinion that the infrastructure costs provided herein for the District Improvements for the Project are reasonable to complete the construction of the infrastructure described herein and that these Infrastructure Improvements will benefit and add value to the District. These estimated costs are based upon prices currently being experienced for similar items of work in Florida and expected inflation in the future. Actual costs may vary based on final engineering, planning and approvals from regulatory agencies.

1.0 Introduction

1.1 Purpose

This First Supplemental Special Assessment Methodology Report (the “Supplemental Report”) was developed to supplement the Master Special Assessment Methodology Report (the “Master Report”) dated October 13, 2023 and to provide a supplemental financing plan and a supplemental special assessment methodology for the 1,436 residential units that are projected to be developed in 2024 as the first phase (the “Assessment Area One”) of the Peace Crossing Community Development District (the “District”) located in City of Lake Wales, Florida. This Supplemental Report was developed in relation to funding by the District of a portion of the Capital Improvement Program (to be defined later herein) contemplated to be provided by the District for Assessment Area One (the “Series 2024 Project”).

1.2 Scope of the Supplemental Report

This Supplemental Report presents projections for financing a portion of the District’s public infrastructure improvements (the “Capital Improvement Program”) as described in the Engineer’s Report of Stantec Consulting Services Inc. dated October 10, 2023, and as supplemented on February 1, 2024 by the Supplemental Engineer’s Report for Series 2024 Project (together, the “Engineer’s Report”), as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and funding of the Series 2024 Project to the Assessment Area One units. The physical area where the Assessment Area One units are projected to be developed is referred to herein as Series 2024 Project Area.

1.3 Special Benefits and General Benefits

Improvements undertaken and funded in part by the District as part of the Series 2024 Project create special and peculiar benefits, different in kind and degree than general benefits, for properties within the District as well as general benefits to the areas outside of the District and to the public at large. However, as discussed within this Supplemental Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within the District. The District’s Series 2024 Project enables properties within the boundaries of the District to be developed.

There is no doubt that the general public, property owners, and property outside of the District will benefit from the provision of the Series 2024 Project. However, these benefits are only incidental since the Series 2024 Project is designed solely to provide special benefits peculiar to property within the District. Properties outside of the Series 2024 Project Area are not directly served by the Series 2024 Project and do not depend upon the Series 2024 Project to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which properties located within the District receive compared to those lying outside of the boundaries of the District.

The Series 2024 Project will provide part of the infrastructure and improvements which are all necessary in order to make the lands within the District developable and saleable. Even though the exact value of the benefits provided by the Series 2024 Project is hard to estimate at this point, it is without doubt greater than the costs associated with providing same.

1.4 Organization of the Supplemental Report

Section Two describes the development program as proposed by the Developer, as defined below.

Section Three provides a summary of the Capital Improvement Program and its portion funded with proceeds of bonds issued in 2024, the Series 2024 Project, as determined by the District Engineer.

Section Four discusses the supplemental financing program for Assessment Area One.

Section Five discusses the special assessment methodology for the District and Assessment Area One.

2.0 Development Program

2.1 Overview

The District serves the Peace Crossing development (the "Development" or "Peace Crossing"), a master planned, residential development located in City of Lake Wales, Florida. The land within the District currently consists of approximately 1,863.752 +/- acres and is generally located to the south of Thompson Nursery Road, west of U.S. Highway 27, and north of Mountain Lake Cut-Off Road.

2.2 The Development Program

The development of Peace Crossing is anticipated to be conducted by Lake Wales Property Holdings, LLC (the “Developer”). Based upon the information provided by the Developer, the current development plan envisions a total of 3,049 residential units developed in two (2) or more phases, with Assessment Area One comprised of a total of 1,436 residential units and the future assessment areas comprised of a total of 1,613 residential units, although land use types, unit numbers, and phasing of development may change throughout the development period. Table 1 in the *Appendix* illustrates the most current development plan for the District.

3.0 The Capital Improvement Program

3.1 Overview

The public infrastructure costs to be funded by the District are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

3.2 Capital Improvement Program

The Capital Improvement Program needed to serve the Development is projected to consist of roadways, drainage and earthwork, street/entry lighting, water, wastewater, reclaim, landscaping/irrigation, parks, recreations security, entrance features and signs, amenity centers and wetland mitigation as set forth in more detail in the Engineer's Report.

Even though the installation of the improvements that comprise the Capital Improvement Plan is projected to occur in two (2) or more phases coinciding with the two (2) or more phases of development within the District, the Series 2024 Project comprises a portion of the Capital Improvement Program necessary for the development of the District. The Future Project comprises that portion of the Capital Improvement Program necessary for the development of the remainder of the Capital Improvement Program. The infrastructure improvements that comprise the overall Capital Improvement Program will serve and provide benefit to all land uses in the District and will comprise an interrelated system of improvements, which means all of improvements will serve the entire District and

improvements will be interrelated such that they will reinforce one another. As a practical matter, this means that, from an assessment standpoint, any of the costs of the Series 2024 Project (or Future Project costs) may be financed with proceeds of the Series 2024 Bonds (to be defined later herein), provided that the District's debt assessments associated with the Capital Improvement Program are fairly and reasonably allocated across all benefitted properties, which is the case with the Series 2024 Bond Assessments (to be defined later herein), as described herein. At the time of this writing, the total master costs of the Capital Improvement Program are estimated at \$102,085,000, and the estimated costs of the Series 2024 Project are \$30,610,656. Table 2 in the *Appendix* illustrates the specific components of the Capital Improvement Program and their costs. Please note that as the development of land in the District will occur in multiple phases and the construction of the public infrastructure improvements which are part of the Capital Improvement Program will occur in multiple stages designed to coincide with the phases of development, it is contemplated at the time of writing of this Supplemental Report that the District will initially fund only the Series 2024 Project, public infrastructure improvements funded by the District that will serve the development of units within Assessment Area One, and that the District will only fund an estimated \$20,080,825* with proceeds of bonds issued in 2024.

4.0 Financing Program

4.1 Overview

As noted above, the District is embarking on a program of capital improvements which will facilitate the development of lands within the District. Generally, construction of public improvements is either funded by the Developer and then acquired by the District or funded directly by the District. The choice of the exact mechanism for providing public infrastructure has not yet been made at the time of this writing, and the District may either acquire the public infrastructure from the Developer or construct it, or even partly acquire it and partly construct it.

The District intends to issue Capital Improvement Revenue Bonds, Series 2024 (Assessment Area One) in the estimated principal amount of \$23,810,000* (the "Series 2024 Bonds") to fund the Series 2024 Project in the estimated amount of \$20,080,825*. It is anticipated that any costs of the Capital Improvement Program which

* Preliminary, subject to change

serve and benefit the development of land in the District which are not funded by the Series 2024 Bonds will be funded by future bonds or contributed to the District at no cost under an Acquisition Agreement and Completion Agreement that will be entered into by the Developer and the District.

4.2 Types of Bonds Proposed

The proposed financing plan for the District provides for the issuance of the Series 2024 Bonds in the estimated principal amount of \$23,810,000* to finance Series 2024 Project costs in the estimated amount of \$20,080,825*. The Series 2024 Bonds as projected under this financing plan would be structured to be amortized in 30 annual installments. Interest payments on the Series 2024 Bonds would be made every May 1 and November 1, and principal payments on the Bonds would be made either on May 1 or on November 1.

In order to finance the costs of the Series 2024 Project, the District would need to borrow more funds and incur indebtedness in the total amount estimated at \$23,810,000*. The difference is comprised of debt service reserve, capitalized interest fund, underwriter's discount and costs of issuance. Preliminary sources and uses of funding for the Series 2024 Bonds are presented in Table 3 in the *Appendix*.

5.0 Assessment Methodology

5.1 Overview

The issuance of the Series 2024 Bonds provides the District with funds necessary to construct/acquire the infrastructure improvements which are part of the Series 2024 Project outlined in *Section 3.2* and described as part of the Capital Improvement Program in more detail by the District Engineer in the Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to properties within the boundaries of the District and general benefits accrue to areas outside of the District and being only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing properties that derive special and peculiar benefits from the Series 2024 Project. All properties that receive special benefits from the Series 2024 Project will be assessed for their fair share of the debt issued in order to finance the Series 2024 Project, on a first platted (or sold), first assigned basis within Assessment Area One.

* Preliminary, subject to change

5.2 Benefit Allocation

The current development plan for the District envisions the development of a total of 3,049 residential units developed in two (2) or more phases, with Assessment Area One comprised of a total of 1,436 residential units ("Assessment Area One") and the balance of development comprised of a total of 1,613 residential units within the future assessment areas, although unit numbers and land use types may change throughout the development period. Because the number of units to be developed in Assessment Area One is known, the acreage of Assessment Area One is known, the anticipation is that the lands within Assessment Area One will be sold and/or platted before the lands in future assessment areas, and identification of an assessment area at this stage will increase the marketability of the bonds at the lowest possible interest rate, it is fair and reasonable to assign the debt assessments securing the 2024 Bonds to Assessment Area One. This allocation is consistent with the first platted, first assigned approach in the Master Report.

Even though the installation of the improvements that comprise the Capital Improvement Program is projected to occur as two (2) or more separate projects, the Series 2024 Project and the Future Project, coinciding with the development of Assessment Area One and future assessment areas respectively, by allowing for the land in the District to be developable the infrastructure improvements that comprise the Capital Improvement Program will serve and provide benefit to all land uses in the District and will comprise an interrelated system of improvements, which means all of improvements will serve the entire District and improvements will be interrelated such that they will reinforce one another and their combined benefit will be greater than the sum of their individual benefits. All of the unit types within the District, both those in the Assessment Area One and those in the future assessment areas, will benefit from each infrastructure improvement category, as the improvements provide basic infrastructure to all land within the District and benefit all land within the District as an integrated system of improvements.

As stated previously, the public infrastructure improvements included in the Capital Improvement Program have a logical connection to the special and peculiar benefits received by the land within the District, as without such improvements, the development of the properties within the District would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within the District, the District can assign or allocate a portion of the District's debt through the imposition of non-ad valorem assessments, to the land receiving such special and peculiar

benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the cost of, or the actual non-ad valorem assessment amount levied on that parcel.

In following the methodology developed in the Master Report, this Supplemental Report proposes to allocate the benefit associated with the Capital Improvement Program to the different product types proposed to be developed within the District in proportion to their density of development and intensity of use of infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the product types contemplated to be developed within the District based on the densities of development and the intensities of use of infrastructure, total ERU counts for each product type, and the share of the benefit received by each product type.

The rationale behind the different ERU weights is supported by the fact that generally and on average products with smaller lot sizes will use and benefit from the improvements which are part of the Capital Improvement Program less than products with larger lot sizes. For instance, generally and on average products with smaller lot sizes will produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than products with larger lot sizes. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received from the District's public infrastructure improvements that are part of the Capital Improvement Program.

As the infrastructure included in the Capital Improvement Program will comprise an interrelated system of improvements, and as the implementation of the Capital Improvement Program is projected to proceed in multiple stages to coincide with multiple phases of development, Table 5 in the *Appendix* presents the allocation of the costs of the Capital Improvement Program to Assessment Area One and to the future assessment areas based on the benefit allocation methodology illustrated in Table 4 in the *Appendix*. This allocation illustrates that the Assessment Area One units benefit from approximately \$44,111,068.64 of the master costs of the Capital Improvement Program, while the units projected to be developed in future assessment areas benefit from approximately \$57,973,931.36 of the master costs of the Capital Improvement Program.

Using the ERU benefit allocations developed in Table 4 in the *Appendix*, Table 6 in the *Appendix* illustrates the allocation of the Series 2024 Project costs in accordance with the ERU benefit allocation methodology and the allocation of the amount funded with proceeds of the Series 2024 Bonds in the approximate amount of \$20,080,825.*

Table 7 in the *Appendix* presents the apportionment of the Series 2024 Bond Assessments in accordance with the ERU benefit allocation method presented in Table 4 as modified by the effects of the contributions illustrated in Table 6 in the *Appendix*. Table 7 also presents the annual levels of the annual debt service assessments per unit.

Amenities - It is our understanding that all amenities planned for the community will either be “common elements” or owned by the District. No Series 2024 Bond Assessments will be allocated herein to any platted amenities or other platted common areas planned for the development that meet the definition of “common element” in section 193.0235, Florida Statutes. If the amenities are owned by the District, then they would be governmental property not subject to the Series 2024 Bond Assessments and would be open to the general public, subject to District rules, rates and policies. Should the District discover that a privately-owned amenity has been developed within the Assessment Area One which does not meet the definition of a “common element” in section 193.0235, Florida Statutes, further assessment proceedings will be necessary to reallocate assessments to such parcel.

Governmental Property - If at any time, any portion of the property contained in the District is sold or otherwise transferred to a unit of local, state, or federal government or similar exempt entity (without consent of such governmental unit or similarly exempt entity to the imposition of Series 2024 Bond Assessments thereon), all future unpaid Series 2024 Bond Assessments for such tax parcel shall become due and payable immediately prior to such transfer.

5.3 Assigning Series 2024 Bond Assessment

As the land in Assessment Area One is not yet platted for its intended final use and the precise location of the various product types by lot or parcel is unknown, the Series 2024 Bond Assessments will initially be levied on all of the land in Assessment Area One on an equal pro-rata gross acre basis and thus the total bonded debt attributable to

* Preliminary, subject to change

the District in the amount of \$23,810,000* will be preliminarily levied on approximately 826 +/- acres at a rate of \$28,825.67* per gross acre.

When the land is platted or sold within Assessment Area One, the Series 2024 Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 6 in the *Appendix*. Such allocation of Series 2024 Bond Assessments from unplatted gross acres to platted parcels will reduce the amounts of Series 2024 Bond Assessments levied on unplatted gross acres within Assessment Area One.

In the event unplatted land within Assessment Area One is sold to a third party (the “Transferred Property”), the Series 2024 Bond Assessments will be assigned to such Transferred Property at the time of the sale based on the maximum total number of ERUs assigned by the Developer, as applicable, to that Transferred Property, subject to review by the District’s methodology consultant, to ensure that any such assignment is reasonable, supported by current development rights and plans, and otherwise consistent with this First Supplemental Report. The owner of the Transferred Property will be responsible for the total Series 2024 Bond Assessments applicable to the Transferred Property, regardless of the total number of ERUs ultimately actually platted. A true up payment would then be due to the District in accordance with Section 5.6, below. This total Series 2024 Bond Assessments are allocated to the Transferred Property at the time of the sale. If the Transferred Property is subsequently sub-divided into smaller parcels, the total Series 2024 Bond Assessments initially allocated to the Transferred Property will be re-allocated to the smaller parcels pursuant to the methodology as described herein (i.e., equal assessment per gross acre until platting).

5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in *Section 1.3*, Special Benefits and General Benefits, improvements undertaken by the District create special and peculiar benefits to certain properties within the District. The public infrastructure improvements provided by the District benefit assessable properties within the District and accrue to all such assessable properties on an ERU basis.

* Preliminary, subject to change

Improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within the District. The special and peculiar benefits resulting from each improvement are:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums; and
- d. increased marketability and value of the property.

The improvements which are part of the Capital Improvement Program make the land in the District developable and saleable and when implemented jointly as parts of the Capital Improvement Program, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received from the improvements is delineated in Table 4 (expressed as ERU factors) in the *Appendix*.

The apportionment of the assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within the District according to reasonable estimates of the special and peculiar benefits derived from the Capital Improvement Program.

Accordingly, no acre or parcel of property within the District will be lienied for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property.

5.6 True-Up Mechanism

The District's assessment program is predicated on the development of lots in a manner sufficient to include all of the planned Equivalent Residential Units ("ERUs") as set forth in Table 4 in the *Appendix* ("Development Plan"). At such time as lands are to be platted (or replatted) or site plans are to be approved (or re-approved), the plat or

site plan (either, herein, “Proposed Plat”) shall be presented to the District for a “true-up” review as follows:

a. If a Proposed Plat results in the same amount of ERUs (and thus Series 2024 Bond Assessments) able to be imposed on the “Remaining Developable Unplatted Lands” (i.e., those remaining developable unplatted lands within Assessment Area One after the Proposed Plat is recorded) as compared to what was originally contemplated under the Development Plan, then the District shall allocate the Series 2024 Bond Assessments to the product types being platted and the remaining property in accordance with this First Supplemental Report, and cause the Series 2024 Bond Assessments to be recorded in the District’s improvement lien book.

b. If a Proposed Plat results in a greater amount of ERUs (and thus Series 2024 Bond Assessments) able to be imposed on the Remaining Developable Unplatted Lands as compared to what was originally contemplated under the Development Plan, then the District may undertake a pro rata reduction of Series 2024 Bond Assessments for all assessed properties within the Property, or may otherwise address such net decrease as permitted by law.

c. If a Proposed Plat results in a lower amount of ERUs (and thus Series 2024 Bond Assessments) able to be imposed on the Remaining Developable Unplatted Lands as compared to what was originally contemplated under the Development Plan, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay a “True-Up Payment” equal to the difference between: (i) the Series 2024 Bond Assessments originally contemplated to be imposed on the lands subject to the Proposed Plat, and (ii) the Series 2024 Bond Assessments able to be imposed on the lands subject to the Proposed Plat, after the Proposed Plat (plus applicable interest, collection costs, penalties, etc.).

With respect to the foregoing true-up analysis, the District’s Assessment Consultant, in consultation with the District Engineer and District Counsel, shall determine in his or her sole discretion what amount of ERUs (and thus Series 2024 Bond Assessments) are able to be imposed on the Remaining Developable Unplatted Lands, taking into account a Proposed Plat, by reviewing: a) the original, overall development plan showing the number and type of units reasonably planned for the development, b) the revised, overall development plan showing the number and type of units reasonably planned for the development, c) proof of the amount of entitlements for the Remaining Developable Unplatted Lands, d) evidence of allowable zoning conditions that would enable those entitlements to

be placed in accordance with the revised development plan, and e) documentation that shows the feasibility of implementing the proposed development plan. Prior to any decision by the District not to impose a true-up payment, the District's Assessment Consultant shall demonstrate that there will be sufficient assessments to pay debt service on the Series 2024 Bonds and the District will conduct new proceedings under Chapters 170, 190 and 197, Florida Statutes upon the advice of District Counsel.

Any True-Up Payment shall become due and payable prior to the recordation of the plat by the landowner of the lands subject to the Proposed Plat, shall be in addition to the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the applicable bond series to the interest payment date that occurs at least forty-five (45) days after the True-Up Payment (or the second succeeding interest payment date if such True-Up Payment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indentures for the applicable bond series)).

All Series 2024 Bond Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres, any unallocated Series 2024 Bond Assessments shall become due and payable and must be paid prior to the District's approval of that plat. This true-up process applies for both plats and/or re-plats.

Such review shall be limited solely to the function and the enforcement of the District's assessment liens and/or true-up agreements. Nothing herein shall in any way operate to or be construed as providing any other plat approval or disapproval powers to the District. For further detail on the true-up process, please refer to the True-Up Agreement and applicable assessment resolution(s).

5.7 Assessment Roll

The Series 2024 Bond Assessments in the estimated amount of \$23,810,000* are proposed to be levied over the areas described in Exhibit "A". Excluding any capitalized interest period, debt service assessment shall be paid in thirty (30) annual installments.

* Preliminary, subject to change

WHEREAS, any capitalized term used herein and not otherwise expressly defined herein shall have the meaning ascribed thereto in the Indenture; and

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Peace Crossing Community Development District, as follows:

Section 1. Authorization of Issuance of Series 2024 Bonds. There are hereby authorized and directed to be issued Peace Crossing Community Development District Special Assessment Revenue Bonds, Series 2024 (Assessment Area One) (the "Series 2024 Bonds") in an aggregate principal amount not to exceed \$30,000,000, for the purposes of (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2024 Project, (ii) making a deposit to the Series 2024 Reserve Account in an amount equal to the Series 2024 Reserve Requirement, (iii) funding a portion of the interest coming due on the Series 2024 Bonds, and (iv) paying certain costs of issuance in respect of the Series 2024 Bonds. The Series 2024 Bonds shall be issued under and secured by the Indenture the form of which by reference is hereby incorporated by reference into this resolution as if set forth in full herein.

Section 2. Details of the Series 2024 Bonds. The District hereby determines that the Series 2024 Bonds shall mature in the amounts and at the times, shall bear interest at the rates, be redeemable at the redemption prices and in the manner as determined by the Chair of the Board of Supervisors of the District (the "Chair") or any member of the Board of Supervisors designated by the Chair (a "Designated Member"), prior to the sale of said Series 2024 Bonds, all in a manner consistent with the requirements of the Bond Resolution and within the parameters set forth in Section 5 hereof.

Section 3. First Supplemental Indenture. The District hereby approves and authorizes the execution of the First Supplemental Indenture by the Chair or any Designated Member and the Secretary or any Assistant Secretary of the Board of Supervisors (the "Secretary") and the delivery of the First Supplemental Indenture in substantially the form thereof attached hereto as Exhibit A, with such changes therein as shall be approved by the Chair or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of First Supplemental Indenture attached hereto.

Section 4. Negotiated Sale. The Series 2024 Bonds shall be sold by a negotiated sale to the Underwriter. It is hereby determined by the District that a negotiated sale of the Series 2024 Bonds to the Underwriter will best effectuate the purposes of the Act, is in the best interests of the District and is necessitated by, in general, the characteristics of the issue and prevailing market conditions and specifically, the following additional reasons:

(i) because of the complexity of the financing structure of the Series 2024 Bonds, including the pledge of Special Assessments as security for the Series 2024 Bonds, it is desirable to sell the Series 2024 Bonds pursuant to a negotiated sale so as to have an underwriter involved from the outset of the financing to assist in these matters;

(ii) because of changing market conditions for tax-exempt bonds and the necessity of being able to adjust the terms of the Series 2024 Bonds, it is in the best interests of the District to sell the Series 2024 Bonds by a negotiated sale;

(iii) the Underwriter has participated in structuring the issuance of the Series 2024 Bonds and can assist the District in attempting to obtain the most attractive financing for the District;

(iv) the Series 2024 Bonds do not bear a credit rating and will be offered initially only to accredited investors within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder; and

(v) the District will not be adversely affected if the Series 2024 Bonds are not sold pursuant to a competitive sale.

Section 5. Bond Purchase Contract. The District hereby approves the form of the Bond Purchase Contract submitted by the Underwriter and attached hereto as Exhibit B, and the sale of the Series 2024 Bonds by the District upon the terms and conditions set forth in the Bond Purchase Contract is hereby approved. The Chair or a Designated Member are each hereby

authorized, acting individually, to execute the Bond Purchase Contract and to deliver the Bond Purchase Contract to the Underwriter. The Bond Purchase Contract shall be in substantially the form of the Bond Purchase Contract attached hereto as Exhibit B with such changes, amendments, modifications, omissions and additions as may be approved by the Chair or the Designated Member; provided, however,

(i) If the Series 2024 Bonds are subject to optional redemption, which determination will be made on or before the sale date of the Series 2024 Bonds, the first optional call date and the redemption price shall be determined on or before the date that the Bond Purchase Contract is executed;

(ii) The interest rate on the Series 2024 Bonds shall not exceed an average net interest cost rate, which shall be computed by adding 300 basis points to The Bond Buyer "20 Bond Index" published immediately preceding the first day of the calendar month in which the bonds are sold, as provided in Section 215.84(3), Florida Statutes, as amended;

(iii) The aggregate principal amount of the Series 2024 Bonds shall not exceed \$30,000,000;

(iv) The Series 2024 Bonds shall have a final maturity not later than the maximum term allowed by Florida law, which is currently thirty (30) years of principal amortization; and

(v) The price at which the Series 2024 Bonds shall be sold to the Underwriter shall not be less than 98.0% of the aggregate face amount of the Series 2024 Bonds, exclusive of original issue discount.

Execution by the Chair or a Designated Member of the Bond Purchase Contract shall be deemed to be conclusive evidence of approval of such changes.

Section 6. Preliminary Limited Offering Memorandum; Final Limited Offering Memorandum. The District hereby approves the form of the Preliminary Limited Offering Memorandum submitted to this meeting and attached hereto as Exhibit C and authorizes its distribution and use in connection with the limited offering for sale of the Series 2024 Bonds. The preparation of a final Limited Offering Memorandum relating to the Series 2024 Bonds (the "Limited Offering Memorandum") is hereby approved and the Chair or any Designated Member is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the award of the Series 2024 Bonds and, upon such award, to deliver the same to the Underwriter for use by it in connection with the sale and distribution of the Series 2024 Bonds. The Limited Offering Memorandum shall be substantially in the form of the Preliminary Limited Offering Memorandum attached hereto as Exhibit C, with such changes as shall be approved by the Chair or Designated Member as necessary to conform the details of the Series 2024 Bonds and such other insertions, modifications and changes as may be approved by the Chair or Designated Member. The execution and delivery of the Limited Offering Memorandum by the Chair or Designated Member shall constitute evidence of the approval thereof. The Chair is further authorized to deem the Preliminary Limited Offering Memorandum "final" within the meaning of Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of

1934, in the form as mailed, and in furtherance thereof to execute the Rule 15c2-12 Certificate evidencing the same substantially in the forms attached hereto as Exhibit D.

Section 7. Continuing Disclosure. The District hereby authorizes and approves the execution and delivery of the Continuing Disclosure Agreement by and among the District, the Dissemination Agent and any landowner constituting an "Obligated Person" under the Continuing Disclosure Agreement, by the Chair or a Designated Member substantially in the form presented to this meeting and attached hereto as Exhibit E, with such changes therein as shall be approved by the Chair or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of Continuing Disclosure Agreement attached hereto. The Continuing Disclosure Agreement is being executed by the District in order to assist the Underwriter in complying with Rule 15c2-12(b)(5) promulgated by the U.S. Securities and Exchange Commission.

Section 8. Application of Bond Proceeds. The proceeds of the Series 2024 Bonds shall be applied in the manner required in the First Supplemental Indenture.

Section 9. Further Official Action; Ratification of Prior and Subsequent Acts. The Chair, the Secretary and each member of the Board of Supervisors of the District and any other proper official of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments (including, without limitation, any documents required by the Trustee to evidence its rights and obligations with respect to the Series 2024 Bonds, any documents required in connection with implementation of a book-entry system of registration, and investment agreements relating to the investment of the proceeds of the Series 2024 Bonds and any agreements in connection with maintaining the exclusion of interest on the Series 2024 Bonds from gross income of the holders thereof) and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution. In the event that the Chair or the Secretary is unable to execute and deliver the documents herein contemplated, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the District. The Secretary or any Assistant Secretary is hereby authorized and directed to apply and attest the official seal of the District to any agreement or instrument authorized or approved herein that requires such a seal and attestation. The Chair or any Designated Member may, among other things, change the date of any document accompanying this Resolution as an exhibit or the series designation of the Series 2024 Bonds. Execution by the Chair or a Designated Member of such document shall be deemed to be conclusive evidence of approval of such change of date or series designation. All of the acts and doings of such members of the Board, the officers of the District, and the agents and employees of the District, which are in conformity with the intent and purposes of this Resolution, whether heretofore or hereafter taken or done, shall be and are hereby ratified, confirmed and approved.

Section 10. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

Section 11. Inconsistent Proceedings. All resolutions or proceedings, or parts thereof, in conflict with the provisions hereof are to the extent of such conflict hereby repealed or amended to the extent of such inconsistency.

Section 12. Ratification of Prior Acts. All actions previously taken by or on behalf of the District in connection with the issuance of the Series 2024 Bonds are hereby authorized, ratified and confirmed.

Section 13. Public Meetings. It is hereby found and determined that all formal actions of the District concerning and relating to the adoption of this Resolution and the consummation of the transactions contemplated by this Resolution were adopted in open meetings of the District, and that all deliberations of the District that resulted in such formal action were in meetings open to the public, in compliance with all legal requirements.

Section 14. Effective Date. This Resolution shall take effect immediately upon its adoption.

The Series 2024 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the Redemption Price of the Series 2024 Bonds shall be made on the dates specified below. Upon any redemption of Series 2024 Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the Issuer shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2024 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2024 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2024 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

(a) Optional Redemption. The Series 2024 Bonds maturing after May 1, 20__ may, at the option of the Issuer be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20__ (less than all Series 2024 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2024 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Series 2024 Optional Redemption Subaccount of the Series 2024 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2024 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

(b) Extraordinary Mandatory Redemption in Whole or in Part. The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2024 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2024 Prepayment Principal deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account following the payment in whole or in part of Series 2024 Special Assessments on any assessable property within the District in accordance with the provisions of Section 4.05(a) of this First Supplemental Trust Indenture, together with any excess moneys transferred by the Trustee from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount as a result of such Prepayment and pursuant to Sections 4.01(f) and 4.05(a) of this First Supplemental Trust Indenture. If such redemption shall be in part, the Issuer shall select such principal amount of Series 2024 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts held by the Trustee hereunder (other than the Series 2024 Rebate Fund and the Series 2024 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2024 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture.

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2024 Acquisition and Construction Account in accordance with the provisions of Section 4.01(a) hereof, not otherwise reserved to complete the Series 2024 Project and transferred to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account, together with moneys deposited therein in accordance with the provisions of Section 4.01(a) hereof, as a result of the reduction of the Series 2024 Reserve Requirement. If such redemption shall be in part, the Issuer shall select such principal amount of Series 2024 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

(c) Mandatory Sinking Fund Redemption. The Series 2024 Bonds maturing on May 1, 20__, May 1, 20__, May 1, 20__, and May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2024 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth in the form of the Series 2024 Bond in Exhibit B.

SECTION 3.02. Notice of Redemption. When required to redeem Series 2024 Bonds under any provision of this First Supplemental Trust Indenture or directed to redeem Series 2024 Bonds by the Issuer, the Trustee shall give or cause to be given to Registered Owners of the Series 2024 Bonds to be redeemed, notice of the redemption, as set forth in Article VIII of the Master Indenture.

SECTION 4.01. Establishment of Certain Funds and Accounts.

(a) The Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Series 2024 Acquisition and Construction Account." Net proceeds of the Series 2024 Bonds shall initially be deposited into the Series 2024 Acquisition and Construction Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture, together with any moneys subsequently transferred or deposited thereto, including moneys transferred from the Series 2024 Reserve Account after satisfaction of either Reserve Release Conditions #1 or Reserve Release Conditions #2, as certified in writing by the District Manager and upon which the Trustee may conclusively rely, and such moneys shall be applied as set forth in this Section 4.01(a), Section 5.01 of the Master Indenture, the Acquisition Agreement and the Engineer's Report. Funds on deposit in the Series 2024 Acquisition and Construction Account shall only be requested by the Issuer to be applied to the Costs of the Series 2024 Project, subject to Sections 3.01(b)(3), 4.01(f) and 5.06 herein. Upon satisfaction of Reserve Release Conditions #1 and Reserve Release Conditions #2, the amount on deposit in the Series 2024 Reserve Account in excess of the Series 2024 Reserve Requirement, as calculated by the District shall then be transferred by the Trustee to the Series 2024 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, upon consultation with the Consulting Engineer, and applied as provided in this Section 4.01(a).

After the Completion Date for the Series 2024 Project, any moneys remaining in the Series 2024 Acquisition and Construction Account (and any excess funds from the Series 2024 Reserve Account) shall be transferred to the Series 2024 General Redemption Subaccount, as directed in writing by the Issuer or the District Manager, on behalf of the Issuer to the Trustee to be applied as provided in Section 3.01(b)(iii). Except as provided in Section 5.06 hereof, only upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, shall the Trustee withdraw moneys from the Series 2024 Acquisition and Construction Account. After no funds remain therein, the Series 2024 Acquisition and Construction Account, such Account shall be closed.

Notwithstanding the foregoing, the Series 2024 Acquisition and Construction Account shall not be closed until the Reserve Release Conditions #2 shall have occurred and the excess funds from the Series 2024 Reserve Account shall have been transferred to the Series 2024 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, and applied in accordance with this Section 4.01(a) or as otherwise provided in Section 4.01(f) hereof. The Trustee shall not be responsible for determining the amounts in the Series 2024 Acquisition and Construction Account allocable to the respective components of the Series 2024 Project.

The Trustee shall make no such transfers from the Series 2024 Acquisition and Construction Account to the Series 2024 General Redemption Subaccount if an Event of Default exists, with respect to the Series 2024 Bonds of which the Trustee has actual notice as described

in Section 11.06 of the Master Indenture. Except as provided in Section 3.01(b)(iii) or Section 5.06 hereof, only upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, shall the Trustee withdraw moneys from the Series 2024 Acquisition and Construction Account. Pursuant to the Master Indenture, the Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Series 2024 Costs of Issuance Account." Net proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Costs of Issuance Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2024 Costs of Issuance Account to pay the costs of issuing the Series 2024 Bonds. Six months after the issuance of the Series 2024 Bonds, any moneys remaining in the Series 2024 Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Series 2024 Interest Account and the Series 2024 Costs of Issuance Account shall be closed. Any deficiency in the amount allocated to pay the cost of issuing the Series 2024 Bonds shall be paid from excess Series 2024 Pledged Revenues on deposit in the Series 2024 Revenue Account, as provided in Section 4.02. After no funds remain therein, the Series 2024 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the "Series 2024 Revenue Account." Series 2024 Special Assessments (except for Prepayments of Series 2024 Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2024 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2024 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture. The Trustee may conclusively rely that unless expressly indicated in writing by the District as a Prepayment upon deposit thereof with the Trustee, payments of Series 2024 Special Assessments otherwise received by the Trustee are to be deposited into the Series 2024 Revenue Account.

(c) [RESERVED].

(d) Pursuant to Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Series 2024 Interest Account." Moneys deposited into the Series 2024 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this First Supplemental Trust Indenture, shall be applied for the purposes provided therein and used to pay interest on the Series 2024 Bonds.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate account within the Debt Service Fund designated as the "Series 2024 Sinking Fund Account." Moneys shall be deposited into the Series 2024 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture, and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Trust Indenture.

(f) The Trustee shall establish a separate Account within the Reserve Fund designated as the "Series 2024 Reserve Account." Net proceeds of the Series 2024 Bonds shall be deposited

into the Series 2024 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture, and such moneys, together with any other moneys deposited into the Series 2024 Reserve Account shall be applied for the purposes provided in the Master Indenture and in this Section 4.01(f) and Section 4.05 of this First Supplemental Trust Indenture. Notwithstanding any provisions in the Master Indenture to the contrary, the Issuer covenants not to substitute the cash and Investment Securities on deposit in the Series 2024 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2024 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2024 Reserve Account and transfer any excess therein above the Series 2024 Reserve Requirement resulting from investment earnings to the Series 2024 Revenue Account in accordance with Section 4.02 hereof.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer receives notice from the District Manager that a landowner wishes to prepay its Series 2024 Special Assessments relating to the benefited property of such landowner, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager to, on behalf of the Issuer, calculate the principal amount of such Prepayment taking into account a credit against the amount of Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will be in excess of the Series 2024 Reserve Requirement for the Series 2024 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective landowner from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2024 Bonds to the Series 2024 General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2024 Special Assessments and applied to redeem a portion of the Series 2024 Bonds is less than the principal amount of Series 2024 Bonds indebtedness attributable to such lands.

Notwithstanding the foregoing, upon satisfaction of Reserve Release Conditions #1 and Reserve Release Conditions #2, the Trustee shall deposit such excess as directed by the District Manager in writing on deposit in the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account and pay such amount as designated in a requisition in the form attached hereto as Exhibit C to the Issuer submitted by the Landowner within thirty (30) days of such transfer which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared; provided, the Landowner can establish, to the satisfaction of the Consulting Engineer, Costs of the

Series 2024 Project that were not paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account. In the event that there are no unreimbursed costs to pay to the Landowner, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account upon direction to the Trustee by the District. If no completed requisition as provided in this section is submitted to the Trustee within thirty (30) days of moneys having been transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account as a result of the satisfaction of Reserve Release Conditions #1 and Reserve Release Conditions #2, such excess moneys in the Series 2024 Acquisition and Construction Account shall then be transferred by the Trustee to the Series 2024 General Redemption Subaccount and applied to the redemption of Series 2024 Bonds as provided in Section 4.01(a) hereinabove.

In addition, and together with the moneys transferred from the Series 2024 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2024 General Redemption Subaccount, is not sufficient to redeem a principal amount of the Series 2024 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2024 Revenue Account to round up the amount in the Series 2024 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2024 Revenue Account shall be made to pay interest on and/or principal of the Series 2024 Bonds for the redemption pursuant to Section 3.01(b)(iii) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the "Series 2024 Bond Redemption Account" and within such Account, a "Series 2024 General Redemption Subaccount," a "Series 2024 Optional Redemption Subaccount," and a "Series 2024 Prepayment Subaccount." Except as otherwise provided in this First Supplemental Trust Indenture regarding Prepayments or in connection with the optional redemption of the Series 2024 Bonds, moneys to be deposited into the Series 2024 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2024 General Redemption Subaccount.

(h) Moneys that are deposited into the Series 2024 General Redemption Subaccount (including all earnings on investments held therein) shall be used to call for the extraordinary mandatory redemption (i) in whole, pursuant to Section 3.01(b)(ii) hereof, the Outstanding amount of Series 2024 Bonds or (ii) in whole or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2024 Prepayment Subaccount (including all earnings on investments held in such Series 2024 Prepayment Subaccount) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2024 Bonds equal to the amount of money transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof. In addition, and together with the moneys transferred from the Series 2024 Reserve Account pursuant to paragraph (f) above, if the amount on deposit in the Series 2024 Prepayment Subaccount is not sufficient to redeem a principal amount of the Series 2024 Bonds in an Authorized Denomination, the Trustee upon

written direction from the Issuer, shall be authorized to withdraw amounts from the Series 2024 Revenue Account to deposit to the Series 2024 Prepayment Subaccount to round-up the amount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2024 Revenue Account shall be directed by the Issuer to pay interest on and/or principal of the Series 2024 Bonds for the redemption pursuant to Section 3.01(b)(i) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(j) The Issuer hereby directs the Trustee to establish a separate account in the Rebate Fund designated as the "Series 2024 Rebate Account." Moneys shall be deposited into the Series 2024 Rebate Account, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Moneys on deposit in the Series 2024 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2024 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2024 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing May 1, 202[4], to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2024 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 202[5], to the Series 2024 Sinking Fund Account, an amount equal to the principal amount of Series 2024 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2024 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2024 Bonds remain Outstanding, to the Series 2024 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2024 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2024 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2024 Interest Account, the amount necessary to pay interest on the Series 2024 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2024 Costs of Issuance Account upon the written request of the Issuer to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2024 Bonds and next, any balance in the Series 2024 Revenue Account shall remain on deposit in such Series 2024 Revenue Account, unless needed to be transferred to the Series 2024 Prepayment Subaccount for the purposes of rounding the principal amount of a Series 2024 Bond subject to extraordinary mandatory redemption pursuant to Sections

4.01(f) or 4.01(i) hereof to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2024 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

In addition to a redemption of Series 2024 Bonds from Prepayments on deposit in the Series 2024 Prepayment Subaccount, the Trustee is further authorized, upon written direction from the Issuer, to transfer from the Series 2024 Revenue Account to the Series 2024 General Redemption Subaccount sufficient funds to cause the redemption of the next closest Authorized Denomination of Series 2024 Bonds, as provided in Section 4.01(i) hereof.

SECTION 4.03. Power to Issue Series 2024 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2024 Bonds, to execute and deliver the Series 2024 Indenture and to pledge the Series 2024 Pledged Revenues for the benefit of the Series 2024 Bonds to the extent set forth herein. The Series 2024 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2024 Bonds, except as otherwise permitted under the Master Indenture and Section 5.04 hereof. The Series 2024 Bonds and the provisions of the Series 2024 Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Series 2024 Indenture and all the rights of the Holders of the Series 2024 Bonds under the Series 2024 Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. Series 2024 Project to Conform to Engineer's Report. Simultaneously with the issuance of the Series 2024 Bonds, the Issuer will promptly proceed to construct and/or acquire the Series 2024 Project, as described in Exhibit A hereto and in the Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of Series 2024 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2024 Special Assessments may, at its option, or as a result of acceleration of the Series 2024 Special Assessments because of non-payment thereof, shall, or by operation of law, require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2024 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2024 Special Assessment, which shall constitute Series 2024 Prepayment Principal, plus, except as provided below, accrued interest to the next succeeding Quarterly Redemption Date (or the first succeeding Quarterly Redemption Date that is at least forty-five (45) days after such Prepayment, if such Prepayment is made within forty-five (45) calendar days before the next succeeding Quarterly Redemption Date, as the case may be), attributable to the property subject to Series 2024 Special Assessments owned by such owner. To the extent that such Prepayments are to be used to redeem Series 2024 Bonds pursuant to Section 3.01(b)(i) hereof, in the event the amount on deposit in the Series 2024 Reserve Account will exceed the Series 2024 Reserve Requirement for the Series 2024 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting extraordinary mandatory redemption in accordance with Section 3.01(b)(i) of this First Supplemental Trust Indenture of Series 2024 Bonds, the excess amount shall be transferred from

the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount, as a credit against the Series 2024 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the Issuer to the Trustee together with a certificate of a Responsible Officer of the Issuer, upon which the Trustee may conclusively rely, stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2024 Reserve Account to equal or exceed the Series 2024 Reserve Requirement.

(b) Upon receipt of Series 2024 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official improvement lien book of the District that the Series 2024 Special Assessment has been paid in whole or in part and that such Series 2024 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

(c) If any property shall be offered for sale for the nonpayment of any Series 2024 Special Assessment and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2024 Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the Issuer for an amount equal to the balance due on the Series 2024 Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the Issuer and the Issuer shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Beneficial Owners of the Series 2024 Bonds. The Issuer, either through its own actions, or actions caused to be taken through the Trustee, shall have the power and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2024 Revenue Account. The Issuer, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for sale of property acquired by it as Trustee for the Beneficial Owners of the Series 2024 Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Holder.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2024 Bonds pursuant to Section 3.01(b)(i) forty-five (45) days prior to each Quarterly Redemption Date.

ARTICLE V

COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2024 Special Assessments. The Series 2024 Special Assessments levied for each full year on platted lots shall be collected pursuant to the uniform method provided for in Sections 197.3632 and 197.3635 Florida Statutes, (the "Uniform Method") unless the District determines that it is in its best interests to collect directly. The Series 2024 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method unless the District determines that it is in its best interests to do so. Prior to an Event of Default, the election to collect and enforce Series 2024 Special Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the District from electing to collect and enforce Series 2024 Special Assessments pursuant to any other method permitted by law in any subsequent year. Following an Event of Default, Series 2024 Special Assessments levied on platted lots shall be collected pursuant to the Uniform Method and Series 2024 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless the Trustee, acting at the direction of the Majority Holders of the Series 2024 Bonds Outstanding, provides written consent/direction to a different method of collection. All Series 2024 Special Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Series 2024 Special Assessments shall not be deemed to be delinquent unless and until they are not paid by the applicable Interest Payment Date with respect to which they have been billed. The assessment methodology shall not be materially amended without the written consent of the Majority Holders.

Notwithstanding any other provision in the Master Indenture to the contrary, upon the occurrence of an Event of Default, if the Trustee, acting at the direction of the Majority Holder of the Series 2024 Bonds, requests that the Issuer not use the Uniform Method to collect the Series 2024 Special Assessments levied by the Issuer for the purpose of paying the Debt Service Requirements of the Series 2024 Bonds, but instead collect and enforce the Series 2024 Special Assessments levied by the Issuer for the purpose of paying the Debt Service Requirements on the Series 2024 Bonds pursuant to another available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto, then the Issuer shall collect and enforce said Series 2024 Special Assessments in the manner and pursuant to the method so requested by the Trustee. Any Series 2024 Special Assessments that are not collected pursuant to the Uniform Method shall be billed directly to the applicable Landowner and be payable not later than thirty (30) days prior to each Interest Payment Date.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, each of the Issuer and the Landowner has executed and delivered a Continuing Disclosure Agreement in order to assist the Underwriter in complying with the requirements of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Funds, Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Obligations. The District covenants not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. In addition, the Issuer covenants not to issue any other Bonds or debt obligations for capital projects, secured by Special Assessments on the assessable lands within the District that are subject to the Series 2024 Special Assessments, until the Series 2024 Special Assessments are Substantially Absorbed. PEACE CROSSING COMMUNITY DEVELOPMENT DISTRICT
SPECIAL ASSESSMENT REVENUE BONDS, SERIES 2024
(ASSESSMENT AREA ONE)

BOND PURCHASE CONTRACT

[Pricing Date]

Board of Supervisors
Peace Crossing Community Development District
City of Lake Wales, Florida

Dear Ladies and Gentlemen:

FMSbonds, Inc. (the “Underwriter”) offers to enter into this Bond Purchase Contract (the “Purchase Contract”) with the Peace Crossing Community Development District (the “District”). The District is located entirely within the incorporated area of the City of Lake Wales, Florida (the “City”) in Polk County, Florida (the “County”). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the “Board”), expire at 10:00 P.M. prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery by each party hereto. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter all (but not less than all) of its \$(PAR) aggregate principal amount of Peace Crossing Community Development District Special Assessment Revenue Bonds, Series 2024 (Assessment Area One) (the “Series 2024 Bonds”). The Series 2024 Bonds shall be dated as of their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in the Limited Offering Memorandum and in Exhibit B attached hereto. The purchase price for the Series 2024 Bonds to be paid by the Underwriter shall be \$_____ (representing the aggregate principal amount of the Series 2024 Bonds of \$(PAR).00, [plus/less net original issue premium/discount] of \$_____ and less an underwriting discount of \$_____). Such payment for and delivery of the Series 2024 Bonds and the other actions contemplated hereby to take place at the time of such payment and delivery being hereinafter referred to as the “Closing”.

2. The Series 2024 Bonds. The Series 2024 Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the “State”) created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as

amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (the “Act”) and by Ordinance No. 2023-29 duly enacted by the City Commission of the City on October 3, 2023 and effective on October 13, 2023 (the “Ordinance”). The Series 2024 Bonds are being issued by the District pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of March 1, 2024, as supplemented, with respect to the Series 2024 Bonds, by a First Supplemental Trust Indenture dated as of March 1, 2024 (collectively, the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”), and Resolutions No. 2024-28 and No. 2024-___ duly adopted by the Board on October 17, 2023 and February 1, 2024, respectively (collectively, the “Bond Resolution”). The Series 2024 Assessments comprising the 2024 Trust Estate have been levied by the District on the assessable lands within Assessment Area One (as defined in the hereinafter defined Preliminary Limited Offering Memorandum) within the District pursuant to Resolution Nos. 2024-26, 2024-27 and 2024-32 adopted by the Board on October 17, 2023, October 17, 2023 and October 17, 2023, respectively, and a resolution to be adopted by the Board on March 9, 2021 (collectively, the “Assessment Resolution”).

3. Limited Offering; Establishment of Issue Price. (a) It shall be a condition to the District’s obligation to sell and to deliver the Series 2024 Bonds to the Underwriter, and to the Underwriter’s obligation to purchase, accept delivery of and pay for the Series 2024 Bonds, that the entire principal amount of the Series 2024 Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(b) The Underwriter agrees to assist the District in establishing the issue price of the Series 2024 Bonds and shall execute and deliver to the District at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, in the form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2024 Bonds.

(c) The District will treat the first price at which 10% of each maturity of the Series 2024 Bonds (the “10% test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public (as hereinafter defined) each maturity of the Series 2024 Bonds. For purposes of this Section, if Series 2024 Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Series 2024 Bonds.

(d) The Underwriter acknowledges that sales of any Series 2024 Bonds to any person that is a related party to an underwriter participating in the initial sale of the Series 2024 Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this Section 3. Further, for purposes of this Section 3:

(1) “public” means any person other than an underwriter or a related party,

(2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public), and

(3) a purchaser of any of the Series 2024 Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

4. Use of Documents. Prior to the date hereof, the District has caused to be prepared and has provided to the Underwriter the Preliminary Limited Offering Memorandum, dated [PLOM Date] (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Series 2024 Bonds being herein collectively called the “Preliminary Limited Offering Memorandum”) of the District, relating to the Series 2024 Bonds that the District has deemed final as of its date, except for certain permitted omissions (the “Permitted Omissions”), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission (“Rule 15c2-12” or the “Rule”) in connection with the limited offering of the Series 2024 Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Preliminary Limited Offering Memorandum to be circulated and used by the Underwriter in connection with the limited offering of the Series 2024 Bonds. The District shall deliver, or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than the Closing Date (as defined below) and in sufficient time to allow the Underwriter to comply with the requirements of Rule 15c2-12 and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the “MSRB”), a final Limited Offering Memorandum dated the date hereof (such Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Bonds being herein called the “Limited Offering Memorandum” and, together with the Preliminary Limited Offering Memorandum, the “Limited Offering Memoranda”). The Underwriter agrees to file the Limited Offering Memorandum with the MSRB not later than two (2) business days

after the Closing Date. The District hereby ratifies the use of the Preliminary Limited Offering Memorandum and approves the circulation and use of the Limited Offering Memorandum by the Underwriter.

5. Definitions. For purposes hereof, this Purchase Contract, the Indenture, the Continuing Disclosure Agreement to be dated as of the Closing Date, by and among the District, Lake Wales Property Holdings, LLC, a Delaware limited liability company (the “Developer”), Lake Wales II Property Holdings, LLC, a Delaware limited liability company (“Lake Wales II”), Lake Wales III Property Holdings, LLC, a Delaware limited liability company (“Lake Wales III” and, together with Lake Wales II, the “Landowner Affiliates”) and Wrathell, Hunt and Associates, LLC, as dissemination agent, in substantially the form attached to the Limited Offering Memorandum as Appendix D thereto (the “Disclosure Agreement”), [the Agreement by and between the District and the Developer Regarding the Completion of Certain Improvements dated as of the Closing Date (the “Completion Agreement”), the Collateral Assignment and Assumption of Development Rights (Series 2024 Bonds – Assessment Area One) to be dated as of the Closing Date in recordable form by and between the District, the Developer and the Landowner Affiliates (the “Collateral Assignment”), the Agreement by and between the District, the Developer and the Landowner Affiliates Regarding the Acquisition of Certain Work Product, Improvements and Real Property dated as of the Closing Date (the “Acquisition Agreement”), the Agreement between the District, the Developer and the Landowner Affiliates Regarding the True-Up and Payment of Special Assessments for Special Assessment Revenue Bonds (Assessment Area One – 2024 Bonds) to be dated as of the Closing Date and in recordable form (the “True-Up Agreement”), the Declaration of Consent to Jurisdiction of Peace Crossing Community Development District and to Imposition of Series 2024 Special Assessments in recordable form by the Developer and the Landowner Affiliates (the “Declaration”)] [Confirm] and the DTC Blanket Issuer Letter of Representations entered into by the District, are referred to herein collectively as the “Financing Documents.”

Upon execution and delivery by the District and the Trustee (and assuming the due authorization, execution and delivery of the Indenture by the Trustee), the Indenture will constitute a legal, valid and binding obligation of the District, enforceable in accordance with its terms, subject only to applicable bankruptcy, insolvency, and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law). Upon execution by the District and the other parties thereto (and assuming the due authorization, execution and delivery of such agreements by the other parties thereto) the Financing Documents will constitute the legal, valid and binding obligations of the District, enforceable in accordance with their respective terms; subject only to applicable bankruptcy, insolvency and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law);

(d) The District is not in material breach of or material default under any applicable provision of the Act or any applicable constitutional provision or statute or, to its knowledge, administrative regulation of the State or the United States of America or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement, or other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to its knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or material event of default under any such instrument; and the execution and delivery of the Series 2024 Bonds, the Financing Documents and the Limited Offering Memorandum, the delivery of the Preliminary Limited Offering Memorandum and the adoption of the Bond Resolution and the Assessment Resolution, and compliance with the provisions on the District's part contained therein, will not conflict with or constitute a material breach of or material default under any applicable constitutional provision, or law, or, to its knowledge, any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement, or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution,

delivery, adoption, or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as provided by the Assessment Resolution, the Series 2024 Bonds and the Indenture. To its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default under the Series 2024 Bonds or the Financing Documents;

On the Closing Date, all conditions precedent to the issuance of the Series 2024 Bonds set forth in the Indenture will have been complied with or fulfilled;

(h) As of the date hereof, there is no claim, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to its best knowledge, threatened against the District: (i) contesting the corporate existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (ii) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Series 2024 Bonds or the application of the proceeds of the sale thereof for the purposes described in the Limited Offering Memoranda or the collection of Series 2024 Assessments or the pledge of and lien on the 2024 Trust Estate, pursuant to the Indenture; (iii) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District in any respect relating to the authorization for the issuance of the Series 2024 Bonds, or the authorization of the Assessment Area One Project, the Bond Resolution, the Assessment Resolution, the Financing Documents to which the District is a party, or

the application of the proceeds of the Series 2024 Bonds for the purposes set forth in the Limited Offering Memoranda; (iv) contesting the federal tax status of the Series 2024 Bonds; or (v) contesting the completeness or accuracy of the Limited Offering Memoranda or any supplement or amendment thereto (except for Permitted Omissions with respect to the Preliminary Limited Offering Memorandum);

(i) To the extent applicable, the District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order to: (i) qualify the Series 2024 Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; and (ii) determine the eligibility of the Series 2024 Bonds for investment under the laws of such states and other jurisdictions, and the District will use its best efforts to continue such qualifications in effect so long as required for the initial limited offering and distribution of the Series 2024 Bonds; *provided, however*, that in no event shall the District be required to submit to the jurisdiction of any other state or states and the District shall not be required to execute a general or special consent to service of process or to qualify to do business in connection with any such qualification or determination in any jurisdiction or register as a broker/dealer; and, *provided further*, that the District shall not be required to pay any fees, to register as a dealer or broker in any jurisdiction or to comply with any other requirements reasonably deemed by it to be unduly burdensome;

(j) As of its date (unless an event occurs of the nature described in paragraph (1) of this Section 6) and at all times subsequent thereto, up to and including the Closing Date, the statements and information contained in the Preliminary Limited Offering Memorandum (other than “Permitted Omissions”) and in the Limited Offering Memorandum are and will be accurate in all material respects for the purposes for which their use is authorized and do not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memoranda under the captions “DESCRIPTION OF THE SERIES 2024 BONDS – Book-Entry Only System,” “THE DEVELOPMENT,” “THE DEVELOPER AND THE LANDOWNER AFFILIATES,” “TAX MATTERS,” “LITIGATION – The Developer and the Landowner Affiliates” and “UNDERWRITING”;

Dear Ladies and Gentlemen:

2. The names, addresses and estimated amounts of compensation of any person who is not regularly employed by, or not a partner or officer of, the Underwriter, bank, banker, or financial consultant or advisor and who enters into an understanding with either the District or the Underwriter, or both, for any paid or promised compensation or valuable consideration directly, expressly or impliedly, to act solely as an intermediary between the District and the Underwriter for the purposes of influencing any transaction in the purchase of the Bonds are: None.
3. The nature and estimated amounts of expenses to be incurred by the Underwriter in connection with the issuance of the Bonds are set forth in Schedule I attached hereto.
4. The management fee charged by the Underwriter is: \$0/\$1,000 or \$0.
5. Any other fee, bonus or other compensation estimated to be paid by the Underwriter in connection with the Bonds to any person not regularly employed or retained by the Underwriter in connection with the Bonds is as follows: None. Pursuant to the provisions of Sections 218.385(2) and (3), Florida Statutes, as amended, the following truth-in-bonding statements are made with respect to the Bonds.

The District is proposing to issue \$[PAR] aggregate amount of the Bonds for the purpose of providing moneys, to: (i) finance the cost of acquisition, construction, installation and equipping of a portion of the Assessment Area One Project (as defined in the Preliminary Limited Offering Memorandum); (ii) pay certain costs associated with the issuance of the Bonds, (iii) pay a portion of the interest accruing on the Bonds, and (iv) fund the 2024 Reserve Account (as defined in the Preliminary Limited Offering Memorandum) in an amount equal to the 2024 Reserve Account Requirement (as defined in the Preliminary Limited Offering Memorandum). This debt or obligation is expected to be repaid over a period of approximately ____ years and ____ months. At a true interest cost of approximately _____% for the Bonds, total interest paid over the life of the Bonds will be \$_____.

The source of repayment for the Bonds are the Series 2024 Assessments imposed and collected by the District. Based solely upon the assumptions set forth in the paragraph above, the issuance of the Bonds will result in approximately \$_____ (representing the average annual debt service payments due on the Bonds) of the District's special assessment revenues not being available to the District on an annual basis to finance other capital projects of the District; provided however, that in the event that the Bonds were not issued, the District would not be entitled to impose and collect the Series 2024 Assessments in the amount of the principal of and interest to be paid on the Bonds.

This opinion may not be relied on by any other party or for any other purpose without our prior written consent.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, *Florida Statutes* (the “**Act**”), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Bonds and the Bond Agreements; (b) to issue the Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the 2024 Trust Estate to secure the Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Documents** – The Bond Resolution and Assessment Resolution have been duly and validly adopted and executed by the District, are in full force and effect, and constitute legal, valid and binding actions of the District. The Bonds, Indenture, and Bond Agreements (assuming due authorization, execution and delivery of the foregoing documents by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, are in full force and effect, and constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Bonds have been fulfilled.

4. **Validation** – The Bonds have been validated by a final judgment of the Circuit Court in and for Polk County, Florida, of which no timely appeal was filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. **PLOM and LOM** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the

accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPA, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Assessment Methodology / Projected Level of District Assessments, – Completion Agreement, – True-Up Agreement and Collateral Assignment and Assumption of Development Rights,” “ENFORCEMENT OF ASSESSMENT COLLECTIONS,” “THE DISTRICT,” (excluding the subcaption “the District Manager and Other Consultants”) “ASSESSMENT METHODOLOGY,” “AGREEMENT BY THE STATE,” “LEGALITY FOR INVESTMENT,” “LITIGATION – The District,” “CONTINUING DISCLOSURE, “ (as it relates to the District only) “VALIDATION,” and “AUTHORIZATION AND APPROVAL,” and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Bonds or the Indenture. No information is offered as to any remaining provisions of the PLOM or LOM.

7. ***Litigation*** – Based on inquiry of the District’s Registered Agent for service of process and the fact that we have not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the 2024 Trust Estate pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake the Project*** - The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the

Assessment Area One Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

Such assumptions do not apply to District documents. We have also assumed the legality and validity of the following Executive Orders: 20-52 issued March 9, 2020, 20-69 issued March 20, 2020, 20-112 issued April 29, 2020, 20-114 issued May 8, 2020, 20-123 issued May 18, 2020, 20-139 issued June 3, 2020, 20-150 issued June 23, 2020, 20-179 issued July 29, 2020, 20-193 issued August 7, 2020, and 20-246 issued September 30, 2020.

E. CERTAIN QUALIFICATIONS

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the Bonds. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.
2. Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.
3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.
4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code.
5. We express no opinion and make no representations with regard to taxes, assessments or other financial information or statistical data. We express no opinion as to compliance with any state or federal tax laws.

6. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to whether the Developer is able to convey good and marketable title to any particular real property or interest therein and related to the Assessment Area One Project.
7. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase “to our knowledge,” the words “to our knowledge” signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of the District.
8. The opinions set forth herein are based on factual representations made to us as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of a particular result, and are not binding on the courts or any other entity; rather, our opinions represent our professional judgment based on our review of existing law, and in reliance on the representations and covenants that we deem relevant to such opinions.

Re: \$[PAR] Peace Crossing Community Development District Special Assessment
Revenue Bonds, Series 2024 (Assessment Area One)

Ladies and Gentlemen:

We are counsel to Lake Wales Property Holdings, LLC, a Delaware limited liability company (the “**Developer**”), Lake Wales II Property Holdings, LLC, a Delaware limited liability company (“**Lake Wales II**”), and Lake Wales III Property Holdings, LLC, a Delaware limited liability company (“**Lake Wales III**” and, together with Lake Wales II, the “**Landowner Affiliates**”), which are the developer and landowners of Assessment Area One (as defined in the hereinafter defined Limited Offering Memorandum) within the District to be developed into a residential community. We have served as counsel to the Developer and the Landowner Affiliates in connection with the issuance by the Peace Crossing Community Development District (the “District”) of \$[PAR] aggregate principal amount of Peace Crossing Community Development District Special Assessment Revenue Bonds, Series 2024 (Assessment Area One) (the “Series 2024 Bonds”) as described in the District’s Limited Offering Memorandum, dated [Pricing Date] (together with all appendices thereto, the “Limited Offering Memorandum”). The Series 2024 Bonds are being issued to, among other things, finance the cost of the acquisition, construction, installation and equipping of certain infrastructure improvements, as more fully described in the Limited Offering Memorandum (the “Assessment Area One Project”). Unless otherwise defined herein, capitalized terms used herein have the respective meanings assigned to such terms in the Bond Purchase Contract, dated [Pricing Date], between the District and FMSbonds, Inc., or in the Indenture (as defined in the Limited Offering Memorandum), as applicable.

In our capacity as counsel to the Developer and the Landowner Affiliates, we have examined and are familiar with the following documents, all of which are dated as of [Closing Date], unless otherwise indicated: (a) Agreement between the District, the Developer and the Landowner Affiliates Regarding the True-Up and Payment of Special Assessments for Special Assessment Revenue Bonds (Assessment Area One – 2024 Bonds), (b) Agreement by and between the District, the Developer and the Landowner Affiliates Regarding the Acquisition of

Certain Work Product, Improvements and Real Property, (c) Agreement by and between the District and the Developer Regarding the Completion of Certain Improvements, (d) Collateral Assignment and Assumption of Development Rights (Series 2024 Bonds – Assessment Area One) (the “Collateral Assignment”) by and between the District, the Developer and the Landowner Affiliates, (e) Declaration of Consent to Jurisdiction of Peace Crossing Community Development District and to Imposition of Special Assessments, (f) Continuing Disclosure Agreement by and among the District, the Developer, Lake Wales II Property Holdings, LLC, a Delaware limited liability company (“Lake Wales II”), and Lake Wales III Property Holdings, LLC, a Delaware limited liability company (“Lake Wales III” and, together with Lake Wales II, the “Landowner Affiliates”) and Wrathell, Hunt and Associates, LLC, as dissemination agent, and (g) Agreement Relating to Oversizing of Infrastructure and the Sale of Impact Fee Credits and Mobility Fee Credits (collectively, the “Developer Documents”), and have made such examination of law as we have deemed necessary or appropriate in rendering the opinions set forth below. We have further relied upon certificates and representations made by the Developer, Landowner Affiliates, its representatives and the parties to this transaction described in the Limited Offering Memorandum.

In rendering this opinion, we have assumed the genuineness of all signatures (other than those of the Developer and the Landowner Affiliate), the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified, conformed or photostatic copies, and the legal capacity of all natural persons. As to any fact relevant to this opinion, we have relied solely upon representations of the Developer and the Landowner Affiliates; except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts.

We are of the opinion that:

1. The Developer and the Landowner Affiliates are each a limited liability company organized and existing under the laws of the State of Delaware authorized to conduct business in the State of Florida.
2. The Developer and the Landowner Affiliates have the limited liability company power to conduct its business, to undertake the development of the Development as described in the Limited Offering Memoranda and to enter into the Developer Documents.
3. The Developer Documents have been duly authorized, executed and delivered by the Developer and the Landowner Affiliates and are in full force and effect. Assuming the due authorization, execution and delivery of such instruments by the other parties thereto and their authority to perform such instruments, the Developer Documents constitute legal, valid and binding obligations of the Developer and the Landowner Affiliates, enforceable against the Developer and the Landowner Affiliates in accordance with their respective terms.
4. The execution, delivery and performance of the Developer Documents by the Developer and the Landowner Affiliates, as applicable, do not violate (i) the Developer’s and Landowner Affiliates’ operating agreement, (ii) to the best of our knowledge, any agreement, instrument or Federal or Florida law, rule or regulation known to us to which the Developer and/or the Landowner Affiliates are a party or by which Developer’s and Landowner Affiliates’

assets are or may be bound; or (iii) to the best of our knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Developer and the Landowner Affiliates or its assets.

5. To the best of our knowledge, after due inquiry, the levy of the Series 2024 Assessments on the assessable lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which the Developer or the Landowner Affiliates are a party or to which the Developer and the Landowner Affiliates or any of their property or assets is subject.

6. The Developer is in compliance in all material respects with all provisions of applicable law in all material matters relating to the Developer, the Landowner Affiliates and the Development as described in the Limited Offering Memorandum. Except as otherwise described in the Limited Offering Memorandum, (a) the Development is zoned and properly designated for its intended use; (b) all government permits required in connection with the construction of the Development as described in the Limited Offering Memorandum, other than certain permits, which permits are expected to be received as needed, have been received; (c) we are not aware of any default of any zoning condition, land use permit or development agreement which would adversely affect the Developer's ability to complete development of the Development as described in the Limited Offering Memorandum and all appendices thereto; and (c) we have no actual knowledge and are not otherwise aware of any reason to believe that any permits, consents and licenses required to complete development of the Development as described in the Limited Offering Memorandum will not be obtained in due course as required by the Developer and the Landowner Affiliates.

7. There is no litigation pending or, to the best of our knowledge after due inquiry, threatened which (i) would prevent or prohibit the development of the Development in accordance with the description thereof in the Limited Offering Memoranda and the Engineer's Report annexed thereto as Appendix C, or (ii) may result in any material adverse change in the respective business, properties, assets or financial condition of the Developer or the Landowner Affiliates.

8. The Developer and the Landowner Affiliates have not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To the best of our knowledge, the Developer and the Landowner Affiliates have not indicated their consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

9. The Developer and the Landowner Affiliates are not in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets is subject, which default would have a material adverse effect on the Series 2024 Bonds or the Development.

10. We can advise you that nothing has come to our attention that would lead us to believe the information contained in the Limited Offering Memoranda under the captions “THE DEVELOPMENT”, “THE DEVELOPER AND THE LANDOWNER AFFILIATES” and “LITIGATION – The Developer and the Landowner Affiliates” does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the dates of the Limited Offering Memoranda or as of the date hereof.

The opinions regarding enforceability of the Developer Documents that are contained in paragraph 3 above are limited by: (i) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and transfer, and similar law affecting the rights of creditors’ generally; and (ii) general principles of equity, regardless of whether such enforceability is considered in a proceeding at law or in equity.

This opinion is solely for the benefit of the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

NOT RATED

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and continuing compliance with certain tax covenants, under existing statutes, regulations, rulings and court decisions, interest on the Series 2024 Bonds (as hereinafter defined) is excludable from gross income for federal income tax purposes and further, interest on the Series 2024 Bonds will not be an item of tax preference for purposes of the alternative minimum tax imposed on individuals. The District is a local unit of special-purpose government of the State of Florida (the “State”), created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the “Act”) and Ordinance No. 2023-29 duly enacted by the City Commission of the City of Lake Wales, Florida on October 3, 2023 and effective on October 13, 2023. The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined), and has previously determined to undertake the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands, including the lands designated as Assessment Area One (as hereinafter defined). The Act authorizes the District to issue bonds for the purpose of, among others, financing, funding, refinancing, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights, real property and other basic infrastructure projects within or without the boundaries of the District as provided in the Act. For more complete information about the District, its Board of Supervisors (the “Board”) and the District Manager, see “THE DISTRICT” herein.

The boundaries of the District include approximately 1,863.75+/- gross acres of land (the “District Lands”) located entirely within the incorporated area of the City of Lake Wales, Florida (the “City”) in Polk

County, Florida (the “County”). The District Lands are being developed as a residential community known as “[Peace Crossing]” and referred to herein as the “Development.” At build-out, the Development is currently planned to contain approximately 3,043 residential units consisting of 2,743 single-family detached units and 300 townhome attached units. The District has created Assessment Area One and is anticipated to create multiple separate assessment areas to facilitate the financing of the Development.

The Series 2024 Bonds are being issued to fund the master infrastructure improvements relating to the Development, including, but not limited to, an approximately 817+/- gross acre parcel within the Development that is planned to contain 1,136 lots, as more particularly described below (“Assessment Area One”). The Series 2024 Bonds are payable from and secured solely by the 2024 Trust Estate, which consists primarily of revenues from the Series 2024 Assessments (as hereinafter defined). The Series 2024 Assessments will be initially levied on the 817+/- gross acres of land within Assessment Area One, as is set forth in the Assessment Methodology. The District plans to issue additional series of bonds to finance the infrastructure associated with the future assessment areas to be created. Except as described herein and in the Indenture, such additional series of bonds will not be secured by special assessments levied on the lands within Assessment Area One. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS,” “THE DEVELOPMENT – Development Plan/Status,” “ASSESSMENT METHODOLOGY” and “APPENDIX E – ASSESSMENT METHODOLOGY” herein.

Lake Wales Property Holdings, LLC, a Delaware limited liability company (the “Developer”), is the developer of the Development. The Developer and its affiliates Lake Wales II Property Holdings, LLC, a Delaware limited liability company (“Lake Wales II”), and Lake Wales III Property Holdings, LLC, a Delaware limited liability company (“Lake Wales III” and, together with Lake Wales II, the “Landowner Affiliates”) are the owners of the 817+/- gross acres of land currently within the boundaries of Assessment Area One. See “THE DEVELOPMENT” and “THE DEVELOPER AND THE LANDOWNER AFFILIATES” herein for additional information regarding the Developer, the Landowner Affiliates and the Development.

The Series 2024 Bonds are being issued by the District pursuant to the Act, Resolutions No. 2024-28 and No. 2024-__ duly adopted by the Board of Supervisors of the District (the “Board”) on October 17, 2023 and February 1, 2024, respectively (collectively, the “Bond Resolution”), and secured pursuant a Master Trust Indenture dated as of March 1, 2024 (the “Master Indenture”), as supplemented by a First Supplemental Trust Indenture dated as of March 1, 2024 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). Reference is made to the Indenture for a statement of the authority for, and the terms and provisions of, the Series 2024 Bonds. All capitalized terms used in this Limited Offering Memorandum that are not defined herein shall have the meanings assigned to them in the Indenture. See “APPENDIX B – PROPOSED FORMS OF INDENTURE” herein.

Proceeds of the Series 2024 Bonds will be used to provide funds to: (i) finance the cost of acquisition, construction, installation and equipping of a portion of the Assessment Area One Project (as hereinafter defined), (ii) pay certain costs associated with the issuance of the Series 2024 Bonds, (iii) pay a portion of the interest accruing on the Series 2024 Bonds, and (iv) fund the 2024 Reserve Account (as hereinafter defined) in an amount equal to the 2024 Reserve Account Requirement (as hereinafter defined). See “THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA ONE PROJECT” and “and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

THE SERIES 2024 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE 2024 TRUST ESTATE PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE OR ANY OTHER POLITICAL

SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2024 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY, AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, SERIES 2024 ASSESSMENTS TO SECURE AND PAY THE SERIES 2024 BONDS. THE SERIES 2024 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION. Book-Entry Only System

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2024 Bond certificate will be issued for each maturity of the Series 2024 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust

& Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has an S&P Global Ratings, a division of S&P Global Inc. rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2024 Bonds on DTC’s records. The ownership interest of each actual purchaser of each Series 2024 Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2024 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2024 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2024 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2024 Bond documents. For example, Beneficial Owners of Series 2024 Bonds may wish to ascertain that the nominee holding the Series 2024 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2024 Bonds are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2024 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC’s MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts the Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and interest payments on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2024 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2024 Bond certificates will be printed and delivered to DTC.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE SERIES 2024 BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE OWNERS OR HOLDERS OF THE SERIES 2024 BONDS OR REGISTERED OWNERS OF THE SERIES 2024 BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE BONDS.

The District can make no assurances that DTC will distribute payments of principal of, redemption price, if any, or interest on the Series 2024 Bonds to the Direct Participants, or that Direct and Indirect Participants will distribute payments of principal of, redemption price, if any, or interest on the Series 2024 Bonds or redemption notices to the Beneficial Owners of such Series 2024 Bonds or that they will do so on a timely basis, or that DTC or any of its Participants will act in a manner described in this Limited Offering Memorandum. The District is not responsible or liable for the failure of DTC to make any payment to any Direct Participant or failure of any Direct or Indirect Participant to give any notice or make any payment to a Beneficial Owner in respect to the Series 2024 Bonds or any error or delay relating thereto.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS

General

THE SERIES 2024 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE 2024 TRUST ESTATE PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2024 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, SERIES 2024 ASSESSMENTS TO SECURE AND PAY THE SERIES 2024 BONDS. THE SERIES 2024 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE CITY, THE COUNTY, THE

STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2024 Bonds will be secured by a pledge of the 2024 Trust Estate. “2024 Trust Estate” shall mean with respect to the Series 2024 Bonds (a) all right, title and interest of the District, in, to and under, subject to the terms and conditions of the Master Indenture and the provisions of the Master Indenture pertaining to the application thereof for or to the purposes and on the terms set forth in the Master Indenture, the revenues derived by the District from the Series 2024 Assessments levied and imposed pursuant to the Assessment Proceedings (as defined in the First Supplemental Indenture) as the same may be amended from time to time, and (b) the Funds and Accounts (except for the 2024 Rebate Account and the 2024 Costs of Issuance Account) established under the First Supplemental Indenture; provided, however, that the Series 2024 Assessments shall not include “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act.

The “Series 2024 Assessments” shall mean the Special Assessments levied on that portion of the District Lands specially benefited by the Assessment Area One Project all as described in the Assessment Proceedings. The Series 2024 Assessments correspond in amount to the debt service on the Series 2024 Bonds and are designated as such in the Assessment Methodology. The Assessment Methodology, which describes the methodology for allocating the Series 2024 Assessments to the assessable lands within the District is included as APPENDIX E hereto. The Series 2024 Assessments were levied pursuant to Section 190.022 of the Act, and the Assessment Resolution (as defined in the First Supplemental Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolution, the “Assessment Proceedings”). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2024 Assessments will constitute a lien against the land as to which the Series 2024 Assessments are imposed. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” and “ASSESSMENT METHODOLOGY” herein.

As described below, the Series 2024 Bonds are secured by the Series 2024 Assessments levied solely on the assessable lands within Assessment Area One and no special assessments securing the Series 2024 Bonds will be levied on any other lands within the District.

Assessment Methodology/Projected Level of District Assessments

As set forth in the Assessment Methodology, the Series 2024 Assessments are initially levied on the approximately 817+/- gross acres constituting Assessment Area One until such time as the lots are platted. As platting occurs, the Series 2024 Assessments will be assigned to the 1,136+/- residential lots planned for Assessment Area One on a first platted, first assigned basis, as set forth in the Assessment Methodology attached hereto. To the extent that any residential land which has not been platted is sold, the Series 2024 Assessments will be assigned to such parcel at the time of the sale based upon the development rights associated with such parcel that are transferred from seller to buyer. Assuming that all of the residential units are developed and platted, the following tables summarize the allocation of the Series 2024 Assessments on a per unit basis. See “THE DEVELOPMENT – Development Plan/Status” and “ASSESSMENT METHODOLOGY” herein.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2024 Assessments</u> <u>Per Unit</u> ^{*/**}	<u>Series 2024 Bonds Par</u> <u>Debt Per Unit</u> [*]
Single-Family 40’	336	\$[1,200.00]	\$16,967.75
Single-Family 50’	531	[1,500.00]	21,209.69
Single-Family 60’	<u>269</u>	[1,800.00]	25,451.63

Total 1,136

* Preliminary, subject to change

** This amount will be grossed up to include early payment discounts and County collection fees, currently 6%.

The District anticipates levying assessments to cover its operation and maintenance costs that will range from approximately \$[42.83] per residential unit annually, which amounts are subject to change. In addition, residents will be required to pay homeowners' association fees which are currently estimated to be \$____ per year per residential unit, which amount is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2023 was approximately 19.4189 mills, which millage rate is subject to change in any tax years after 2023. These taxes would be payable in addition to the Series 2024 Assessments and any other assessments levied by the District, which amount is subject to change. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School District of Polk County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "THE DEVELOPMENT – Taxes, Assessments and Fees" for more information.

Prepayment of Special Assessments

Pursuant to the Assessment Proceedings of the District, an owner of property subject to the Series 2024 Assessments may pay all or a portion of the principal balance of such Series 2024 Assessments remaining due at any time if there is also paid an amount equal to the interest that would otherwise be due on such balance on the next succeeding Redemption Date for the Series 2024 Bonds, or, if prepaid during the forty-five (45) day period preceding such Redemption Date, on the second succeeding Redemption Date.

Pursuant to the Act, an owner of property subject to the levy of Series 2024 Assessments may pay the entire balance of the Series 2024 Assessments remaining due, without interest, within thirty (30) days after the Assessment Area One Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the Assessment Area One Project pursuant to Chapter 170.09, Florida Statutes. The Developer and the Landowner Affiliates, as the owners of the property within Assessment Area One, will covenant to waive this right in connection with the issuance of the Series 2024 Bonds pursuant to a "Declaration of Consent to Jurisdiction of Peace Crossing Community Development District and to Imposition of Series 2024 Special Assessments" to be executed and delivered by the Developer and the Landowner Affiliates contemporaneously with the issuance of the Series 2024 Bonds. Such declaration will be recorded in the public records of the County, and the covenants contained therein will be binding on future landowners of the District.

Any prepayment of Series 2024 Assessments will result in the extraordinary mandatory redemption of a portion of the Series 2024 Bonds as indicated under "DESCRIPTION OF THE SERIES 2024 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption." The prepayment of Series 2024 Assessments does not entitle the owner of the property to a discount for early payment.

Completion Agreement

In connection with the issuance of the Series 2024 Bonds, the District and the Developer will enter into an agreement pursuant to which the Developer will agree to complete or provide funds to complete the Assessment Area One Project to the extent that proceeds of the Series 2024 Bonds are insufficient therefor

(the “Completion Agreement”). Remedies for a default under the Completion Agreement include damages and/or specific performance.

True-Up Agreement

In connection with the issuance of the Series 2024 Bonds, the District and Developer will enter into an agreement pursuant to which the Developer agrees that at the time of recording of any and all plats containing any portion of Assessment Area One or conveying such land to a sub-developer, such plat or contract for sale to a sub-developer shall be presented to the District for review and allocation of the Series 2024 Assessments to the units being platted or sold and the remaining property in accordance with the Assessment Methodology (the “True-Up Agreement”). At the time that any plat or contract for sale to a sub-developer is presented to the District, the District will determine if the par amount of outstanding Series 2024 Bonds will be assigned to the total number of units to be developed, taking into account the submitted plat or contract for sale to a sub-developer. If not, the District will determine the remaining par amount of outstanding Series 2024 Bonds unassigned to units and the total number of developable acres owned by the Developer remaining to be platted or sold and will determine if the maximum par debt per acre, as provided in the Assessment Methodology, is exceeded. If the maximum par debt per acre is exceeded, a debt reduction payment in the amount equal to the par debt that is not capable of being assigned to the total number of developable acres, plus any applicable interest charges and collection fees shall become due and payable prior to the District’s approval of the plat, in addition to the regular assessment installment payable for lands owned by the Developer for that tax year.

Collateral Assignment and Assumption of Development Rights

As a condition precedent to the issuance of the Series 2024 Bonds, and as an inducement for the Bondholders to purchase the Series 2024 Bonds, the Developer and the Landowner Affiliates will execute and deliver to the District the Collateral Assignment and Assumption of Development Rights (Series 2024 Bonds – Assessment Area One) (the “Collateral Assignment”) relating to the Assessment Area One Project, pursuant to which the Developer and the Landowner Affiliates will collaterally assign to the District or its designee, and to the extent assignable, and to the extent that they are owned or controlled by the Developer, the Landowner Affiliates or subsequently acquired by the Developer or the Landowner Affiliates, and subject to the limitations set forth below, all of their development rights relating to the development of the Assessment Area One Project, and the Developer’s and Landowner Affiliates’ rights as declarant of the homeowners’ or property owners’ association with respect to, and to the extent of the unit parcels within the District Lands encumbered by the Series 2024 Assessments not conveyed to third-parties as of the date of the Collateral Assignment (collectively, the “Development Rights”), as security for Developer’s and Landowner Affiliates’ payment and performance and discharge of their obligation to pay the Series 2024 Assessments levied against the District Lands owned by the Developer and Landowner Affiliates from time to time, subject to the terms and conditions therein. The Development Rights include the following, as they pertain to the development of the Assessment Area One Project and Assessment Area One: (a) any declaration of covenants, including any master or supplemental declarations of covenants, easements and restrictions, and any condominium declaration or declaration of homeowners’ association, and any declaration of whatever nature affecting the District Lands and the Development, as recorded in the Official Records of Polk County, Florida, and as the same may be amended and restated from time to time, including, without limitation, all of the right, title, interest, powers, privileges, benefits and options controlled by the Developer and the Landowner Affiliates thereunder; (b) engineering and construction plans and specifications for grading, traffic capacity analyses, roadways, site drainage, storm water drainage, signage, water distribution, waste water collection, and other improvements to or affecting Assessment Area One; (c) preliminary and final plats and/or site plans for Assessment Area One; (d) architectural plans and specifications for buildings and other improvements to Assessment Area One; (e) permits, approvals, agreements, resolutions, variances, licenses, and franchises and applications therefor

whether approved or in process pending before or granted by governmental authorities, or any of their respective agencies, for or affecting the development of Assessment Area One or the Assessment Area One Project and construction of improvements thereon including, but not limited to, the following: (i) Any and all approvals, extensions, amendments, rezoning and development orders rendered by governmental authorities, including the City and the County relating to the Development and Assessment Area One, (ii) Any and all service agreements relating to utilities, water and/or wastewater, and (iii) Permits, more particularly described in the Engineer's Report; (f) contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the development of Assessment Area One or the Assessment Area One Project or the construction of improvements thereon, together with all warranties, guaranties and indemnities of any kind or nature associated therewith; (g) franchise or other agreements for the provision of water and waste water service to Assessment Area One, and all hookup fees and utility deposits paid by Developer and the Landowner Affiliates in connection therewith; (h) permit fees, impact fees, deposits and other assessments and impositions paid by Developer and the Landowner Affiliates to any governmental authority or utility and capacity reservations, impact fee credits and other credits due to Developer and the Landowner Affiliates from any governmental authority or utility provider, including credit for any dedication or contribution of Assessment Area One by Developer and the Landowner Affiliates in connection with the development of Assessment Area One or the construction of improvements thereon; and (i) all future creations, changes, extensions, revisions, modifications, substitutions, and replacements of any of the foregoing and any guarantees of performance of obligations to Developer and the Landowner Affiliates arising thereunder by any means, including, but not limited to, pursuant to governmental requirements, administrative or formal action by third-parties, or written agreement with governmental authorities or third-parties. The Development Rights specifically exclude any portion of the Development Rights listed above which relate solely to: (i) lots which have been conveyed to homebuilders or end-users effective as of such conveyance; and (ii) any portion of the property which has been transferred, dedicated and/or conveyed, or is in the future conveyed, to the City, the County, the District, the Florida Department of Transportation, any homebuilder association, any utility provider, any governmental or quasi-governmental entity, any applicable homeowner's or property owner's association or other governing entity or association as may be required by the Development Rights.

Notwithstanding the above provisions to the contrary, in the event the District forecloses on the lands subject to the Series 2024 Assessments as a result of the Developer's, the Landowner Affiliates' or subsequent landowner's failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the Assessment Area One Project or the development of Assessment Area One. See "THE DEVELOPMENT" herein for more information.

Covenant Against Sale or Encumbrance

In the Indenture, the District will covenant that (a) except for those improvements comprising any Project that are to be conveyed by the District to the City, the County, the State Department of Transportation or another governmental entity, and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber any Project, or any part thereof. See "APPENDIX B – PROPOSED FORMS OF INDENTURE" herein.

2022 Acquisition and Construction Account

The Indenture creates the 2024 Acquisition and Construction Account within the Acquisition and Construction Fund. The Indenture further creates within the 2024 Acquisition and Construction Account four separate subaccounts, to wit: a Project Infrastructure Subaccount, an ED-2 Subaccount, an ED-5 Subaccount and an ED-6N Subaccount. Amounts on deposit in the subaccounts within the 2024 Acquisition and Construction Account shall be applied to pay the Costs of the Assessment Area One Project

upon compliance with the requirements of the requisition provisions set forth in the Master Indenture, provided that:

(i) amounts in the Project Infrastructure Subaccount shall only be requisitioned by the District and applied to pay Costs related to the Project Infrastructure portion of the Assessment Area One Project, as described in the Engineer's Report;

(ii) amounts in the ED-2 Subaccount shall only be requisitioned by the District and applied to pay Costs related to the ED-2 portion of the Assessment Area One Project, as described in the Engineer's Report;

(iii) amounts in the ED-5 Subaccount shall only be requisitioned by the District and applied to pay Costs related to the ED-5 portion of the Assessment Area One Project, as described in the Engineer's Report; and

(iv) amounts in the ED-6N Subaccount shall only be requisitioned by the District and applied to pay Costs related to the ED-6N portion of the Assessment Area One Project, as described in the Engineer's Report.

Any balance remaining in a Subaccount of the 2024 Acquisition and Construction Account after the completion of the applicable portion of the Assessment Area One Project and after retaining the amount, if any, of all remaining unpaid Costs of such portion of the Assessment Area One Project, as set forth in a certificate of the Engineer, shall be transferred at the written direction of the District (i) to one or more of the other Subaccounts of the 2024 Acquisition and Construction Account and applied for the purposes of such Subaccount or (ii) to the 2024 Prepayment Account in the Bond Redemption Fund and applied to the extraordinary mandatory redemption of the Series 2024 Bonds. Any balance remaining in the 2024 Acquisition and Construction Account and the Subaccounts therein after the Completion Date of the Assessment Area One Project and after retaining the amount, if any, of all remaining unpaid Costs of the Assessment Area One Project set forth in the Engineers' Certificate establishing such Completion Date, shall be transferred to and deposited in the 2024 Prepayment Account in the Bond Redemption Fund and applied to the extraordinary mandatory redemption of the Series 2024 Bonds; provided, however, that if on the date of such proposed transfer an Event of Default exists such amounts shall remain on deposit in the 2024 Acquisition and Construction Account unless otherwise directed by the Majority Owners. At such time as there are no amounts on deposit in the 2024 Acquisition and Construction Account such account shall be closed.

Notwithstanding the foregoing, the District shall not declare that the Completion Date of the Assessment Area One Project has occurred until after the Reserve Account Release Conditions (as hereinafter defined) have been satisfied and all moneys transferred from the 2024 Reserve Account to the 2024 Acquisition and Construction Account have been expended or the Consulting Engineer has certified in writing to the District and the Trustee that such amount is in excess of what is needed to complete the Assessment Area One Project. The Trustee shall have no obligation to inquire if satisfaction of the Reserve Account Release Conditions has occurred and in the absence of notice from the District, the Trustee may assume that the Reserve Account Release Conditions have been satisfied.

See "ESTIMATED SOURCES AND USES OF FUNDS" herein for the amounts to be deposited within each subaccount within the 2024 Acquisition and Construction Account.

2024 Reserve Account

The Indenture creates a 2024 Reserve Account within the Debt Service Reserve Fund solely for the benefit of the Series 2024 Bonds. The 2024 Reserve Account will, at the time of delivery of the Series 2024 Bonds, be funded from a portion of the proceeds of the Series 2024 Bonds in an amount equal to the 2024 Reserve Account Requirement. “2024 Reserve Account Requirement” shall mean until the Reserve Account Release Conditions have been satisfied, an amount equal to the maximum annual Debt Service Requirement with respect to the initial principal amount of the Series 2024 Bonds determined on the date of issuance of the Series 2024 Bonds, which is \$_____. On the date the Reserve Account Release Conditions have been satisfied, the 2024 Reserve Account Requirement for the Series 2024 Bonds shall be thereafter reduced to an amount equal to fifty percent (50%) of the maximum annual Debt Service Requirement with respect to the Series 2024 Bonds Outstanding from time to time thereafter as of the date of such calculation. After the date the Reserve Account Release Conditions have been satisfied, the 2024 Reserve Account Requirement for the Series 2024 Bonds shall be re-calculated from time to time upon the payment of principal of the Series 2024 Bonds pursuant to extraordinary mandatory redemption (but not upon optional redemption or mandatory redemption to satisfy Amortization Installments) and any resulting excess shall be transferred as provided in the First Supplemental Indenture.

All earnings on investments in the 2024 Reserve Account shall be deposited to the 2024 Acquisition and Construction Account prior to the Completion Date and to the 2024 Revenue Account after the Completion Date, provided that on any date if a deficiency exists in the 2024 Reserve Account earnings shall be retained in the 2024 Reserve Account. Such 2024 Reserve Account shall consist only of cash and Investment Securities.

Any excess in the 2024 Reserve Account as a result of the reduction in the 2024 Reserve Account Requirement for the Series 2024 Bonds upon satisfaction of the Reserve Account Release Conditions shall be deposited into the Project Infrastructure Subaccount of the 2024 Acquisition and Construction Account. The District or the District Manager, on behalf of the District, shall provide written notice to the Trustee when the Reserve Account Release Conditions have been satisfied, upon which the Trustee may conclusively rely.

Notwithstanding the foregoing, on the earliest date on which sufficient monies are on deposit in the 2024 Reserve Account, taking into account other monies available therefor, to pay and redeem all of the Outstanding Series 2024 Bonds, together with accrued interest on such Series 2024 Bonds to the earliest date of redemption, then the Trustee shall transfer to the 2024 Prepayment Account the amount on deposit in the 2024 Reserve Account to pay and redeem all of the Outstanding Series 2024 Bonds on the earliest such date. Any amount in the 2024 Reserve Account, upon final maturity or redemption of all Outstanding Series 2024 Bonds, shall be used to pay principal of and interest on the Series 2024 Bonds.

“Reserve Account Release Conditions” shall mean the date on which (i) all lots subject to the Series 2024 Assessments have closed with third-party homebuilders; and (ii) no Event of Default has occurred and is continuing with respect to any outstanding Series 2024 Bonds.

Deposit and Application of the 2024 Pledged Revenues

Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the 2024 Revenue Account to the Funds and Accounts designated below, the following amounts on each May 1 and November 1 and in the following order of priority:

FIRST, to the 2024 Interest Account of the Debt Service Fund, an amount equal to the amount of interest payable on all Series 2024 Bonds then Outstanding on such May 1 or November 1, less any other amount already on deposit in the 2024 Interest Account not previously credited;

SECOND, beginning on May 1, 20____, and no later than the Business Day next preceding each May 1 thereafter while Series 2024 Bonds remain Outstanding, to the 2024 Sinking Fund Account, an amount equal to the Amortization Installment on the Series 2024 Bonds due on such May 1 or the principal maturing on the Series 2024 Bonds on such May 1;

THIRD, to the 2024 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the 2024 Reserve Account Requirement; and

FOURTH, the balance shall be retained in the 2024 Revenue Account.

It shall not constitute an Event of Default under the Indenture if the full amount of the foregoing deposits are not made due to an insufficiency of funds therefor; provided, however, that nothing in this paragraph is meant to change what are otherwise Events of Default as provided for in the Indenture.

Investment or Deposit of Funds

The Trustee shall, as directed by the District in writing, invest moneys on deposit in all of the Funds and Accounts held as security for the Series 2024 Bonds only in Investment Securities, as defined in the Master Indenture. Earnings on investments in the 2024 Acquisition and Construction Account including the subaccounts therein and the 2024 Costs of Issuance Account shall be retained as realized, in such Accounts and subaccounts and used for the purpose of such Accounts and subaccounts. Earnings on investments in the 2024 Revenue Account, 2024 Sinking Fund Account, the 2024 Interest Account and the 2024 Prepayment Account in the Bond Redemption Fund shall be deposited, as realized, to the credit of the 2024 Revenue Account and used for the purpose of such Account. Earnings on investments in the 2024 Reserve Account shall be disposed of as provided in the Indenture. See "APPENDIX B – PROPOSED FORMS OF INDENTURE" herein. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Indenture. All securities securing investments under the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the Indenture, any interest and other income so received shall be deposited as provided above. Upon written request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof, except as provided in the Indenture. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund.

Absent specific instructions as aforesaid, or absent a standing written direction from the District for the investment of such moneys, the Trustee shall hold such moneys uninvested and shall not be liable

or responsible for keeping the moneys invested. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the District or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may conclusively rely upon the District's written instructions as to both the suitability and legality of all investments directed hereunder or under any Supplemental Indenture. Ratings of investments shall be determined by the Issuer at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments after the initial purchase of such investments. The Trustee may make any investments permitted by the provisions of this section through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. Confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month.

Covenant to Levy the Series 2024 Assessments

The District has covenanted to levy the Series 2024 Assessments to the extent and in the amount sufficient to pay debt service on the Series 2024 Bonds when due. If any Series 2024 Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2024 Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2024 Assessment when it might have done so, the District shall either (i) take all necessary steps to cause new Series 2024 Assessments to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2024 Assessments from legally available moneys, which moneys shall be deposited into the 2024 Revenue Account. In case such second Series 2024 Assessment shall be annulled, the District shall obtain and make other Series 2024 Assessments until a valid Series 2024 Assessment shall be made.

Additional Obligations

The District will covenant in the Indenture that other than Bonds issued to refund all or a portion of the Outstanding Series 2024 Bonds, the issuance of which as determined by the District results in present value debt service savings, the District shall not issue or incur any debt payable in whole or in part from the 2024 Trust Estate, other than the Series 2024 Bonds.

So long as there are any Series 2024 Bonds Outstanding, the District will covenant in the Indenture not to issue any Bonds or other debt obligations (the "Additional Bonds"), secured by Special Assessments on land subject to Series 2024 Assessments until the Series 2024 Assessments have been Substantially Absorbed. "Substantially Absorbed" means the date when a principal amount of Series 2024 Assessments equaling at least seventy-five percent (75%) of the principal amount of the then Outstanding Series 2024 Bonds has been levied on tax parcels with respect to which a certificate of occupancy has been issued for a structure thereon. This provision can be modified or amended with the written consent of the Majority Owners.

The provision of the preceding paragraph shall not apply to any Bonds or other debt obligations secured by Special Assessments on properties other than Assessment Area One. Further, notwithstanding such restriction, the District may issue Bonds secured by Special Assessments on Assessment Area One for the health, safety, welfare or repairs for Assessment Area One.

Prior to the delivery of any such Additional Bonds or other debt obligations, the District will deliver a written certificate from the District Manager to the Trustee on which it may conclusively rely that all of the applicable conditions set forth above have been met.

Subject to the limitations on Additional Bonds described above, the District and/or public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2024 Assessments without the consent of the Owners of the Series 2024 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2024 Assessments, on the same lands upon which the Series 2024 Assessments are imposed, to fund the maintenance and operation of the District. See “THE DEVELOPMENT – Taxes, Fees and Assessments” and “BONDOWNERS’ RISKS – No. 8” herein for more information.

Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners

The following provisions of the Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Series 2024 Assessments (an “Insolvent Taxpayer”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”). For as long as any Series 2024 Bonds remain Outstanding, in any Proceeding involving the Issuer, any Insolvent Taxpayer, the Series 2024 Bonds or the Series 2024 Assessments, the Issuer shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Series 2024 Bonds or for as long as any Series 2024 Bonds remain Outstanding, in any proceeding involving the Issuer, any Insolvent Taxpayer, the Series 2024 Bonds or the Series 2024 Assessments or the Trustee. The Issuer agrees that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Indenture, the District acknowledges and agrees that, although the Series 2024 Bonds were issued by the Issuer, the Owners of the Series 2024 Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the Issuer hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2024 Assessments, the Series 2024 Bonds or any rights of the Trustee under the Indenture; (b) the Issuer hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2024 Assessments, the Series 2024 Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the Issuer, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the Issuer, including without limitation, motions seeking relief from the automatic stay, dismissal of the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the Issuer shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the Issuer in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the Issuer shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee’s enforcement of the Issuer claim and rights with respect to the Series 2024 Assessments or receipt of

adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the Issuer agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Series 2024 Assessments, (ii) to deliver to the Issuer a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. Notwithstanding the foregoing, the District shall have the right in its sole and absolute discretion to pursue and vote on all matters affecting operation and maintenance assessments regardless of any direct or indirect impact on the Series 2023 Bonds, Series 2023 Assessments, or Proceeding.

Events of Default and Remedies

Events of Default Defined. The Master Indenture provides that each of the following shall be an “Event of Default” under the Master Indenture, with respect to the Series 2024 Bonds:

(a) if payment of any installment of interest on the Series 2024 Bonds is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price on the Series 2024 Bonds is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its material obligations under the Indenture or under the Act; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other material covenant in the Indenture or the Series 2024 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Owners of the Series 2024 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Series 2023 Reserve Account is less than the Series 2023 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to pay debt service on the Series 2023 Bonds and such amount has not been restored within ninety (90) days of such withdrawal.

(g) if, at any time after eighteen months following the issuance of the Series 2023 Bonds, more than twenty percent (20%) of the “maintenance special assessments” levied by the District on the District Lands upon which the Special Assessments are levied to secure one or more Series of Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

In addition to the events above set forth in the Master Indenture, each of the following events shall be an Event of Default pursuant to the First Supplemental Indenture with respect to the Series 2024 Bonds:

(a) any portion of the Series 2024 Assessments pledged to the Series 2024 Bonds shall have become delinquent Series 2024 Assessments and, as the result thereof, the Indenture authorizes the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in 2024 Reserve Account to pay the Debt Service Requirements on the Series 2024 Bonds (regardless of whether the Trustee does or does not actually withdraw such funds from the 2024 Reserve Account to pay the Debt Service Requirements on the Series 2024 Bonds) (the foregoing being referred to as a “2024 Reserve Account Event”) unless within sixty (60) days from the 2024 Reserve Account Event the District has either (i) replenished the amounts, if any, withdrawn from the 2024 Reserve Account or (ii) the portion of the delinquent Series 2024 Assessments giving rise to the 2024 Reserve Account Event are paid and are no longer delinquent; and

(b) more than fifty percent (50%) of the operation and maintenance assessments that are directly billed by the District and levied by the District on tax parcels subject to the Series 2024 Assessments are not paid by the date such are due and payable and such default continues for sixty (60) days after the date when due. The District shall give written notice to the Trustee of the occurrence of the event set forth in this paragraph (b) not later than 10 days after the end of the sixty day period referred to in the preceding sentence. The Trustee shall not be deemed to have knowledge of the occurrence of such an Event of Default absent notice thereof from the District.

Legal Proceedings by Trustee. If any Event of Default with respect to the Series 2024 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Owners of Series 2024 Bonds and receipt of indemnity to its satisfaction shall, in its own name:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2024 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of the Series 2024 Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Series 2024 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2024 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2024 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2024 Bonds.

No Acceleration; Redemption. No Series 2024 Bonds shall be subject to acceleration unless the Series 2024 Assessments have been accelerated. Upon an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2024 Bonds pursuant to the Indenture shall occur unless either all of the Series 2024 Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of the Series 2024 Bonds agree to such redemption.

Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, then the District, the Trustee,

the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

Bondholders May Direct Proceedings. The Majority Owners of the Outstanding Series 2024 Bonds then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law and the provisions of the Indenture. The Trustee shall have no liability as a result of any actions taken upon any such direction of the Holders.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2024 Bonds is the Series 2024 Assessments imposed on the lands within Assessment Area One specially benefited by the land subject to the Series 2024 Assessments pursuant to the Assessment Proceedings. See “ASSESSMENT METHODOLOGY” herein and “APPENDIX E – ASSESSMENT METHODOLOGY.”

The imposition, levy, and collection of the Series 2024 Assessments must be done in compliance with the provisions of State law. Failure by the District, the Polk County Tax Collector (the “Tax Collector”) or the Polk County Property Appraiser (the “Property Appraiser”) to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2024 Assessments during any year. Such delays in the collection of Series 2024 Assessments, or complete inability to collect any of the Series 2024 Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on such Series 2024 Bonds. See “BONDOWNERS’ RISKS.” To the extent that landowners fail to pay the Series 2024 Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2024 Bonds. The Act provides for various methods of collection of delinquent Series 2024 Assessments by reference to other provisions of the Florida Statutes. See “BONDOWNERS’ RISKS” herein. The following is a description of certain statutory provisions of assessment payment and collection procedures appearing in the Florida Statutes but is qualified in its entirety by reference to such statutes.

For the Series 2024 Assessments to be valid, the Series 2024 Assessments must meet two requirements: (1) the benefit from the Assessment Area One Project to the lands subject to the Series 2024 Assessments must exceed or equal the amount of the Series 2024 Assessments, and (2) the Series 2024 Assessments must be fairly and reasonably allocated across all such benefitted properties. See “APPENDIX E – ASSESSMENT METHODOLOGY”. In the event that the Series 2024 Assessments are levied based on the assumptions that future contributions will be made, or that future assessments may be levied to secure future bond issuances, the Series 2024 Assessments may need to be reallocated in the event such contributions are not made and/or future assessments and bonds are not levied and issued.

Pursuant to the Act, and the Assessment Proceedings, the District may collect the Series 2024 Assessments through a variety of methods. See “BONDOWNERS’ RISKS.” For undeveloped properties owned by the Developer and subsequent landowners, the District will directly issue annual bills to landowners requiring payment of the Series 2024 Assessments, and will enforce that bill through foreclosure proceedings. See “ASSESSMENT METHODOLOGY” and “APPENDIX E – ASSESSMENT METHODOLOGY.” As lands are developed, the Series 2024 Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

THERE CAN BE NO ASSURANCE THAT ANY SALE OF LAND SUBJECT TO DELINQUENT ASSESSMENTS WILL PRODUCE PROCEEDS SUFFICIENT TO PAY THE FULL AMOUNT OF SUCH DELINQUENT ASSESSMENTS PLUS OTHER DELINQUENT TAXES AND ASSESSMENTS APPLICABLE THERETO.

Chapter 170, Florida Statutes, provides that the Series 2024 Assessments constitute a lien on the real property in the District co-equal with all State, City, County, district and municipal taxes, superior in dignity to all other liens, titles and claims on such real property, until paid, and that the Series 2024 Assessments may be collected as and when needed in an amount sufficient to pay the principal of and interest on the Series 2024 Bonds when due. ALTHOUGH THE LIEN AND THE PROCEEDS OF THE SERIES 2024 ASSESSMENTS WILL SECURE THE SERIES 2024 BONDS, AND SAID LIEN AND PROCEEDS OF THE SERIES 2024 ASSESSMENTS ARE PLEDGED TO THE SERIES 2024 BONDS, THE LIEN OF THE SERIES 2024 ASSESSMENTS MAY BE ON THE SAME PROPERTY AS, AND THEREFOR OVERLAP AND BE CO-EQUAL WITH, THE LIENS IN FAVOR OF OTHER ASSESSMENTS AND/OR TAXES WHICH HAVE BEEN OR MAY BE IMPOSED BY THE DISTRICT, THE CITY, THE COUNTY OR OTHER UNITS OF LOCAL GOVERNMENT HAVING ASSESSMENT POWERS WITHIN THE DISTRICT.

Collection and Enforcement of Assessments; Uniform Method Procedure

The First Supplemental Indenture provides that, when permitted by applicable law, the Series 2024 Assessments levied on platted lots and pledged to secure the Series 2024 Bonds shall be collected pursuant to the uniform method provided for in Sections 197.3632 and 197.3635, Florida Statutes, (the “Uniform Method”) unless the District determines that it is in its best interests to collect directly or the Uniform method is unavailable. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2024 Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2024 Assessments will be collected together with City, County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, “Taxes and Assessments”), all of which will appear on the tax bill (also referred to as a “tax notice”) issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Series 2024 Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2024 Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2024 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2024 Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the Debt Service requirements on the Series 2024 Bonds.

Under the Uniform Method, if the Series 2024 Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2024 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2024 Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2024 Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2024 Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2024 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2024 Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2024 Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is affected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven years after the date of issuance, if a tax deed has not been applied for, and no other administrative or legal proceeding, including a bankruptcy, has existed of record, the tax certificate is null and void. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are

held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2024 Assessments. For example, the demand for tax certificates is dependent upon various factors, which include

the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2024 Assessments, which are the primary source of payment of the Series 2024 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See “BONDOWNERS’ RISKS.”

Collection and Enforcement of Assessments; Direct Billing & Foreclosure Procedure

The First Supplemental Indenture provides that, when permitted by applicable law, Series 2024 Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method (discussed below), in each case unless the District determines that it is in its best interests not to do so. Prior to an Event of Default, the election to collect and enforce Series 2024 Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the District from electing to collect and enforce Series 2024 Assessments pursuant to any other method permitted by law in any subsequent year. Following an Event of Default, Series 2024 Assessments levied on platted lots shall be collected pursuant to the Uniform Method and Series 2024 Assessments levied on unplatted lots shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method in each case unless the Trustee, acting at the direction of the Majority Owners of the Series 2024 Bonds Outstanding, provides written direction to use a different method of collection. All Series 2024 Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Series 2024 Assessments shall not be deemed to be delinquent Series 2024 Assessments unless and until same are not paid by the applicable Interest Payment Date with respect to which they have been billed.

As noted above, and pursuant to Chapters 170 and 190, Florida Statutes, the District may directly levy, collect and enforce the Series 2024 Assessments. In this context, Section 170.10, Florida Statutes, provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2024 Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2024 Assessments and the ability to foreclose the lien of such Series 2024 Assessments upon the failure to pay such Series 2024 Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2024 Assessments. See “BONDOWNERS’ RISKS.”

Certain mortgage lenders have, in recent foreclosure initiated pursuant to Section 170.10, Florida Statutes, alleged in defense that a community development district foreclosing on land subject to an assessment lien must wait a minimum of one (1) year from the date that any assessment or installment

thereof, becomes delinquent. At least one (1) Circuit Court is known to have concluded that a community development district is authorized to foreclose pursuant to Chapter 170, Florida Statutes, and, therefore, is not required to wait a minimum of one (1) year; however, the District cannot guarantee the outcome of any legal proceeding in which a similar defense is pled.

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings in this Limited Offering Memorandum. Certain additional risks are associated with the Series 2024 Bonds offered hereby are set forth below. Prospective investors in the Series 2024 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2024 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. The information under this heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2024 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2024 Bonds

1. As of the date hereof, the Developer and the Landowner Affiliates are the owners of 100% of the 817+/- gross acres within Assessment Area One that are currently within the boundaries of the District, which lands will be subject to the Series 2024 Assessments securing the Series 2024 Bonds. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS” and “LITIGATION – The Developer” herein for more information.

2. Payment of the Series 2024 Assessments is primarily dependent upon their timely payment by the Developer, the Landowner Affiliates and the subsequent landowners in the District. See “THE DEVELOPER AND THE LANDOWNER AFFILIATES” herein. In the event of the institution of bankruptcy or similar proceedings with respect to the Developer, the Landowner Affiliates or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2024 Bonds as such bankruptcy could negatively impact the ability of: (i) the Developer, the Landowner Affiliates and any other landowner being able to pay the Series 2024 Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2024 Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2024 Assessments not being collected pursuant to the Uniform Method. The Uniform Method will not be used with respect to any assessable lands which are still owned by the Developer, the Landowner Affiliates or an entity affiliated with the Developer or Landowner Affiliates until such time as lots are platted or where the timing for using the Uniform Method will not yet allow for using such method. In addition, the remedies available to the Owners of the Series 2024 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2024 Bonds, including, without limitation, enforcement of the obligation to pay Series 2024 Assessments and the ability of the District to foreclose the lien of the Series 2024 Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds (including Bond Counsel’s approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2024 Bonds could have a material adverse impact on the interest of the Owners thereof.

3. The principal security for the payment of the principal and interest on the Series 2024 Bonds is the timely collection of the Series 2024 Assessments. The Series 2024 Assessments do not

constitute a personal indebtedness of the Developer, the Landowner Affiliates or any other owners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Developer or any other landowners will be able to pay the Series 2024 Assessments or that they will pay such Series 2024 Assessments even though financially able to do so. Beyond legal delays that could result from bankruptcy or other legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the Tax Collector to sell tax certificates in regard to delinquent Series 2024 Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two years. The assessment of the benefits to be received by the benefited land within Assessment Area One as a result of implementation and development of the Assessment Area One Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the Assessment Area One Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land or the ability of the District to realize sufficient value from a foreclosure action to pay debt service on the Series 2024 Bonds may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2024 Assessments, if any, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2024 Bonds.

4. The development of the Development is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although certain approvals required to date have been received, and further approvals are anticipated to be received as needed, failure to obtain any such approvals or to obtain them in a timely manner could delay, adversely affect, or prevent the completion of the Development of the District Lands as and when planned. See “THE DEVELOPMENT – Development Plan/Status” and “– Environmental” herein for more information. Moreover, the Developer and the Landowner Affiliates have the right to modify or change its plan for development of Assessment Area One, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

5. The successful sale of the residential units, once such units are built within the Development, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer and the Landowner Affiliates.

6. The value of the lands subject to the Series 2024 Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District lands unable to support the development and construction of the Development. The occurrence of any such events could materially adversely impact the District’s ability to pay principal and interest on the Series 2024 Bonds. The Series 2024 Bonds are not insured and the District’s casualty insurance policies do not insure against losses incurred on private lands within its boundaries

7. Neither the Developer, the Landowner Affiliates nor any other subsequent landowner in Assessment Area One has any obligation to pay the Series 2024 Assessments. As described herein, the Series 2024 Assessments are an imposition against the land only. Neither the Developer, the Landowner Affiliates nor any other subsequent landowner is a guarantor of payment of any Series 2024 Assessment

and the recourse for the failure of the Developer, the Landowner Affiliates or any other landowner, to pay the Series 2024 Assessments is limited to the collection proceedings against the land as described herein.

8. The willingness and/or ability of an owner of benefited land to pay the Series 2024 Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the City, the County or any other local special purpose or general purpose governmental entities. City, County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2024 Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District, could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2024 Assessments. In addition, lands within the District may also be subject to assessments by property and home owner associations.

9. The Series 2024 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2024 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2024 Bonds. The Series 2024 Bonds are being sold pursuant to exemptions from registration under applicable securities laws. No secondary market may develop and an owner may not be able to resell the Series 2024 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2024 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2024 Bonds, depending on the progress of development of the Development and the lands within Assessment Area One, existing real estate and financial market conditions and other factors.

10. In addition to legal delays that could result from bankruptcy or legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the District to enforce collection of delinquent Series 2024 Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2024 Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS” herein. If the District has difficulty in collecting the Series 2024 Assessments, the 2024 Reserve Account could be rapidly depleted and the ability of the District to pay debt service would be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the 2024 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the 2024 Reserve Account is accessed for such purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2024 Assessments in order to provide for the replenishment of the Series 2024 Reserve Account.

11. The value of the land within the District, the success of the development of the Assessment Area One Project and the Development and the likelihood of timely payment of principal and interest on the Series 2024 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within Assessment Area One and the likelihood of the timely payment of the Series 2024 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. Based on the environmental site assessments described in “THE DEVELOPMENT – Environmental,” neither the Developer nor the Landowner Affiliates is aware of any condition with respect to the Development which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the

environment. See “THE DEVELOPMENT – Environmental” for more information on the environmental site assessments. Nevertheless, it is possible that hazardous environmental conditions could exist within the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within Assessment Area One and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the Development.

12. If the District should commence a foreclosure action against a landowner for nonpayment of Series 2024 Assessments and if the Series 2024 Assessments are not being collected pursuant to the Uniform Method, such landowners, and any other lien holders, including mortgagees under recorded mortgage instruments, may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Series 2024 Bondholders to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code, there are limitations on the amounts of Series 2024 Bond proceeds that can be used for such purpose.

13. Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a Tax Certificate under the Uniform Method will be suspended. If the Series 2024 Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to the Series 2024 Assessment even though the landowner is not contesting the amount of Series 2024 Assessments. However, Section 194.014, Florida Statutes, requires taxpayers to pay all non-ad valorem taxes and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. In the event a taxpayer fails to pay their property taxes, the Value Adjustment Board is required to deny their petition by written decision by April 20 of such year.

14. The Internal Revenue Service (the “IRS”) routinely examines bonds issued by state and local governments, including bonds issued by community development districts. The IRS conducted a lengthy examination of certain issues of bonds (for purposes of this subsection, the “Audited Bonds”) issued by Village Center Community Development District (the “Village Center CDD”). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum (“TAM”) concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS’s conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with

respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a “proper issuer of tax-exempt bonds” and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department (“Treasury”) announced that it will withdraw the proposed regulations, stating that, “while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety.” On October 20, 2017 a notice of withdrawal was published in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.

It has been reported that the IRS has closed audits of other community development districts in Florida with no change to such districts’ bonds’ tax-exempt status, but has advised such districts that such districts must have public electors within five years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years and there are 250 qualified electors in the district. The District has not yet reached the minimum threshold of 250 qualified electors required under the Act to begin electing qualified electors to the Board and, accordingly, all of the current members of the Board are employees of, or affiliated with, the Developer or the Landowner Affiliates. The Developer will certify as to its expectations as to the timing of the transition of control of the Board to qualified electors pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that they elect. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2024 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2024 Bonds are advised that, if the IRS does audit the Series 2024 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2024 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2024 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds would adversely affect the availability of any secondary market for the Series 2024 Bonds. Should interest on the Series 2024 Bonds

become includable in gross income for federal income tax purposes, not only will Owners of Series 2024 Bonds be required to pay income taxes on the interest received on such Series 2024 Bonds and related penalties, but because the interest rate on such Series 2024 Bonds will not be adequate to compensate Owners of the Series 2024 Bonds for the income taxes due on such interest, the value of the Series 2024 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2024 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2024 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2024 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2024 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2024 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR THE SECURITIES ACT (AS HEREINAFTER DEFINED).

15. In addition to a possible determination by the IRS that the District is not a political subdivision for purposes of the Code, and regardless of the IRS determination, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of Series 2024 Bonds may not be able to rely on the exemption from registration under the Securities Act of 1933, as amended (the “Securities Act”), relating to securities issued by political subdivisions. In that event the Owners of the Series 2024 Bonds would need to ensure that subsequent transfers of the Series 2024 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

16. Various proposals are mentioned from time to time by members of the Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2024 Bonds, by eliminating or changing the tax-exempt status of interest on certain of such bonds. Whether any of such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2024 Bonds, cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2024 Bonds. See also “TAX MATTERS.”

17. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Assessment Area One Project, that the District will be able to raise through the issuance of bonds, or otherwise, the moneys necessary to complete the Assessment Area One Project. Further, pursuant to the First Supplemental Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by Series 2024 Assessments levied against the assessable lands within Assessment Area One to finance any capital project until the Series 2024 Assessments are Substantially Absorbed. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Obligations” for more information. The Developer will enter into the Completion Agreement with the District with respect to any unfinished portions of the Assessment Area One Project not funded with the proceeds of the Series 2024 Bonds, but there is no assurance that the Developer will have sufficient resources to complete the Assessment Area One Project. The Developer and the Landowner Affiliates will also execute and deliver to the District the Collateral Assignment, pursuant to which the Developer and the Landowner Affiliates will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer or the Landowner Affiliates, all of

the Development Rights. See “THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA ONE PROJECT” and “THE DEVELOPMENT” herein for more information.

18. The Builders (as defined herein), who have each agreed or are expected to agree to purchase from the Developer and the Landowner Affiliates a portion of Assessment Area One that will be developed into lots, have the right to terminate their respective Builder Contract (as defined herein) in the event that certain conditions are not met, including without limitation the satisfactory completion of an inspection period and completion of development of the Assessment Area One Project. If the Builder Contracts are (i) not finalized or (ii) if they are finalized but the Builders do not complete their purchase and residential units are not built and sold to homebuyers, the burden for payment of the Series 2024 Assessments with respect to any unsold portions of Assessment Area One will lie solely with the Developer, the Landowner Affiliates and/or any subsequent landowner(s) in Assessment Area One, if and to the extent applicable. See “THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA ONE PROJECT” and “THE DEVELOPMENT – Builder Contracts” herein for more information.

19. It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the “Executive Order”) directing the Office of Policy and Budget in the Executive Office of the Governor (“OPB”) to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any future legislation will or may have on the security for the Series 2024 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that “The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders.”

20. In the event a bank forecloses on property because of a default on the mortgage and then the bank itself fails, the Federal Deposit Insurance Corporation (the “FDIC”), as receiver will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2024 Assessments. In addition, the District would be required to obtain the consent of the FDIC prior to commencing a foreclosure action.

21. The District relies on a technological environment to conduct its operations. The District, its agents and other third-parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties’ digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2024 Bonds.

22. The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could

adversely impact the District, the Developer, the timely and successful completion of Assessment Area One and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also “BONDOWNERS’ RISKS – No. 5” and “–No. 17” herein.

23. In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2024 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2024 Assessments by the Developer or subsequent owners of the property within the Development. Any such redemptions of the Series 2024 Bonds would be at the principal amount of such Series 2024 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2024 Bonds may not realize their anticipated rate of return on the Series 2024 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2024 Bonds. See “DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions” and “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Prepayment of Series 2024 Assessments” herein for more information.

THE DISTRICT

General

The District is an independent local unit of special-purpose government of the State created in accordance with the provisions of the Act by Ordinance No. 2023-29 duly enacted by the City Commission of the City on October 3, 2023 and effective on October 13, 2023. The boundaries of the District include approximately 1,863.75+/- gross acres of land located entirely within the incorporated area of the City in the County. The District is being developed as a residential planned development in phases and is currently planned to contain approximately 3,043 residential units at build-out consisting of 2,743+/- single-family detached units and 300+/- townhome attached units. See “THE DEVELOPMENT” herein for more information.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the infrastructure for community development pursuant to its general law charter (Sections 190.006 through 190.041, Florida Statutes). The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District’s Board of Supervisors, as the governing body, the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any owner of Bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2024 Bonds.

Board of Supervisors

The governing body of the District is its Board of Supervisors (the “Board”), which is composed of five Supervisors (the “Supervisors”). The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners with the two Supervisors receiving the highest number of votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three of the five Supervisors are elected to the Board every two years in November. At such election the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. The District has not yet reached the minimum threshold of 250 qualified electors required under the Act to begin electing qualified electors to the Board and, accordingly, all of the current members of the Board are employees of, or affiliated with, the Developer. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State of Florida and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Noah Breakstone*	Chairperson	November 2027
Kevin Mays*	Vice-Chairperson	November 2027
Justin Onorato*	Assistant Secretary	November 2025
Kevin Kramer*	Assistant Secretary	November 2025
Michael Osborn*	Assistant Secretary	November 2025

* Employee of, or affiliated with, BTI.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the Board shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager shall have charge and supervision of the works of the District and shall be responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Wrathell, Hunt and Associates, LLC, Boca Raton, Florida, to serve as its district manager (the "District Manager"). The District Manager's office is located in 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Kutak Rock LLP, Tallahassee, Florida, as District Counsel; Greenberg Traurig, P.A., Miami, Florida, as Bond Counsel and Stantec Consulting Services, Inc. as District Engineer. The Board has also retained the District Manager to serve as Methodology Consultant.

No Prior Indebtedness

The District has not previously issued any bonds or other debt obligations.

THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA ONE PROJECT

Stantec Consulting Services, Inc. (the “District Engineer”) prepared a report entitled Master Plan of Improvements for the Peace Crossing Community Development District, dated October 10, 2023 (the “Master Engineer’s Report”), which sets forth certain public infrastructure improvements necessary for the development of approximately 3,043 residential units planned for the Development (the “Capital Improvement Plan”). The District Engineer, in the Engineer’s Report, estimates the total approximate cost of the Capital Improvement Plan to be \$108,085,000 for master infrastructure improvements and \$184,481,000 for Neighborhood Infrastructure (as defined herein).

Land development associated with the Development is expected to occur in phases, which are referred to as Neighborhoods A, B, C, D, E, and F. Multiple assessment areas will be created to facilitate the District’s development and financing plans. Assessment Area One is composed of Neighborhoods A, B, and C, consisting of 817+/- gross acres of land planned to contain approximately 1,225 single-family homes on lots of varying widths (“Assessment Area One”). The District Engineer prepared a report entitled Supplemental Engineer’s Report for Phase 1 Infrastructure Improvements for the Peace Crossing Community Development District, dated January 5, 2024 (the “Supplemental Engineer’s Report” and, together with the Master Engineer’s Report, the “Engineer’s Report”), which sets forth certain master infrastructure improvements necessary for the development of Assessment Area One (the “Assessment Area One Project”). The Developer will install such master infrastructure improvements and will sell permitted, undeveloped parcels to third-party homebuilders that will install the Neighborhood Infrastructure for Assessment Area One. The District Engineer estimates the total cost of the Assessment Area One Project to be \$30,610,656, as more particularly described below (the “Assessment Area One Project”).

<u>Description</u>	Assessment Area One Project
	<u>Estimated Costs</u>
Roadways, Drainage and Earthwork	\$ 18,901,699
Street/Entry Lighting	472,500
Water, Wastewater, Reclaim	2,641,294
Landscaping/Irrigation	957,600
Parks, Recreation, Security	3,326,400
Professional Fees, Design & Permitting	500,000
Entrance Features & Signs	2,305,800
Consultants/Contingencies/Other	<u>1,505,363</u>
Total	<u>\$ 30,610,656*</u>

* The probable costs estimated in the Engineer’s Report do not include anticipated carrying cost, interest reserves or other anticipated District expenditures that may be incurred.

Master infrastructure installation constituting the Assessment Area One Project is expected to commence in _____ 20__ and is expected to be completed by _____ 20__. To date, the Developer has spent approximately \$ _____ on [hard and] soft costs associated with the Development, a portion of which includes the Assessment Area One Project. The net proceeds from the Series 2024 Bonds are expected to be approximately \$20.08 million* and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the Assessment Area One Project. The Developer will enter into a Completion Agreement that will obligate the Developer to complete any portions of the Assessment Area One Project not funded with proceeds of the Series 2024 Bonds.

* Preliminary, subject to change.

It is anticipated that additional series of bonds will be issued in the future to finance future phases of the Development. Such additional series of bonds will be secured by lands which are separate and distinct from the lands securing the Series 2024 Bonds. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Obligations” herein for more information.

The District Engineer has indicated that it is reasonable to assume that all necessary regulatory approvals to construct the Assessment Area One Project that are set forth in the Engineer’s Report have been obtained or will be obtained in due course. In addition to the Engineer’s Report, please refer to “THE DEVELOPMENT – Zoning and Permitting” for a more detailed description of the entitlement and permitting status of the Development. See “APPENDIX A – ENGINEER’S REPORT” for more information regarding the above improvements.

THE DEVELOPMENT

General

The District Lands encompass approximately 1,863.75+/- gross acres of land located within the City of Lake Wales, Florida (the “City”) in Polk County, Florida (the “County”) and are being developed as an approximately 3,043+/- unit master planned residential community to be known as “[Via Terra]” and referred to herein as the “Development.” The general location of the Development is east of Lake Ashton, west of the U.S. Highway 27, and south of Thompsen Nursery Road. The Development is located approximately fifteen (15) minutes from LEGOLAND, sixty (60) minutes from Disney World Resorts and the Orlando International Airport, and sixty (60) minutes from Downtown Tampa. The Development is in close proximity to the regional headquarters of State Farm, a major employer in the region. The Development will serve as a bedroom community to the Orlando and Tampa markets. Nearby communities include Villamar, Lennar at Peace Creek, Seasons at Mabel Place, and Lennar at Leomas Landing. Set forth below is a map showing the location of the Development.

Land development associated with the Development is expected to occur in phases, which are currently labeled as Neighborhoods A, B, C, D, E, and F. Multiple assessment areas will be created to facilitate the District’s development and financing plans. Assessment Area One is composed of Neighborhoods A, B, and C, which are planned to contain approximately 1,225 single-family homes on lots of varying widths. The Series 2024 Bonds will finance a portion of the Assessment Area One Project.

The Series 2024 Bonds will be secured by the Series 2024 Assessments, which will initially be levied on the 817+/- gross acres of land which comprise Assessment Area One. As platting occurs, the Series 2024 Assessments will be assigned to the 1,136+/- residential lots planned for Assessment Area One on a first platted, first assigned basis, as set forth in the Assessment Methodology attached hereto. To the extent that any residential land which has not been platted is sold, the Series 2024 Assessments will be assigned to such parcel at the time of the sale based upon the development rights associated with such parcel that are transferred from seller to buyer. See “APPENDIX E – ASSESSMENT METHODOLOGY” attached hereto and “– Taxes, Fees & Assessments” herein for more information.

It is anticipated that additional series of bonds will be issued in the future to finance future phases of the Development. Such additional series of bonds will be secured by lands which are separate and distinct from the lands securing the Series 2024 Bonds. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Obligations” herein for more information.

Lake Wales Property Holdings, LLC, a Delaware limited liability company (the “Developer”), is the developer of the Development. The Developer and its affiliates Lake Wales II Property Holdings, LLC, a Delaware limited liability company (“Lake Wales II”), and Lake Wales III Property Holdings, LLC, a Delaware limited liability company (“Lake Wales III” and, together with Lake Wales II, the “Landowner Affiliates”), are the owners of the land within Assessment Area One. The Developer is installing the master infrastructure improvements; and the Developer and the Landowner Affiliates are selling permitted, undeveloped parcels to homebuilders, who will, in turn, install the Neighborhood Infrastructure associated with Assessment Area One. [As more particularly described below, the Developer and the Landowner Affiliates have entered into contracts with _____ (as hereinafter defined), _____ (as hereinafter defined) and _____ (as hereinafter defined) (collectively, the “Builders”) for the sale of ____ +/- lots, ____ +/- lots and ____ +/- lots, respectively, with master infrastructure installed in Assessment Area One][are negotiating contracts with (i) _____ for the sale of ____ lots with master infrastructure installed and (ii) _____ for the sale of ____ lots with master infrastructure installed] (collectively, the “Builder Contracts”). See “THE DEVELOPMENT — Builder Contracts” and “BONDOWNERS’ RISKS – No. 18” for more information on the Builders and the Builder Contracts.

At build-out, Assessment Area One is expected to contain 1,136+/- single-family units on lots of varying widths. Single-family units are expected to range in size from approximately _____ square feet to _____ square feet, and price points are expected to average approximately \$_____. [The target customers for units within Assessment Area One are first-time homeowners and move-up buyers.] See “THE DEVELOPMENT — Residential Product Offerings” herein for more information.

Assessment Area One Planned Unit Mix

Land Acquisition and Finance Plan

The Developer and the Landowner Affiliates acquired the 1,863.75+/- gross acres of land within the District in a series of transactions in December 2021 for approximately \$46 million in the aggregate.

The District Engineer estimates that the Assessment Area One Project, consisting of the master infrastructure development costs associated with Assessment Area One, will be approximately \$30,610,656. To date, the Developer has spent approximately \$_____ on [hard and] soft costs associated with the Development. The net proceeds from the Series 2024 Bonds are expected to be approximately \$20.08 million* and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the Assessment Area One Project. The Developer will enter into a Completion Agreement that will obligate the Developer to complete any portions of the Assessment Area One Project not funded with proceeds of the Series 2024 Bonds. Assessment Area One Project costs not funded by the proceeds of the Series 2023 Bonds will be funded by land sale proceeds and Developer equity. The Builders will be responsible for installing the Neighborhood Infrastructure associated with Assessment Area One. The cost to install such Neighborhood Infrastructure is anticipated to total approximately \$_____ per lot. See “BONDOWNERS’ RISKS – No. 17” herein.

Development Plan/Status

The Developer is installing the master infrastructure improvements for Assessment Area One. The Developer and the Landowner Affiliates intend to sell undeveloped parcels (“Neighborhoods”) to the Builders, who will install the Neighborhood Infrastructure and construct and market homes for sale to homebuyers. Master infrastructure development of Assessment Area One is expected to commence in _____ 20__ and is expected to be completed in by _____ 20__. The master infrastructure for Assessment Area One is expected to be completed in one phase.

The Builders will be responsible for installation of all parcel-specific infrastructure improvements for the respective parcels they purchase within Assessment Area One (the “Neighborhood Infrastructure”). Closing of parcel sales with the Builders are expected to commence in _____. Neighborhood Infrastructure installation is expected to commence by _____ and be completed by _____, at which point sales and vertical construction will commence.

The Developer anticipates that approximately ____ units will be sold and closed with end-users per annum within Assessment Area One, commencing in _____ 20__ until build out. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated. See “BONDHOLDERS’ RISKS – Nos. 5, 6, 11 and 22” herein.

Builder Contracts

The Developer and the Landowner Affiliates have entered into [or are negotiating] Builder Contracts to sell all lots planned within Assessment Area One. Assuming the Builders close on their respective Builder Contracts, it is expected that the Builders will acquire permitted, undeveloped parcels with master infrastructure serving their respective Neighborhoods. If each Neighborhood is sold to a Builder containing the anticipated number of lots and at the prices set forth in the Builder Contracts, and taking into account the estimated credit to the Builders for anticipated development costs, the total

consideration expected to be received by the Developer and the Landowner Affiliates from the sale to the Builders of all the lots planned for Assessment Area One is estimated to be approximately \$_____ million. The total expected finished lot value, based upon the front-foot price set forth in the Builder Contracts, is estimated to be approximately \$_____. [Please provide Builder Contracts, if any.]

The Developer and the Landowner Affiliates have entered into a Contract for Sale and Purchase of Peace Crossing Parcels dated _____ 20__, as amended (the “___ Contract”), with _____ (“___”). The ___ Contract provides for the bulk purchase of permitted, undeveloped land within Assessment Area One, planned for a total of ___+/- lots, consisting of single-family detached lots to be purchased in [two] equal size takedowns. [The first takedown is expected to occur on the earlier of the following dates (i) the date that is thirty (30) days following the later of the date upon which the Developer and the Landowner Affiliates have obtained the last of the permits and approvals for the first takedown and the date upon which the Developer and the Landowner Affiliates or the District has commenced construction of the Assessment Area One Project or (ii) _____ 20__.] [The second takedown is expected to occur on the earlier of either twelve (12) months after the first takedown or _____ 20__, conditioned, among other things, upon the completion of the Assessment Area One Project.] The ___ Contract provides for an average finished lot value, inclusive of escalators, of \$_____ per front foot (or \$_____ in the aggregate), less an estimated Neighborhood development credit of \$_____, resulting in an estimated undeveloped land purchase price of approximately \$_____. In connection with the ___ Contract, ___ has made an initial deposit of \$_____ and, assuming ___ waives its due diligence contingency and the due diligence contingency period is not extended, it is expected to make a second deposit of \$_____ on _____ 20__. In the event ___ is not able to satisfy its obligations under the ___ Contract once the due diligence contingency period has ended, the Developer’s and the Landowner Affiliates’ sole and exclusive remedy is retention of the deposits. In the event the Developer and the Landowner Affiliates are not able to satisfy the conditions in the ___ Contract, there is a risk that ___ will not close on the lots within the District.

Zoning and Permitting [Any material development obligations?][Copy of development agreement & potential reimbursement mention in Engineer's Report]

The land within the District, including, without limitation, the land therein subject to the Series 2024 Assessments, is zoned to allow for the contemplated residential uses described herein. The District Engineer has indicated that it is reasonable to assume that all necessary regulatory approvals to construct the Assessment Area One Project that are set forth in the Engineer's Report have been obtained or will be obtained in due course.

Environmental [To be updated]

A Phase I Environmental Site Assessment dated August 17, 2021 (the "Phase I ESA") and a Phase II Environmental Site Assessment dated February 14, 2023 (the "Phase II ESA") were prepared by ECS Florida, LLC ("ECS"), covering the land in the Development. The Phase I ESA revealed no recognized environmental conditions ("REC") in connection with the majority of the Development. However, since the Development is located in an area with ethylene dibromide ("EDB") groundwater contamination, groundwater testing was done, and ECS concluded that the concentration of EDB was below the lab detection limit and no REC existed. ECS further concluded that since a portion of the Development is located within a mapped EDB zone, a business environmental risk ("BER") was identified. ECS recommended if groundwater within 500 feet of the EDB zone is to be pumped and used, groundwater wells should be constructed or if the presence of EDB is confirmed, EDB can be removed using an activated carbon filter or a local municipal water supply.

The Phase II ESA identified a BER and REC in the remaining portion of the Development related to past agricultural land use and the irrigation pump houses due to the likelihood of the presence of hazardous substances and/or petroleum products in soil and groundwater, respectively. Remedial work remains ongoing in such portions of the Development. [What portion of this affects Assessment Area One, if any? Is regulatory approval necessary once remediation is complete?]

The Developer estimates that the total cost of remediation will be approximately \$_____. As of the date hereof, the Developer has spent approximately \$_____ on remediation, which is expected to be completed by _____ 20___. The remaining remediation to be completed within the Development is not expected to have an adverse effect on construction or sales of residential units within the Development. See "BONDOWNERS' RISK - No. 11" herein for more information regarding potential environmental risks.

Amenities

The Development is planned to contain a community site with an approximately _____ square foot clubhouse (_____ square feet under air conditioning), [a resort-style swimming pool, fitness center, tot lot, various recreation fields, dog park and volleyball court] [please edit/update as necessary] (collectively, the “Amenity”). Construction of the Amenity is expected to commence in _____ 20__ and is expected to be completed by _____ 20__ at a total approximate cost of \$____ million. [Will there be any master amenities for the whole Development?]

[Additionally, each Builder plans to construct its own private amenity in its Neighborhood that will be owned, operated and maintained by the respective homeowners’ association.][Confirm]

Utilities

Potable water, wastewater treatment and reclaimed wastewater (reuse services) for the Development are expected to be provided by [the City of Lake Wales Utility Department]. Electric power is expected to be provided by _____. All utility services will be available to the Development.

[Remainder of page intentionally left blank.]

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the Series 2024 Assessments are initially levied on the approximately 817+/- gross acres constituting Assessment Area One until such time as the lots are platted. As platting occurs, the Series 2024 Assessments will be assigned to the 1,136+/- residential lots planned for Assessment Area One on a first platted, first assigned basis, as set forth in the Assessment Methodology attached hereto. To the extent that any residential land which has not been platted is sold, the Series 2024 Assessments will be assigned to such parcel at the time of the sale based upon the development rights associated with such parcel that are transferred from seller to buyer. Assuming that all of the residential units are developed and platted, the following tables summarize the allocation of the Series 2024 Assessments on a per unit basis. See “APPENDIX E – ASSESSMENT METHODOLOGY” herein.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2024 Assessments</u> <u>Per Unit</u> ^{*/**}	<u>Series 2024 Bonds Par</u> <u>Debt Per Unit</u> [*]
Single-Family 40’	336	[\$1,200.00]	\$16,967.75
Single-Family 50’	531	[1,500.00]	21,209.69
Single-Family 60’	<u>269</u>	<u>[1,800.00]</u>	<u>25,451.63</u>
Total	1,136		

*Preliminary, subject to change.

**This amount will be grossed up to include early payment discounts and County collection fees, currently 6%.

The District anticipates levying assessments to cover its operation and maintenance costs that will range from approximately \$[42.83] per residential unit annually, which amounts are subject to change. In addition, residents will be required to pay homeowners’ association fees which are currently estimated to be \$_____ per year per residential unit, which amount is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2023 was approximately 19.4189 mills, which millage rate is subject to change in any tax years after 2023. These taxes would be payable in addition to the Series 2024 Assessments and any other assessments levied by the District, which amount is subject to change. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School District of Polk County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

Education

Students in elementary school are expected to attend South Pointe Elementary School, which recently opened for the 2023-2024 school year. Students in middle school are expected to attend McLaughlin Academy of Excellence, which was rated “C” by the Florida Department of Education for 2023. Students in high school are expected to attend McLaughlin Academy of Excellence Grades 9 & 10 or Lake Region High School, which were rated “C” or “D”, respectively, by the Florida Department of Education for 2023.

Competition

The following communities have been identified by the Developer as being competitive with the Development, because of their proximity to the Development, price ranges and product types. Those communities include [Villamar], [Lennar at Peace Creek], [Lennar at Leomas Landing], _____ and _____.

The information under this heading does not purport to list all of the existing or planned communities in the area of the Development, but rather provides a list of those that the Developer feels currently pose primary competition to the Development.

None of the entities listed herein, other than the Developer and the Landowner Affiliates, have entered into any agreements in connection with the issuance of the Series 2024 Bonds.

ASSESSMENT METHODOLOGY

The Master Special Assessment Methodology Report dated October 13, 2023, as may be further supplemented from time to time (the “Master Methodology”), and as supplemented by a Supplemental Special Assessment Methodology Report to be adopted by the Board prior to closing on the Series 2024 Bonds (the “Supplemental Methodology” and, together with the Master Methodology, “Assessment Methodology”) describes the methodology for allocation of the Series 2024 Assessments to the assessable lands within Assessment Area One benefiting from the Assessment Area One Project, has been prepared by Wrathell, Hunt and Associates, LLC, Boca Raton, Florida (the “Methodology Consultant”). See “EXPERTS” herein for more information. The Assessment Methodology is included herein as APPENDIX E.

As required by applicable law, when the Board determined to defray the cost of the Capital Improvement Plan through Special Assessments, it adopted a resolution generally describing the Capital Improvement Plan and the land to be subject to Special Assessments to pay the cost thereof. The District caused the Assessment Methodology and an assessment roll to be prepared, which showed the land to be assessed, the amount of the benefit to and the assessment against each lot or parcel of land and the number of annual installments in which the assessment was to be divided. Statutory notice was given to the owners of the property to be assessed and the Board conducted a public hearing to hear testimony from affected property owners as to the propriety and advisability of undertaking the Capital Improvement Plan and funding the same with Special Assessments. Following this hearing, the Board determined to proceed to levy Special Assessments and thereafter Special Assessments became legal, valid and binding liens upon the property against which the assessments were made.

Once levied and imposed, the Special Assessments, including the Series 2024 Assessments, are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other non-federal units of government. In accordance with the assessment proceedings, the District has prepared a Supplemental Methodology which applies the Master Methodology to the Series 2024 Assessments necessary to secure the Series 2024 Bonds. That Supplemental Methodology will be adopted in final form after the Series 2024 Bonds are sold. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

To ensure that each residential lot in Assessment Area One is assessed no more than its pro-rata amount of special assessments, the Assessment Methodology sets forth a “true-up mechanism” which provides that the debt per equivalent residential unit (“ERU”) remaining on the unplatted land is never allowed to increase above its maximum debt per ERU level. If the debt per ERU remaining on unplatted land increases above the maximum debt per ERU level, a debt reduction payment would be made by the Developer so that the maximum debt per ERU level is not breached. This debt reduction payment would result in the extraordinary mandatory redemption of a portion of the Series 2024 Bonds. The Developer is expected to enter into a True-Up Agreement in connection with its obligations to pay true-up payments in the event that the debt per ERU remaining on unplatted land increases above the maximum debt per ERU level. See “SECURITY FOR AND SOURCE OF PAYMENT OF SERIES 2024 BONDS – True-Up Agreement” and “APPENDIX E – ASSESSMENT METHODOLOGY” herein for additional information regarding the “true-up mechanism”.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the “Code”), includes requirements which the District must continue to meet after the issuance of the Series 2024 Bonds in order that the interest on the Series 2024 Bonds be and remain excludable from gross income for federal income tax purposes. The District’s failure to meet these requirements may cause the interest on the Series 2024 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2024 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2024 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings and court decisions, the interest on the Series 2024 Bonds is excludable from gross income of the holders thereof for federal income tax purposes. Interest on the Series 2024 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2024 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2024 Bonds and the income thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors as to the status of interest on the Series 2024 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2024 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Master Developer, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2024 Bonds will be and will remain obligations, the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2024 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2024 Bonds, or the ownership or disposition of the Series 2024 Bonds. Prospective purchasers of Series 2024 Bonds should be aware that the ownership of Series 2024 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2024 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2024 Bonds, (iii) the inclusion of the interest on the Series 2024 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2024 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2024 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2024 Bonds generally must be taken into account when

computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2024 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2024 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and are not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2024 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (i.e., for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2024 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond.

Certain of the Series 2024 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2024 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2024 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2024 Bonds, under certain circumstances, to “backup withholding” at the rates set forth in the Code, with respect to payments on the Series 2024 Bonds and proceeds from the sale of Series 2024 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2024 Bonds. This withholding generally applies if the owner of Series 2024 Bonds (i) fails to furnish the payor such owner’s social security number or other taxpayer identification number (“TIN”), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other “reportable payments” as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner’s securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2024 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2024 Bonds, adversely affect the market price or marketability of the Series 2024 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

PROSPECTIVE PURCHASERS OF THE SERIES 2024 BONDS ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS PRIOR TO ANY PURCHASE OF THE SERIES 2024 BONDS AS TO THE IMPACT OF THE CODE UPON THEIR ACQUISITION, HOLDING OR DISPOSITION OF THE SERIES 2024 BONDS.

AGREEMENT BY THE STATE

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2024 Bonds, that it will not limit or alter the rights of the issuer of such bonds, including the District, to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects, including the Assessment Area One Project, subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides the Series 2024 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities that may be deposited by banks or trust companies as security for deposits of state,

county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2024 Bonds may initially be sold by the District only to “Accredited Investors” within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. The limitation of the initial offering to “Accredited Investors” does not denote restrictions of transfer in any secondary market for the Series 2024 Bonds. Investment in the Series 2024 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

The Series 2024 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof, provided, however, if any initial beneficial owner of Series 2024 Bonds does not purchase at least \$100,000 of the Series 2024 Bonds at the time of initial delivery of the Series 2024 Bonds, such beneficial owner must execute and deliver to the District and the Underwriter on the date of delivery of the Series 2024 Bonds the investor letter in the form attached to the Indenture or otherwise establish to the satisfaction of the Underwriter that such beneficial owner is an “accredited investor,” as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Series 2024 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2024 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

FINANCIAL STATEMENTS

Since its creation, the limited expenses of the District have been funded entirely by voluntary contributions from the Developer, the Landowner Affiliates and any prior primary landowners. Therefore, as of the date of this Limited Offering Memorandum, the financial statements of the District would not contain any information material to an investment decision with respect to the Series 2024 Bonds.

Under State law, while the District is required to prepare annual financial statements for each fiscal year within nine months after the end of the fiscal year, no audit of such records by an independent certified public accountant is required unless the District (i) has revenues, or the total of expenditures and expenses, in excess of \$100,000 for such fiscal year, or (ii) has revenues, or the total of expenditures and expenses, of between \$50,000 and \$100,000 and has not been subject to a financial audit for the two preceding fiscal years.

The District will covenant in the Disclosure Agreement (as defined below), the form of which is set forth in APPENDIX D hereto to provide its annual audit to the Municipal Securities Rulemaking Board’s (“MSRB”) Electronic Municipal Markets Access repository (“EMMA”) as described in APPENDIX D.

Beginning October 1, 2015, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S. Under such statute, each district must post its proposed budget and final budget and a link to the auditor general's website (and the district's audit) on a district website or the website of the municipal or county government. The District currently has a website in place.

LITIGATION

The District. There is no litigation against the District of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2024 Bonds, or in any way contesting or affecting (i) the validity of the Series 2024 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2024 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Developer and the Landowner Affiliates. The Developer and the Landowner Affiliates have represented to the District that there is no litigation of any nature now pending or, to the knowledge of the Developer or the Landowner Affiliates, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Developer and the Landowner Affiliates to complete the development of Assessment Area One as described herein, materially and adversely affect the ability of the Developer or the Landowner Affiliates to pay the Series 2024 Assessments imposed against the land within the District owned by the Developer or the Landowner Affiliates or materially and adversely affect the ability of the Developer or the Landowner Affiliates to perform their respective obligations described in this Limited Offering Memorandum.

NO RATING

No application for a rating of the Series 2024 Bonds has been made to any rating agency, nor is there any reason to believe that the District would have been successful in obtaining an investment grade rating for the Series 2024 Bonds had an application been made.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Rule 69W-400.003, Rules of Government Securities under Section 517.051(1), Florida Statutes, promulgated by the Florida Department of Financial Services, Office of Financial Regulation, Division of Securities and Finance ("Rule 69W-400.003"), requires the District to disclose each and every default as to the payment of principal and interest with respect to obligations issued or guaranteed by the District after December 31, 1975. Rule 69W-400.003 further provides, however, that if the District, in good faith, believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The District has not previously issued any bonds or other debt obligations. Accordingly, the District is not and has never been in default as to principal or interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District, the Developer and the Landowner Affiliates will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in APPENDIX D, for the benefit of the Series 2024 Bondholders (including owners of beneficial interests in such Series 2024 Bonds), to provide certain financial information and operating data relating to the District and Assessment Area One by certain dates prescribed in the Disclosure Agreement (the "Reports") through EMMA. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX D –

PROPOSED FORM OF DISCLOSURE AGREEMENT.” Under certain circumstances, the failure of the District, the Developer and the Landowner Affiliates to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2024 Bondholders (including owners of beneficial interests in such Series 2024 Bonds), as applicable, to bring an action for specific performance.

The District has not previously issued bonds or any other debt obligations, and, therefore, has not previously entered into any continuing disclosure agreements in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the “Rule”). The District has appointed the District Manager to serve as the Dissemination Agent for the Series 2024 Bonds.

Also, pursuant to the Disclosure Agreement, the Developer and the Landowner Affiliates will covenant to provide certain financial information and operating data relating to the Development, the Developer and the Landowner Affiliates, as applicable, on a quarterly basis. See “APPENDIX D: PROPOSED FORM OF DISCLOSURE AGREEMENT.” The Developer and the Landowner Affiliates have not previously entered into any continuing disclosure undertakings pursuant to the Rule.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment and/or waiver in the next Annual Report and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change in accounting principles, or the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements: (i) notice of such change shall be given in the same manner as for a Listed Event under Section 6(b); and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

11. **Additional Information.** Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

A default under this Disclosure Agreement by any Obligated Person other than the Issuer shall not be deemed a default by the Issuer hereunder and a default by the Issuer hereunder shall not be deemed a default by any other Obligated Person. Further, no default hereunder shall be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure

Agreement in the event of any failure of the Issuer, the Disclosure Representative, any Obligated Person, or a Dissemination Agent, to comply with this Disclosure Agreement shall be an action to compel performance.

13. **Duties of Dissemination Agent.** The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement. The Dissemination Agent shall have no obligation to notify any other party hereto of an event that may constitute a Listed Event. 17. **Counterparts.** This Disclosure Agreement may be executed in several counterparts and by PDF signature and all of which shall constitute but one and the same instrument. A scanned copy of signatures delivered in PDF format may be relied upon as if the original had been delivered.

18. **Trustee Cooperation.** The Issuer represents that the Dissemination Agent is a bona fide agent of the Issuer and the Issuer instructs the Trustee to deliver to the Dissemination Agent at the expense of the Issuer, any information or reports in the possession of or readily available to the Trustee which the Dissemination Agent requests in writing.

RECITALS

WHEREAS, the District was established by Ordinance No. 2023-29 enacted by the City Commission of the City of Lake Wales, Florida, pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (**“Act”**), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purpose, among others, of planning, financing, constructing, reconstructing, operating, and/or maintaining certain infrastructure, including stormwater management facilities, roadways, water and wastewater facilities, off-site improvements, hardscape, landscape and irrigation systems, and other infrastructure projects within or without the boundaries of the District; and

WHEREAS, the Developer owns certain lands in unincorporated Polk County, Florida, located within the boundaries of the District; and

WHEREAS, the District presently intends to finance the planning, design, construction, reconstruction, and installation of certain infrastructure improvements, facilities, and services including roadways, drainage/earthwork, street lighting and entry lighting, utilities, landscape, irrigation, recreation, security, entrance features and signage, and associated infrastructure at an estimated cost of \$30,610,656 (the **“Improvements”**) as detailed in the *Supplemental Engineer’s Report for the Series 2024 Project* dated January 5, 2024 (the **“Engineer’s Report”**, and the project described therein, the **“Series 2024 Project”**); and

WHEREAS, the District intends to finance a portion of the Series 2024 Project through the use of proceeds from the anticipated sale of one or more series of Peace Crossing Community Development District Special Assessment Revenue Bonds (“**Bonds**”); and

WHEREAS, the District has not had sufficient monies on hand to allow the District to contract directly for: (i) the preparation of the surveys, testing, reports, drawings, plans, permits, specifications, and related documents necessary to complete the Project (“**Work Product**”); or (ii) construction, reconstruction, and/or installation of all of the Improvements; and

WHEREAS, the District acknowledges the Developer’s need to have the Improvements constructed in an expeditious and timely manner in order to develop the development; and

WHEREAS, in order to avoid a delay in the commencement of the development of the Work Product and/or the Improvements, the Developer has previously funded certain of the Work Product and/or Improvements; and

WHEREAS, the Developer and the District are entering into this Agreement to set forth the process by which the District may acquire the Work Product, the Improvements, and any related real property interests (“**Real Property**”) from Developer.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt of which and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated as a material part of this Agreement.

2. WORK PRODUCT AND IMPROVEMENTS. The Parties agree to cooperate and use good faith and commercially reasonable efforts to undertake and complete the acquisition process contemplated by this Agreement on such date or dates as the Parties may jointly agree upon (“**Acquisition Date**”). Subject to any applicable legal requirements (e.g., including, but not limited to, those laws governing the use of proceeds from tax exempt bonds), and the requirements of this Agreement, the District agrees to acquire completed Work Product and Improvements that are part of the Project.

- a. ***Request for Conveyance and Supporting Documentation*** – When Work Product or Improvements are ready for conveyance by or on behalf of the Developer to the District, the Developer shall notify the District in writing, describing the nature of the Work Product and/or Improvement and estimated cost. Additionally, Developer agrees to provide, at or prior to the Acquisition Date, the following: (i) documentation of actual costs paid, or if not available, evidence of value, (ii) instruments of conveyance such as bills of sale or such other instruments as may be requested by the District, and (iii) any other releases, warranties, indemnifications or documentation as may be reasonably requested by the District.

- b. **Costs** – Subject to any applicable legal requirements (e.g., including, but not limited to, those laws governing the use of proceeds from tax exempt bonds), the availability of proceeds from the Bonds, and the requirements of this Agreement, the District shall pay the lesser of (i) the actual cost creation/construction of the Work Product or Improvements, and (ii) the fair market value of the Work Product or Improvements. The Developer shall provide copies of any and all invoices, bills, receipts, or other evidence of costs incurred for any Work Product and/or Improvements. The District Engineer shall review all evidence of cost and shall certify to the District Board whether the cost being paid is the lesser of (i) the actual cost of creation/construction of the Work Product or Improvements, and (ii) the fair market value of the Work Product or Improvements. The District Engineer’s opinion as to cost shall be set forth in an Engineer’s Certificate which shall accompany the requisition for the funds from the District’s Trustee for the Bonds (“**Trustee**”).
- c. **Conveyances on “As Is” Basis** – Unless otherwise agreed, all conveyances of Work Product and/or Improvements shall be on an “as is” basis without any representations or warranties from the Developer. In addition, the Developer agrees to assign, transfer, and convey to the District any and all rights against any and all firms or entities which may have caused any latent or patent defects, including, but not limited to, any and all warranties and other forms of indemnification.
- d. **Right to Rely on Work Product and Releases** – The Developer agrees to release to the District all right, title, and interest which each may have in and to any Work Product conveyed hereunder, as well as all common law, statutory, and other reserved rights, including all copyrights in the Work Product and extensions and renewals thereof under United States law and throughout the world, and all publication rights and all subsidiary rights and other rights in and to the Work Product in all forms, mediums, and media, now known or hereinafter devised. To the extent determined necessary by the District, the Developer shall use commercially reasonable efforts to obtain all releases from any professional providing services in connection with the Work Product to enable the District to use and rely upon the Work Product. The District agrees to allow the Developer access to and use of the Work Product without the payment of any fee. However, to the extent the Developer’s access to and use of the Work Product causes the District to incur any reasonable administrative cost or expense, such as copying costs, the Developer agrees to pay such cost or expense. Notwithstanding the foregoing, the Developer shall maintain ownership of the copyrights and trademarks associated with marketing and advertising any development within the District but shall grant the District a license to use those copyrights or trademarks for the Improvements.
- e. **Transfers to Third-Party Governments** – If any item acquired is to be conveyed to a third-party governmental body, then the Developer agrees to cooperate and

provide such certifications, documents, bonds, warranties, and/or forms of security as may be required by that governmental body, if any.

- f. **Permits** – The Developer agrees to cooperate fully in the transfer of any permits to the District or a governmental entity with maintenance obligations for any Improvements conveyed pursuant to this Agreement, provided that the District or such governmental entity accepts the associated operation and maintenance obligations.
- g. **Engineer's Certification** – The District shall accept any completed Work Product and/or Improvements where the District Engineer (or other consulting engineer reasonably acceptable to the District), in his/her professional opinion, is able to certify that, in addition to any other requirements of law: (i) the Work Product and/or Improvements are part of the Project; (ii) the price for such Work Product and/or Improvements does not exceed the lesser of the cost of the Work Product and/or Improvements or the fair market value of the Work Product and/or Improvements; (iii) as to Work Product, the Work Product is capable of being used for the purposes intended by the District, and, as to any Improvements, the Improvements were installed in accordance with their specifications, and are capable of performing the functions for which they were intended; and (iv) as to any Improvements, all known plans, permits, and specifications necessary for the operation and maintenance of the Improvements are complete and on file with the District, and have been transferred, or are capable of being transferred, to the District for operations and maintenance responsibilities.

3. CONVEYANCE OF REAL PROPERTY. The Developer agrees that it will convey to the District at or prior to the Acquisition Date as determined solely by the District, by a special warranty deed or other instrument acceptable to the District's Board of Supervisors, together with a metes and bounds or other description, the Real Property upon which any Improvements are constructed or which are necessary for the operation and maintenance of, and access to, the Improvements.

- a. **Cost.** The Parties agree that all Real Property shall be provided to the District at no cost. The Parties agree that the dedication of Real Property shall not negate the District's obligation to pay amounts attributable to the value of Improvements on the Real Property and other Improvements serving the Real Property that have been, or will be, funded by the District.
- b. **Fee Title and Other Interests** – The District may determine in its reasonable discretion that fee title for Real Property is not necessary and in such cases shall accept such other interest in the lands upon which the Improvements are constructed as the District deems acceptable, such as non-exclusive easement interests.

- c. **Reservation** – Any conveyance of Real Property hereunder by special warranty deed or other instrument shall be subject to a reservation by Developer of its right and privilege to use the area conveyed to enable the construction by third parties of any Improvements and any future improvements to such area for any related purposes (including, but not limited to, construction vehicle ingress and egress relating to the Development) not inconsistent with the District's use, occupation, or enjoyment thereof.
- d. **Fees, Taxes, Certificate of Ownership and Encumbrances** – The Developer shall pay the cost for recording fees and documentary stamps required, if any, for the conveyance of the Real Property upon which the Improvements are constructed. The Developer shall be responsible for all taxes and assessments levied on the Real Property upon which the Improvements are constructed until such time as they convey all said lands to the District. At the time of conveyance, the Developer shall provide, at its expense, an industry standard certificate of ownership and encumbrances or other evidence of title in a form satisfactory to the District.
- e. **Boundary Adjustments** – The Parties agree that future boundary adjustments may be made as deemed reasonably necessary by the Parties in order to accurately describe Real Property conveyed to the District and lands which remain in Developer's ownership. The Parties agree that any Real Property transfers made to accommodate such adjustments shall be accomplished by donation. However, the party requesting such adjustment shall pay any transaction costs resulting from the adjustment, including but not limited to taxes, title insurance if requested by the other party, recording fees, or other costs. Developer agrees that if a court or other governmental entity determines that a re-platting of the Real Property within the District is necessary, Developer shall pay or cause a third party to pay all costs and expenses associated with such actions.

4. TAXES, ASSESSMENTS, AND COSTS.

- a. **Taxes and Assessments on Property Being Acquired.** The District is an exempt governmental unit acquiring property pursuant to this Agreement for use exclusively for public purposes. Accordingly, in accordance with Florida law, the Developer agrees to place in escrow with the Polk County tax collector an amount equal to the current ad valorem taxes and non-ad valorem assessments (with the exception of those ad valorem taxes and non-ad valorem assessments levied by the District) prorated to the date of transfer of title, based upon the expected assessment and millage rates giving effect to the greatest discount available for early payment.
 - i. If and only to the extent the property acquired by the District is subject to ad valorem taxes or non-ad valorem assessments, the Developer agrees to reimburse the District for payment, or pay on its behalf, any

and all ad valorem taxes and non-ad valorem assessments imposed during the calendar year in which each parcel of property is conveyed.

- ii. Nothing in this Agreement shall prevent the District from asserting any rights to challenge any taxes or assessments imposed, if any, on any property of the District.

b. **Notice.** The Parties agree to provide notice to the others within thirty (30) calendar days of receipt of any notice of potential or actual taxes, assessments, or costs, as a result of any transaction pursuant to this Agreement, or notice of any other taxes, assessments, or costs imposed on the property acquired by the District as described in subsection a. above. The Developer covenants to make any payments due hereunder in a timely manner in accordance with Florida law. In the event that the Developer fails to make timely payment of any such taxes, assessments, or costs, the Developer acknowledges the District's right to make such payment. If the District makes such payment, the Developer agrees to reimburse the District within thirty (30) calendar days of receiving notice of such payment, and to include in such reimbursement any fees, costs, penalties, or other expenses which accrued to the District as a result of making such a payment, including interest at the maximum rate allowed by law from the date of the payment made by the District.

c. **Tax liability not created.** Nothing herein is intended to create or shall create any new or additional tax liability on behalf of the Parties. Furthermore, the Parties reserve all respective rights to challenge, pay under protest, contest or litigate the imposition of any tax, assessment, or cost in good faith they believe is unlawfully or inequitably imposed and agree to cooperate in good faith in the challenge of any such imposition.

5. **ACQUISITION IN ADVANCE OF RECEIPT OF PROCEEDS.** The District agrees to pursue the issuance of the Bonds in good faith and may in the future, and in its sole discretion, elect to issue additional bonds ("**Future Bonds**") that may be used to finance portions of work acquired hereunder that are not financed with the Bonds. In the event that the District issues the Bonds (or any Future Bonds) and has bond proceeds available to pay for any portion of the Series 2024 Project acquired by the District, and subject to the terms of the applicable documents relating to the Bonds (or any Future Bonds, as applicable), then the District shall promptly make payment for any such acquired Work Product, Improvements or Real Property pursuant to the terms of this Agreement; provided, however, that in the event the District's bond counsel determines that any such acquisitions are not properly compensable for any reason, including, but not limited to federal tax restrictions imposed on tax-exempt financing, the District shall not be obligated to make payment for such acquisitions.

6. **DEFAULT.** A default by any party to this Agreement shall entitle the others to all remedies available at law or in equity, which may include, but not be limited to, the right of actual damages, injunctive relief and/or specific performance, but shall exclude, in any event, consequential, incidental, special or punitive damages. Each of the Parties hereto shall give the other party written notice of any defaults hereunder and shall allow the defaulting party not less

than fifteen (15) days from the date of receipt of such notice to cure monetary defaults and thirty (30) days to cure other defaults; provided, however, if any non-monetary default cannot reasonably cured within thirty (30) days, then such cure period shall be extended so long as the performing party has commenced to cure within thirty (30) days and diligently proceeds to complete such cure.

7. ATTORNEYS' FEES AND COSTS. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the substantially prevailing party shall be entitled to recover from the other all costs incurred, including reasonable attorneys' fees, paralegal fees, and expert witness fees and costs for trial, alternative dispute resolution, or appellate proceedings.

8. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by all Parties. Additionally, this Agreement may not be amended in any manner that would materially affect the payment of debt service on the Bonds or the collection of the assessments securing the repayment of such Bonds without the prior written consent of the Trustee acting at the direction of the bondholders owning a majority of the aggregate principal amount of the Bonds then outstanding, which consent shall not be unreasonably withheld.

9. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of each of the Parties; each party has complied with all the requirements of law; and each party has full power and authority to comply with the terms and provisions of this Agreement.

11. ARM'S LENGTH TRANSACTION. This Agreement has been negotiated fully between the Parties as an arm's length transaction. The Parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, both Parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against any party.

12. THIRD-PARTY BENEFICIARIES. This Agreement is solely for the benefit of the Parties and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the Parties any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the Parties and their respective representatives, successors, and assigns. Notwithstanding anything in this Agreement to the contrary, the Trustee for the Bonds shall be a direct third-party beneficiary of the terms and conditions of this Agreement and, acting at the direction of and on behalf of the bondholders owning a majority of the aggregate principal amount of the Bonds outstanding, shall be entitled to cause the District to enforce the Developer's obligations hereunder. The Trustee shall not be deemed to have assumed any obligations under this Agreement.

13. ASSIGNMENT. Neither the District nor the Developer may assign this Agreement or any monies to become due hereunder without the prior written approval of the other

Such consent shall not be required in the event of a sale of the majority of the remaining developable lands within the District then owned by the Developer pursuant to which the unaffiliated purchaser agrees to assume any remaining obligations of the Developer under this Agreement, provided however that no such assignment shall be valid where the assignment is being made for the purpose of avoiding the Developer's obligations hereunder. Notwithstanding the foregoing, nothing herein shall prevent Developer from selling units to end users.

14. APPLICABLE LAW AND VENUE. This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each party consents that the venue for any litigation arising out of or related to this Agreement shall be in Polk County, Florida.

15. PUBLIC RECORDS. The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and treated as such in accordance with Florida law.

16. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

17. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other law, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred by sovereign immunity or by other operation of law.

18. HEADINGS FOR CONVENIENCE ONLY. The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

19. EXCULPATION. No direct or indirect member, partner, shareholder, manager, trustee, trust beneficiary, director, officer, manager, or employee of any party hereto shall have any liability under this Agreement.

20. COUNTERPARTS; ELECTRONIC SIGNATURES. This Agreement may be executed in one or more counterparts which, when taken together, shall constitute one and the same instrument. **AGREEMENT BY AND BETWEEN PEACE CROSSING COMMUNITY
DEVELOPMENT DISTRICT AND LAKE WALES PROPERTY HOLDINGS, LLC,
AND ITS LANDOWNER AFFILIATES, REGARDING THE COMPLETION OF
CERTAIN IMPROVEMENTS
(ASSESSMENT AREA ONE)**

THIS AGREEMENT (the “Agreement”) is made and entered into this ____ day of _____ 2024, by and between:

Peace Crossing Community Development District, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, and located in the City of Lake Wales, Florida, with a mailing address of 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (the “**District**”), and

Lake Wales Property Holdings, LLC, a Delaware limited liability company, and the developer of the lands in the District (the “**Developer**”), with a mailing address of c/o Westport Capital Partners, 300 Atlantic Street, Suite 1110, Stamford, Connecticut 06901 (collectively and together with the District, the “**Parties**”).

RECITALS

WHEREAS, the District was established by Ordinance No. 2023-29 enacted by the City Commission of the City of Lake Wales, Florida, pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“**Act**”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purpose, among others, of planning, financing, constructing, reconstructing, operating, and/or maintaining certain infrastructure, including stormwater management facilities, roadways, water and wastewater facilities, off-site improvements, hardscape, landscape and irrigation systems, and other infrastructure projects within or without the boundaries of the District; and

WHEREAS, the Developer is the owner of certain lands in Polk County, Florida, located within the boundaries of the District; and

WHEREAS, the District presently intends to finance a portion of the planning, design, acquisition, construction, reconstruction, and installation of the infrastructure improvements, facilities, and services (the “**Improvements**”) as detailed in the District’s *Supplemental Engineer’s Report for the Series 2024 Project*, dated January 5, 2024 (the “**Engineer’s Report**”), attached hereto as **Exhibit A**; and

WHEREAS, the District has imposed special assessments on certain of the property within the District to secure financing for the planning, design, permitting, construction, reconstruction, and/or acquisition of the Improvements; and

WHEREAS, the District intends to finance a portion of the Improvements through the use of proceeds from the sale of \$[PAR AMOUNT] in aggregate principal amount of Peace Crossing Community Development District Special Assessment Revenue Bonds, Series 2024 (Assessment Area One) (the “**Bonds**”); and

WHEREAS, in order to ensure that the Improvements are completed and funding is available in a timely manner to provide for their completion, the Developer will make provision for any additional funds that may be needed in the future for the completion of the Improvements including, but not limited to, all administrative, legal, warranty, engineering, permitting, or other related soft costs to the extent such costs are not funded from the Bonds or debt subsequently issued by the District for the Improvements.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt of which and sufficiency of which is hereby acknowledged, the District and the Developer agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated by reference as a material part of this Agreement.

2. COMPLETION OF IMPROVEMENTS. The Developer and District agree and acknowledge that the District’s proposed Bonds may provide only a portion of the funds necessary to complete the Improvements. In the event that the Bonds are issued and the cost of the Improvements is such that the construction funds available from the Bonds and any debt subsequently issued by the District to fund the Improvements are insufficient to complete the Improvements, which determination shall be in the sole and exclusive discretion of the District, the Developer hereby agrees to complete, cause to be completed, or provide funds to the District in an amount sufficient to allow the District to complete or cause to be completed, those portions of the Improvements which remain unfunded including, but not limited to, all administrative, legal, warranty, engineering, permitting, or other related soft costs (the “**Remaining Improvements**”) whether pursuant to existing contracts, including change orders thereto, contracts assigned by the Developer to the District, or future contracts. Nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness to provide funds for any portion of the Remaining Improvements nor shall this Agreement preclude the District from issuing such additional debt. In addition, nothing herein shall cause or be construed to require the Developer to complete the Improvements if the Bonds are never issued. The District and Developer hereby acknowledge and agree that the District’s execution of this Agreement constitutes the manner and means by which the District has elected to provide any and all portions of the Remaining Improvements not funded by the Bonds or other indebtedness.

- A.** When all or any portion of the Remaining Improvements is the subject of an existing District contract, the Developer shall provide funds directly to the District in an amount sufficient to complete the Remaining Improvements pursuant to such contract, including change orders thereto.
- B.** When any portion of the Remaining Improvements is not the subject of an existing District contract, the Developer may choose to complete, cause to be completed, or

provide funds to the District in an amount sufficient to allow the District to complete or cause to be completed, those Remaining Improvements subject to a formal determination by the District that the option selected by the Developer will not adversely impact the District, and is in the District's best interests.

3. OTHER CONDITIONS AND ACKNOWLEDGMENTS

- A.** The District and the Developer agree and acknowledge that the exact location, size, configuration, and composition of the Improvements may change from that described in **Exhibit A**, depending upon final design of the development, permitting or other regulatory requirements over time, or other factors. Material changes to the Improvements shall be made by a written amendment to **Exhibit A**, which shall include an estimate of the cost of the changes, subject to the prior written consent of the Developer.
- B.** The District and Developer agree and acknowledge that any and all portions of the Remaining Improvements which are constructed, or caused to be constructed by the Developer for the benefit of the District shall be conveyed to the District or such other appropriate unit of local government as is designated in **Exhibit A** or required by governmental regulation or development approval. All conveyances to another governmental entity shall be in accordance with and in the same manner as provided in any agreement between the District and the appropriate unit of local government. All conveyances to the District shall be in accordance with an agreement or agreements governing conveyances between the Developer and the District.

4. DEFAULT AND PROTECTION AGAINST THIRD PARTY INTERFERENCE. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages (except punitive damages) and/or specific performance. The District shall be solely responsible for enforcing its rights under this Agreement against any interfering third party. Nothing contained in this Agreement shall limit or impair the District's right to protect its rights from interference by a third party to this Agreement. If the Developer fails to keep, observe or perform any of the agreements, terms, covenants or representations, or otherwise is in default of this Agreement, the District shall give written notice to Developer (at the address listed in this Agreement), and the Developer shall have thirty (30) days to cure such default; provided, however, if any non-monetary default cannot reasonably be cured within thirty (30) days, then such cure period shall be extended so long as the Developer has commenced to cure within thirty (30) days and diligently proceeds to complete such cure, unless, in any case, a shorter time to cure is mandated by applicable law or regulation.

5. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer. Additionally, this Agreement may not be amended in any manner that would materially affect the payment of debt service on the Bonds or the collection of the Series 2024 Special Assessments without the prior written consent of the Trustee acting at the direction of the bondholders owning a majority of the aggregate principal amount of the Bonds then outstanding, which consent shall not be unreasonably withheld.

6. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer, both the District and the Developer have complied with all the requirements of law, and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

7. NOTICES. All notices, requests, consents and other communications under this Agreement (“**Notices**”) shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or overnight delivery service, to the Parties, as follows:

8. ARM'S LENGTH TRANSACTION. This Agreement has been negotiated fully between the District and the Developer as an arm's length transaction. Both Parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, both Parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Developer.

9. THIRD PARTY BENEFICIARIES. The Trustee shall not be deemed to have assumed any obligations under this Agreement.

10. ASSIGNMENT. Neither the District nor the Developer may assign this Agreement or any monies to become due hereunder without the prior written approval of the other and the Trustee and bondholders owning a majority of the aggregate principal amount of the Bonds outstanding, which consent shall not be unreasonably withheld. Such consent shall not be required in the event of a sale of the majority of the remaining developable lands within the District then owned by the Developer pursuant to which the unaffiliated purchaser agrees to assume any remaining obligations of the Developer under this Agreement, provided however that no such assignment shall be valid where the assignment is being made for the purpose of avoiding the Developer's obligations hereunder. Notwithstanding the foregoing, nothing herein shall prevent Developer from selling land within the District.

11. CONTROLLING LAW AND VENUE. This Agreement and the provisions contained in this Agreement shall be construed, interpreted, and controlled according to the laws of the State of Florida. Venue shall be in Polk County, Florida.

12. EFFECTIVENESS. This Agreement shall be effective after execution by both the District and the Developer.

13. PUBLIC RECORDS. The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and may be treated as such in accordance with Florida law.

14. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

15. SOVEREIGN IMMUNITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

**AGREEMENT REGARDING THE TRUE-UP AND PAYMENT OF
SPECIAL ASSESSMENTS FOR SPECIAL ASSESSMENT REVENUE
BONDS (ASSESSMENT AREA ONE – SERIES 2024 BONDS)**

This Agreement (the “**Agreement**”) is made and entered into as of this ____ day of
_____ 2024 (the “**Effective Date**”), by and between:

Peace Crossing Community Development District, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, and located in the City of Lake Wales, Florida, with a mailing address of 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (the “**District**”), and

Lake Wales Property Holdings, LLC, a Delaware limited liability company, and the developer of the lands in the District, Lakes Wales II Property Holdings, LLC, a Delaware limited liability company, and Lakes Wales III Property Holdings, LLC, a Delaware limited liability company (collectively for purposes of this agreement, the “**Developer**”), all with a mailing address of c/o Westport Capital Partners, 300 Atlantic Street, Suite 1110, Stamford, Connecticut 06901 (collectively and together with the District, the “**Parties**”).

RECITALS

WHEREAS, the District was established pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (the “**Act**”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Developer owns certain lands in the City of Lake Wales, Florida (“**City**”), located within the boundaries of the District (collectively, the “**Assessment Area One Lands**”), as more particularly identified in the attached **Exhibit A**; and

WHEREAS, the District, pursuant to Florida law, is authorized to levy such taxes, special assessments, fees and other charges as may be necessary in furtherance of the District’s activities and services; and

WHEREAS, the District is presently in the process of issuing Peace Crossing Community Development District Special Assessment Revenue Bonds, Series 2024 (Assessment Area One) (the “**2024 Bonds**”), in the par amount of \$[**PAR AMOUNT**] to finance the acquisition,

reconstruction, and/or construction of certain infrastructure improvements (the “**Series 2024 Project**”); and

WHEREAS, the infrastructure improvements to be financed, in part, by the 2024 Bonds are more specifically described and identified in the *Master Plan of Improvements*, dated October 10, 2023, as supplemented by the *Supplemental Engineer’s Report for the Series 2024 Project, dated January 5, 2024* (collectively, the “**Engineer’s Report**”); and

WHEREAS, the District has taken certain steps necessary to impose special assessments upon certain of the benefited lands within the District, including the Assessment Area One Lands, as security for the 2024 Bonds (the “**2024 Assessments**”), as more specifically described in Resolutions 2024-26, 2024-27, 2024-32, and 2024-[] (collectively, the “**2024 Assessment Resolutions**”); and

WHEREAS, Developer agrees that the Assessment Area One Lands benefit from the timely acquisition and construction of the Series 2024 Project; and

WHEREAS, Developer agrees that the 2024 Assessments have been validly imposed and constitute valid, legal, and binding liens upon the Assessment Area One Lands; and

WHEREAS, Developer waives any rights it may have under Section 170.09, *Florida Statutes*, to prepay the 2024 Assessments within thirty (30) days after completion of the Series 2024 Project; and

WHEREAS, Developer waives any defect in notice or publication or in the proceedings to levy, impose and collect the 2024 Assessments on the Assessment Area One Lands; and

WHEREAS, Developer may convey or plat property comprising the Assessment Area One Lands based on then-existing market conditions, and the actual densities developed within the development or subdivision may be at some density less than the densities assumed in the District’s *Master Special Assessment Methodology Report*, dated October 13, 2023, as supplemented by the *Final First Supplemental Special Assessment Methodology Report for Assessment Area One*, dated [PRICING DATE], 2024 (collectively, the “**Assessment Report**”); and

WHEREAS, the District’s lien anticipates a mechanism by which the Developer and sub-developers shall make certain payments to the District to satisfy, in whole or in part, the assessments allocated and the liens imposed pursuant to applicable resolutions, the amount of such payments being determined generally by a comparison of the Units (as hereinafter defined) actually platted within the Assessment Area One Lands, and the Units initially intended to be developed within the Assessment Area One Lands as described in the Assessment Report, which payments shall collectively be referenced as the “**True-Up Payment**”; and

WHEREAS, the Parties desire to enter into an agreement to confirm Developer’s intentions and obligations to make True-Up Payments and payment of all 2024 Assessments to the Assessment Area One Lands when due.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt of which and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. RECITALS. The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Agreement.

2. VALIDITY OF THE 2024 ASSESSMENTS. Developer agrees that the 2024 Assessment Resolutions have been duly adopted by the District subject to all applicable legal requirements. Developer further agrees that the 2024 Assessments imposed as a lien by the District are legal, valid, and binding liens. Developer hereby waives and relinquishes any rights it may have to challenge, object to, or otherwise fail to pay such 2024 Assessments.

3. COVENANT TO PAY; WAIVER OF RIGHT TO PREPAY. Developer will timely pay all True-Up Payments, as hereinafter defined, whether collected by the Polk County Tax Collector pursuant to Section 197.3632, *Florida Statutes*, by the District, or by any other method allowable by law. Developer waives any rights it may have under Section 170.09, *Florida Statutes*, to prepay the 2024 Assessments without interest within thirty (30) days of completion of the Series 2024 Project.

4. SPECIAL ASSESSMENT REALLOCATION.

A. Using the “completed systems” approach, as described in the Assessment Report, the District will have the ability to determine the land uses and size planned for a Unit at the time that the Developer includes lands on a recorded plat or County approved site development plan, or conveys such land to a sub-developer. To ensure that the total cost of the District infrastructure benefitting all of the property uses within the District is allocated fairly, assessments assigned to residential units (which may be homes, parcels, lots, condominium units or other units intended for residential ownership (collectively, the “Units”) will not be finally assigned until the earlier of when a plat, County-approved site development plan, or contract for sale to a sub-developer is presented to the District for review. The Developer plans to develop [REDACTED] Equivalent Residential Units (the “ERUs”) within the Series 2024 Project. As assessments on Units are assigned, the 2024 Assessments securing the 2024 Bonds shall be allocated as set forth in the Assessment Report. At such time as parcels of land are divided into Units through a plat or site plan, or sold to a sub-developer, any and all plats, County-approved site development plans, and contracts for sale to sub-developers for any portion of the lands within the District, as the District’s boundaries may be amended from time to time, shall be presented by the Developer to the District Manager for review and calculation of the percentage of acres and numbers of units which will be, after the designation as Units, considered to be developed. The Developer shall submit any plat or site plan to the District at the same time it is submitted to the County for review to ensure that allocation of the assessments to individual Units can be accomplished in a timely manner. No further action by the Board

of Supervisors shall be required. The District's review shall be limited solely to this function and the enforcement of the lien established by the Assessment Resolutions. The District Manager shall cause the 2024 Assessments to be reallocated to the Units and the remaining property in accordance with the Assessment Report, and cause such reallocation to be recorded in the District's Improvement Lien Book. Nothing herein shall in any way operate to or be construed as providing any other plat, site plan, or contract of sale approval or disapproval powers to the District.

- B.** To preclude the Assessment Area One Lands from being fully subdivided without all of the debt being allocated, a “**True-Up Test**” will be conducted in accordance with the District's *Master Trust Indenture* and *First Supplemental Trust Indenture* (collectively, the “**Indenture**”) and the Assessment Report. Such test will be conducted, at the time a County approved site development plan, plat or contract for sale to a sub-developer is presented to the District for review. The test is that the debt per gross acre on the remaining undeveloped land within the Assessment Area One is never allowed to increase above the initial maximum debt per acre level. Initially, the maximum level of debt per acre is calculated as the par amount of the 2024 Bonds required to finance the Series 2024 Project divided by the number of gross acres within the Assessment Area One Lands. If in the course of conducting a True-Up Test the District determines that the debt per unplatted acre of land exceeds the maximum debt per acre level established pursuant to the Indenture and the Assessment Report, a debt reduction payment in the amount sufficient to reduce the remaining debt per unplatted acre to the maximum debt per acre level shall become due and payable by the Developer or sub-developer. Such True-Up Tests shall be conducted as provided herein and in the Assessment Report. The District will ensure collection of such amounts in a timely manner to meet its debt service obligations. The District shall record all True-Up Payments in its Improvement Lien Book. Any resulting True-Up Payments shall become due and payable that tax year, in addition to the regular assessment installment. In all cases, the True-Up Payment shall be determined in accordance with the District's Assessment Report and any conflict between these documents shall be governed by the District's Assessment Report.
- C.** The foregoing is based on the District's understanding with Developer that the Developer will construct the development program on the Assessment Area One Lands as identified in the Assessment Report, and it is intended to provide a formula to ensure that the appropriate ratio of the debt for the 2024 Assessments to gross acres is maintained if less than the indicated [REDACTED] ERUs are developed. However, the District agrees that nothing herein prohibits more ERUs from being developed. In no event shall the District collect the 2024 Assessments in excess of the total debt service for the Assessment Area One Lands related to the Series 2024 Project, including all costs of financing and interest. If a True-Up Payment for the Assessment Area One Lands pursuant to application of the District's Assessment Report would result in

assessments collected in excess of the District's total debt service obligation for the Series 2024 Bonds, the District agrees to take appropriate action by resolution to equitably reallocate the assessments in each tract within the Assessment Area One Lands or provide for an equitable refund.

- D. So long as its joinder is not required, the District's review of the plats/site plans/development/contracts of sale shall be limited solely to the reallocation of 2024 Assessments, the calculation of any True-Up Payment, the enforcement of the lien established by the District, the proper and appropriate designation of District-owned lands and/or easements, and the proper conveyance of improvements to the District or other public entity (as described in the Engineer's Report). Nothing herein shall in any way operate to or be construed as providing any other plat/site plan/development/contract of sale approval or disapproval powers to the District.
- E. The Developer currently intends to sell bulk acreage within the Assessment Area One Lands to sub-developers. The Developer's obligations under this Agreement to make True-Up Payments to the District shall be relieved as to the specific property sold to a sub-developer upon the occurrence of any one of the following events: 1) the sub-developer enters into a separate true-up agreement with the District for the property purchased by the sub-developer within Assessment Area One and the number of ERUs the sub-developer has agreed to develop on said property, or 2) the Developer partially assigns their True-Up Payment obligation under this Agreement to the sub-developer for the property purchased by the sub-developer and the number of ERUs the sub-developer has agreed to develop on said property, and the District consents to such assignment in writing. Notwithstanding the foregoing, Developer shall remain obligated under this Agreement for any ERUs that have not been allocated to a sub-developer through one of the aforementioned methods. Upon request of Developer, the District Manager will acknowledge in writing that Developer has satisfied the requirements of this Section 4.E. and is relieved of its obligation as to any specific property sold to a sub-developer.

5. ENFORCEMENT. This Agreement is intended to be an additional method of enforcement of Developer's obligation to abide by the requirements of the application of True-Up Payments. A default by any party under this Agreement shall entitle any other party to all remedies available at law or in equity, which shall include, but not be limited to, the right of damages (excluding punitive damages), injunctive relief, and specific performance. Each of the Parties hereto shall give the other party written notice of any defaults hereunder and shall allow the defaulting party not less than fifteen (15) days from the date of receipt of such notice to cure monetary defaults and thirty (30) days to cure other defaults; provided, however, if any non-monetary default cannot reasonably be cured within thirty (30) days, then such cure period shall be extended so long as the performing party has commenced to cure within thirty (30) days and diligently proceeds to complete such cure.

6. RECOVERY OF COSTS AND FEES. In the event any party is required to enforce this Agreement by court proceedings or otherwise, the substantially prevailing party, as determined by the applicable court or other dispute resolution provider, shall be entitled to recover from the non-prevailing party all fees and costs incurred, including reasonable attorneys' fees, paralegal fees, and expert witness fees and costs incurred prior to or during any litigation or other dispute resolution and including all fees and costs incurred in appellate proceedings.

7. NOTICE. All notices, requests, consents, and other communications hereunder (the "Notices") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or overnight courier delivery service to the Parties, as follows:

on a non-business day, the Notice period shall be extended to the next succeeding business day. Saturdays, Sundays, and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the Parties may deliver Notice on behalf of the Parties. Any party or other person to whom Notices are to be sent or copied may notify the other Parties and addressees of any change in name, or address, to which Notices shall be sent by providing the same on five (5) days' written notice to the Parties and addressees set forth herein.

Notwithstanding the foregoing, to the extent Florida law requires notice to enforce the collection of assessments placed on property by the District, then the provision of such notice shall be in lieu of any additional notice required by this Agreement.

8. ASSIGNMENT.

- A.** Developer may not assign its duties or obligations under this Agreement except in accordance with the terms of Section 8(C) below. This Agreement shall constitute a covenant running with title to the Assessment Area One Lands, binding upon Developer and its successors and assigns including, without limitation, a buyer and its successors and assigns as to the Assessment Area One Lands or portions thereof, and any transferee of any portion of the Assessment Area One Lands, but shall not be binding upon transferees permitted by Sections 8(B)(i) or (ii) below.
- B.** No portion of the Assessment Area One Lands may be transferred to any third party without complying with the terms of Section 8(C) below, other than:
 - i. Units transferred to end users; or
 - ii. Portions of the Assessment Area One Lands exempt from assessments to the County, the District, or other governmental agencies; or
 - iii. A bulk sale of acreage to a sub-developer after satisfying the requirements of Section 4.E. above.

Any transfer of any portion of the Assessment Area One Lands pursuant to subsections (i), (ii) or (iii) of this Section 8(B) shall constitute an automatic release of such portion of the Assessment Area One Lands from the scope and effect of this Agreement.

- C.** Developer shall not transfer any portion of the Assessment Area One Lands to any third party, except as permitted by Sections 8(B)(i) or (ii) above, without satisfying the following conditions (the “**Transfer Conditions**”): (i) delivering a recorded copy of this Agreement to such third party; and (ii) satisfying any True-Up Payment that results from a True-Up analysis that will be performed by the District Manager prior and as a condition to such transfer in the event that section 4.E. is not satisfied. Any transfer that is consummated pursuant to this Section 8(C) shall operate as a release of Developer from its obligations

under this Agreement as to such portion of the Assessment Area One Lands only arising from and after the date of such transfer and satisfaction of all of the Transfer Conditions including payment of any True-Up Payment due pursuant to subsection (ii) above. Assuming section 4.E. is satisfied, the transferee shall be deemed to have assumed Developer's obligations in accordance herewith and shall be deemed the "Developer" from and after such transfer for all purposes as to such portion of the Assessment Area One Lands so transferred.

9. AMENDMENT. This Agreement shall constitute the entire agreement between the Parties as to the specific subject matter set forth herein, and may be modified in writing only by the mutual agreement of all Parties. In connection with any amendment that would materially affect the payment of debt service on the Series 2024 Bonds or the collection of the 2024 Assessments, this Agreement may not be amended without the prior written consent of the Trustee acting on behalf and at the direction of the bondholders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding.

10. TERMINATION/RELEASE OF TRUE-UP. This Agreement shall automatically terminate upon payment in full of the 2024 Bonds, or upon final allocation of all 2024 Assessments to all property in the District subject to the 2024 Assessments, and all True-Up Payments, if required, having been paid. This Agreement will be recorded in the public records in and for Polk County, Florida, to evidence the obligation of the Developer to pay any True-Up Payments but is not intended to otherwise cloud title or require any kind of release or estoppel in connection with the sale of individual Units that are sold in due course by the Developer to end users. Nothing herein shall alter or otherwise prevent the collection by the District of any 2024 Assessments encumbering Units and otherwise due on such Units in accordance with any other agreements. In any event, this Agreement shall be deemed terminated automatically as to any lot sold to a retail homeowner or end-user. This Agreement shall also be deemed terminated automatically with respect to the Assessment Area One Lands or any portion of the Assessment Area One Lands reflected in any Release of Lien as recorded by the District.

11. NEGOTIATION AT ARM'S LENGTH. This Agreement has been negotiated fully between the Parties as an arm's length transaction. All Parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, all Parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against any party.

12. BENEFICIARIES. The Trustee for the 2024 Bonds, on behalf of the bondholders, shall be a direct third-party beneficiary of the terms and conditions of this Agreement and shall be entitled to cause the District to enforce the Developer's obligations hereunder. In the event that the District does not promptly take Trustee's written direction under this Agreement, or the District is otherwise in default under the Indenture, the Trustee shall have the right to enforce the District's rights hereunder directly. The Trustee shall not be deemed to have assumed any obligation hereunder. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the Parties hereto and the Trustee any right, remedy, or claim under or by reason of this Agreement or any provisions or conditions

hereof; and all of the provisions, representations, covenants, and conditions herein contained shall inure to the sole benefit of the Trustee and the Parties hereto and shall be binding upon the Parties hereto and their respective representatives, successors and assigns.

13. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability that may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim that would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

14. APPLICABLE LAW; VENUE. This Agreement and the provisions contained in this Agreement shall be construed, interpreted and controlled according to the laws of the State of Florida. Venue shall be in Polk County, Florida.

15. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

16. HEADINGS FOR CONVENIENCE ONLY. The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

17. EXCULPATION. No direct or indirect member, partner, shareholder, manager, trustee, trust beneficiary, director, officer, manager, or employee of any party hereto shall have any liability under this Agreement.

18. EXECUTION IN COUNTERPARTS. This instrument may be executed in any number of counterparts, each of which, when executed and delivered, shall constitute an original, and such counterparts together shall constitute one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

**DECLARATION OF CONSENT TO JURISDICTION OF
PEACE CROSSING COMMUNITY DEVELOPMENT DISTRICT
AND TO IMPOSITION OF 2024 SPECIAL ASSESSMENTS
("DECLARATION")**

The undersigned, being duly authorized representatives of **Lake Wales Property Holdings, LLC**, a Delaware limited liability company (the "**Landowner**"), which owns those lands described in **Exhibit A** attached hereto (the "**Property**") located within the boundaries of Peace Crossing Community Development District (the "**District**"), intends that the Landowner and its respective successors in interest and assigns shall be legally bound by this Declaration, and hereby declares, acknowledges and agrees as follows:

1. The District is, and has been at all times, on and after October 13, 2023, a legally created, duly organized, and validly existing community development district under the provisions of Chapter 190, *Florida Statutes*, as amended (the "**Act**"). Without limiting the generality of the foregoing, the Landowner acknowledges that: (a) the petition filed with the City Commission of the City of Lake Wales, Florida (the "**City**"), relating to the creation of the District, contained all matters required by the Act to be contained therein and was filed in the manner and by the persons required by the Act; (b) Ordinance No. 2023-29, effective as of October 13, 2023, was duly and properly adopted by the City in compliance with all applicable requirements of law; and (c) the members of the Board of Supervisors of the District (the "**Board**") were duly and properly designated pursuant to the Act to serve in their capacities, and had the authority and right to authorize, approve and undertake all actions of the District approved and undertaken from October 13, 2023, to and including the date of this Declaration.

2. The Landowner, together with its heirs, successors and assigns, hereby confirms and agrees that the special assessments levied and imposed by Resolution Nos. 2024-26, 2024-27, 2024-32, and 2024-[REDACTED] (collectively, the "**Assessment Resolutions**") and all proceedings undertaken by the District with respect thereto have been in accordance with applicable Florida law, that the District has taken all action necessary to levy and impose the special assessments (the "**Series 2024 Assessments**"), and the Series 2024 Assessments are legal, valid and binding first liens upon the Property, co-equal with the lien of all state, county, district and municipal taxes, and superior in dignity to all other liens, titles and claims, until paid.

3. The Landowner, together with its heirs, successors and assigns, hereby waives the right granted in Section 170.09, *Florida Statutes*, to prepay the Series 2024 Assessments without interest within thirty (30) days after the improvements are completed, in consideration of the rights granted by the District to prepay the Series 2024 Assessments in full or in part at any time, but with interest, under the circumstances set forth in the resolutions of the District levying the Series 2024 Assessments.

4. The Landowner hereby expressly acknowledges, represents and agrees (i) that the Series 2024 Assessments, the Assessment Resolutions, and the terms of the financing documents related to the District's issuance of its \$[PAR AMOUNT] of Peace Crossing Community Development District Special

Assessment Revenue Bonds, Series 2024 (Assessment Area One), or securing payment thereof (the “**Financing Documents**”) are, to the extent of the Landowner’s obligations thereunder and with respect thereto, valid and binding obligations enforceable in accordance with their terms (subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws, relating to or affecting creditors’ rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court); (ii) that the Landowner has no claims or offsets whatsoever against, or defenses or counterclaims whatsoever to, payments of the Series 2024 Assessments and/or amounts due under the Financing Documents, and the Landowner hereby expressly waives any such claims, offsets, defenses or counterclaims; and (iii) as of the hereof, the Landowner expressly waives and relinquishes any argument, claim or defense that foreclosure proceedings cannot be commenced until one (1) year after the date of Landowner’s default and agrees that immediate use of remedies in Chapter 170, *Florida Statutes*, is an appropriate and available remedy, notwithstanding the provisions of Section 190.026, *Florida Statutes*.

5. This Declaration shall represent a lien of record for purposes of Chapter 197, *Florida Statutes*, including, without limitation, Sections 197.552 and 197.573, *Florida Statutes*, among others. Other information regarding the Series 2024 Assessments is available from the District Manager, Wrathell, Hunt and Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431.

THE DECLARATIONS, ACKNOWLEDGEMENTS AND AGREEMENTS CONTAINED HEREIN SHALL RUN WITH THE LAND DESCRIBED IN EXHIBIT A HERETO AND SHALL BE BINDING ON THE LANDOWNER AND ON ALL PERSONS (INCLUDING BUT NOT LIMITED TO INDIVIDUALS AS WELL AS CORPORATIONS, ASSOCIATIONS, TRUSTS, AND OTHER LEGAL ENTITIES) TAKING TITLE TO ALL OR ANY PART OF THE PROPERTY, AND THEIR SUCCESSORS IN INTEREST, WHETHER OR NOT THE PROPERTY IS PLATTED AT SUCH TIME. BY TAKING SUCH TITLE, SUCH PERSONS SHALL BE DEEMED TO HAVE CONSENTED AND AGREE TO THE PROVISIONS OF THIS DECLARATION TO THE SAME EXTENT AS IF THEY HAD EXECUTED IT AND BY TAKING SUCH TITLE, SUCH PERSONS SHALL BE ESTOPPED FROM CONTESTING, IN COURT OR OTHERWISE, THE VALIDITY, LEGALITY AND ENFORCEABILITY OF THIS DECLARATION.

**DECLARATION OF CONSENT TO JURISDICTION OF
PEACE CROSSING COMMUNITY DEVELOPMENT DISTRICT
AND TO IMPOSITION OF 2024 SPECIAL ASSESSMENTS
("DECLARATION")**

The undersigned, being duly authorized representatives of **Lake Wales II Property Holdings, LLC**, a Delaware limited liability company (the "**Landowner**"), which owns those lands described in **Exhibit A** attached hereto (the "**Property**") located within the boundaries of Peace Crossing Community Development District (the "**District**"), intends that the Landowner and its respective successors in interest and assigns shall be legally bound by this Declaration, and hereby declares, acknowledges and agrees as follows:

1. The District is, and has been at all times, on and after October 13, 2023, a legally created, duly organized, and validly existing community development district under the provisions of Chapter 190, *Florida Statutes*, as amended (the "**Act**"). Without limiting the generality of the foregoing, the Landowner acknowledges that: (a) the petition filed with the City Commission of the City of Lake Wales, Florida (the "**City**"), relating to the creation of the District, contained all matters required by the Act to be contained therein and was filed in the manner and by the persons required by the Act; (b) Ordinance No. 2023-29, effective as of October 13, 2023, was duly and properly adopted by the City in compliance with all applicable requirements of law; and (c) the members of the Board of Supervisors of the District (the "**Board**") were duly and properly designated pursuant to the Act to serve in their capacities, and had the authority and right to authorize, approve and undertake all actions of the District approved and undertaken from October 13, 2023, to and including the date of this Declaration.

2. The Landowner, together with its heirs, successors and assigns, hereby confirms and agrees that the special assessments levied and imposed by Resolution Nos. 2024-26, 2024-27, 2024-32, and 2024-[REDACTED] (collectively, the "**Assessment Resolutions**") and all proceedings undertaken by the District with respect thereto have been in accordance with applicable Florida law, that the District has taken all action necessary to levy and impose the special assessments (the "**Series 2024 Assessments**"), and the Series 2024 Assessments are legal, valid and binding first liens upon the Property, co-equal with the lien of all state, county, district and municipal taxes, and superior in dignity to all other liens, titles and claims, until paid.

3. The Landowner, together with its heirs, successors and assigns, hereby waives the right granted in Section 170.09, *Florida Statutes*, to prepay the Series 2024 Assessments without interest within thirty (30) days after the improvements are completed, in consideration of the rights granted by the District to prepay the Series 2024 Assessments in full or in part at any time, but with interest, under the circumstances set forth in the resolutions of the District levying the Series 2024 Assessments.

4. The Landowner hereby expressly acknowledges, represents and agrees (i) that the Series 2024 Assessments, the Assessment Resolutions, and the terms of the financing documents related to the District's issuance of its \$[PAR AMOUNT] of Peace Crossing Community Development District Special

Assessment Revenue Bonds, Series 2024 (Assessment Area One), or securing payment thereof (the “**Financing Documents**”) are, to the extent of the Landowner’s obligations thereunder and with respect thereto, valid and binding obligations enforceable in accordance with their terms (subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws, relating to or affecting creditors’ rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court); (ii) that the Landowner has no claims or offsets whatsoever against, or defenses or counterclaims whatsoever to, payments of the Series 2024 Assessments and/or amounts due under the Financing Documents, and the Landowner hereby expressly waives any such claims, offsets, defenses or counterclaims; and (iii) as of the hereof, the Landowner expressly waives and relinquishes any argument, claim or defense that foreclosure proceedings cannot be commenced until one (1) year after the date of Landowner’s default and agrees that immediate use of remedies in Chapter 170, *Florida Statutes*, is an appropriate and available remedy, notwithstanding the provisions of Section 190.026, *Florida Statutes*.

5. This Declaration shall represent a lien of record for purposes of Chapter 197, *Florida Statutes*, including, without limitation, Sections 197.552 and 197.573, *Florida Statutes*, among others. AND TO IMPOSITION OF 2024 SPECIAL ASSESSMENTS
("DECLARATION")**

The undersigned, being duly authorized representatives of **Lake Wales III Property Holdings, LLC**, a Delaware limited liability company (the "**Landowner**"), which owns those lands described in **Exhibit A** attached hereto (the "**Property**") located within the boundaries of Peace Crossing Community Development District (the "**District**"), intends that the Landowner and its respective successors in interest and assigns shall be legally bound by this Declaration, and hereby declares, acknowledges and agrees as follows:

1. The District is, and has been at all times, on and after October 13, 2023, a legally created, duly organized, and validly existing community development district under the provisions of Chapter 190, *Florida Statutes*, as amended (the "**Act**"). Without limiting the generality of the foregoing, the Landowner acknowledges that: (a) the petition filed with the City Commission of the City of Lake Wales, Florida (the "**City**"), relating to the creation of the District, contained all matters required by the Act to be contained therein and was filed in the manner and by the persons required by the Act; (b) Ordinance No. 2023-29, effective as of October 13, 2023, was duly and properly adopted by the City in compliance with all applicable requirements of law; and (c) the members of the Board of Supervisors of the District (the "**Board**") were duly and properly designated pursuant to the Act to serve in their capacities, and had the authority and right to authorize, approve and undertake all actions of the District approved and undertaken from October 13, 2023, to and including the date of this Declaration.

2. The Landowner, together with its heirs, successors and assigns, hereby confirms and agrees that the special assessments levied and imposed by Resolution Nos. 2024-26, 2024-27, 2024-32, and 2024-[REDACTED] (collectively, the "**Assessment Resolutions**") and all proceedings undertaken by the District with respect thereto have been in accordance with applicable Florida law, that the District has taken all action necessary to levy and impose the special assessments (the "**Series 2024 Assessments**"), and the Series 2024 Assessments are legal, valid and binding first liens upon the Property, co-equal with the lien of all state, county, district and municipal taxes, and superior in dignity to all other liens, titles and claims, until paid.

3. The Landowner, together with its heirs, successors and assigns, hereby waives the right granted in Section 170.09, *Florida Statutes*, to prepay the Series 2024 Assessments without interest within thirty (30) days after the improvements are completed, in consideration of the rights granted by the District to prepay the Series 2024 Assessments in full or in part at any time, but with interest, under the circumstances set forth in the resolutions of the District levying the Series 2024 Assessments.

4. The Landowner hereby expressly acknowledges, represents and agrees (i) that the Series 2024 Assessments, the Assessment Resolutions, and the terms of the financing documents related to the District's issuance of its \$[PAR AMOUNT] of Peace Crossing Community Development District Special

Assessment Revenue Bonds, Series 2024 (Assessment Area One), or securing payment thereof (the “**Financing Documents**”) are, to the extent of the Landowner’s obligations thereunder and with respect thereto, valid and binding obligations enforceable in accordance with their terms (subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws, relating to or affecting creditors’ rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court); (ii) that the Landowner has no claims or offsets whatsoever against, or defenses or counterclaims whatsoever to, payments of the Series 2024 Assessments and/or amounts due under the Financing Documents, and the Landowner hereby expressly waives any such claims, offsets, defenses or counterclaims; and (iii) as of the hereof, the Landowner expressly waives and relinquishes any argument, claim or defense that foreclosure proceedings cannot be commenced until one (1) year after the date of Landowner’s default and agrees that immediate use of remedies in Chapter 170, *Florida Statutes*, is an appropriate and available remedy, notwithstanding the provisions of Section 190.026, *Florida Statutes*.

5. This Declaration shall represent a lien of record for purposes of Chapter 197, *Florida Statutes*, including, without limitation, Sections 197.552 and 197.573, *Florida Statutes*, among others. Other information regarding the Series 2024 Assessments is available from the District Manager, Wrathell, Hunt and Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431.

This Collateral Assignment and Assumption of Development Rights (“**Assignment**”) is made and entered into this ____ day of _____ 2024 (the “**Effective Date**”), by:

LAKE WALES PROPERTY HOLDINGS, LLC, a Delaware limited liability company, and the developer of the lands in the District, Lakes Wales II Property Holdings, LLC, a Delaware limited liability company, and Lakes Wales III Property Holdings, LLC, a Delaware limited liability company (collectively for purposes of this Assignment, the “**Developer**” or “**Assignor**”), and is in favor of

PEACE CROSSING COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, and located in the City of Lake Wales, Florida (hereinafter “**District**,” or “**Assignee**”).

RECITALS

WHEREAS, the District was established pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (the “**Act**”), and by Ordinance No. 2023-29 enacted by the City Commission of the City of Lake Wales, Florida (the “**City**”) on October 3, 2023, and effective on October 13, 2023 (the “**Ordinance**”), for the purpose of planning, financing, constructing, installing, operating and/or maintaining certain infrastructure, including, but not limited to, water management, water distribution, wastewater collection and transmission, roadway improvements and other basic infrastructure projects within the boundaries of the District; and

WHEREAS, Developer is the owner of the lands within Assessment Area One within the District, and is the developer of the lands within Assessment Area One within the District (the “**Lands**”), which boundaries are described in **Exhibit A** attached hereto, and which boundaries are wholly within a residential unit development known as Via Terra (the “**Development**”); and

WHEREAS, Assessment Area One of the Development is projected to include a total of [] equivalent residential units (“**Equivalent Residential Unit(s)**”); and

WHEREAS, the District presently intends to finance the planning, design, construction, reconstruction, and installation of certain infrastructure improvements, facilities, and services including roadways, drainage/earthwork, street lighting and entry lighting, utilities, landscape, irrigation, recreation, security, entrance features and signage, and associated infrastructure at an estimated cost of \$30,610,656 (the “**Improvements**”) as detailed in the *Supplemental Engineer’s Report for the Series 2024 Project* dated January 5, 2024 (the “**Engineer’s Report**”, and the project described therein, the “**Series 2024 Project**”); and

WHEREAS, the District intends to finance the Series 2024 Project through the use of proceeds from the anticipated sale of \$[PAR AMOUNT] Special Assessment Revenue Bonds, Series 2024 (Assessment Area One) (“**Series 2024 Bonds**”); and

WHEREAS, pursuant to Resolutions 2024-26, 2024-27, 2024-32, and 2024-[], the District has imposed special assessments (“**Series 2024 Assessments**”) on the Lands to secure the repayment of the Series 2024 Bonds; and

WHEREAS, Assignor has acquired, or hereafter may acquire, certain Development and Contract Rights (hereinafter defined) in, to, under, or by virtue of certain contracts, agreements, and other documents, which now or hereafter affect the Lands and the Series 2024 Project (collectively, the “**Contract Documents**”); and

WHEREAS, the District and the Developer anticipate developing the Lands consistent with the Engineer’s Report and the *Master Special Assessment Methodology Report* dated October 13, 2023, and the *Final First Supplemental Special Assessment Methodology Report for Assessment Area One* dated [Pricing Date], 2024 (collectively, “**Assessment Report**”), until such time as the Lands subject to the Series 2024 Assessments have been fully developed with all Residential Units (hereinafter defined) planned therein sold to end users (“**Development Completion**”); and

WHEREAS, in the event of default in the payment of the Series 2024 Assessments securing the Series 2024 Bonds, the District has certain remedies with respect to the lien of the Series 2024 Assessments as more particularly set forth herein, including certain foreclosure rights provided by Florida law (“**Remedial Rights**”); and

WHEREAS, in the event the District exercises its Remedial Rights, the District will require the assignment of certain Development and Contract Rights, to complete development of the portion of the Lands securing the Series 2024 Assessments to the extent that such Development and Contract Rights have not been previously assigned, transferred, or otherwise conveyed to an end user resulting from the sale of certain residential units to end users in the ordinary course of business, Polk County, the City of Lake Wales, the District, or any applicable homeowner’s association, condominium association or other governing entity or association for the benefit of the Series 2024 Project (“**Prior Transfer**”); and

WHEREAS, this Assignment is not intended to impair or interfere with the development of the Lands and shall only be inchoate until becoming an effective and absolute assignment and assumption of the Development and Contract Rights upon failure of the Assignor to pay the Series 2024 Assessments levied against the Lands owned by the Assignor; provided, however, that such

assignment shall only be effective and absolute to the extent that this Assignment has not been terminated earlier pursuant to the terms of this Assignment; and

WHEREAS, except as otherwise provided herein with respect to Qualified Transferred Property, in the event of a transfer, conveyance or sale of any portion of the Lands, any and all affiliated entities or successors-in-interest to the Developer's Lands shall be subject to this Assignment, which shall be recorded in the Official Records of Polk County, Florida; and

WHEREAS, the rights assigned to the District hereunder shall be exercised in a manner which will not materially affect the intended development of the Series 2024 Project and the Lands; and

WHEREAS, absent this Assignment becoming effective and absolute, it shall automatically terminate upon the earliest to occur of the following: (i) payment of the Series 2024 Bonds in full; (ii) Development Completion; or (ii) upon occurrence of a Prior Transfer, but only to the extent that such Development and Contract Rights are subject to the Prior Transfer (herein, the "**Term**"), provided that this Assignment shall terminate earlier solely with respect to Qualified Transferred Property as more particularly provided below.

NOW, THEREFORE, in consideration of the above recitals which the parties hereby agree are true and correct and are hereby incorporated by reference and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, Assignor and Assignee agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated by reference as a material part of this Assignment.

2. COLLATERAL ASSIGNMENT.

A. Assignor hereby collaterally assigns to Assignee, to the extent assignable and to the extent that they are solely owned or controlled by Assignor at execution of this Agreement or acquired in the future, all of Assignor's development rights and contract rights relating to the Lands (herein the "**Development and Contract Rights**") as security for Assignor's payment and performance and discharge of its obligation to pay the Series 2024 Assessments levied against such Lands. This Assignment shall become effective and absolute upon failure of the Assignor to pay the Series 2024 Assessments levied against the Lands owned by the Assignor. The Development and Contract Rights shall include the following as they pertain to the Development, but shall specifically exclude any such portion of the Development and Contract Rights which are subject to a valid Prior Transfer:

- i. Any declaration of covenants, including any master or supplemental declarations of covenants, easements and restrictions, and any condominium declaration or declaration of homeowner's association, and any declaration of whatever nature affecting the Lands and the Development, as recorded in the Official Records of Polk County, Florida, and as the same may be amended and restated from time to time, including, without limitation, all of the right, title, interest, powers, privileges, benefits and options of the "Developer," "Declarant," and "Master Declarant"

thereunder.

- ii. Engineering and construction plans and specifications for grading, traffic capacity analyses, roadways, site drainage, storm water drainage, signage, water distribution, wastewater collection, and other improvements to or affecting the Lands.
- iii. Preliminary and final plats and/or site plans for the Lands.
- iv. Architectural plans and specifications for buildings and other improvements to the Lands.
- v. Permits, approvals, agreements, resolutions, variances, licenses, and franchises and applications therefor whether approved or in process pending before or granted by governmental authorities, or any of their respective agencies, for or affecting the development of the Lands and construction of improvements thereon including, but not limited to, the following:
 - a. Any and all approvals, extensions, amendments, rezoning and development orders rendered by governmental authorities, including Polk County relating to the Development and the Lands.
 - b. Any and all service agreements relating to utilities, water and/or wastewater.
 - c. Permits, as more particularly described in the Engineer's Report attached hereto.
- vi. Contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the development of the Lands or the construction of improvements thereon, together with all warranties, guaranties and indemnities of any kind or nature associated therewith.
- vii. Franchise or other agreements for the provision of water and waste water service to the Lands, and all hookup fees and utility deposits paid by Assignor in connection therewith.
- viii. Permit fees, impact fees, deposits and other assessments and impositions paid by Assignor to any governmental authority or utility and capacity reservations, impact fee credits and other credits due to Assignor from any governmental authority or utility provider, including credit for any dedication or contribution of Lands by Assignor in connection with the development of the Lands or the construction of improvements thereon.
- ix. All future creations, changes, extensions, revisions, modifications, substitutions, and replacements of any of the foregoing and any guarantees of performance of obligations to Assignor arising thereunder by any means,

including, but not limited to, pursuant to governmental requirements, administrative or formal action by third parties, or written agreement with governmental authorities or third parties.

B. This Assignment is not intended to and shall not impair or interfere with the development of the Lands, including, without limitation, (i) any sale of groups of parcels or lots to third party builders (“**Builders**”) for development of such parcels or lots, including construction of homes, and (iii) any purchase and sale agreements for completed residential units, which may mean lots, parcels, condominium units or other units of residential ownership intended for end users (the “**Residential-Units**”) which are sold by the Developer or any Builders (the “**Residential Contracts**”), and shall only be inchoate and shall become an effective and absolute assignment and assumption of the Development and Contract Rights upon failure of the Assignor to pay the Series 2024 Assessments levied against the Lands owned by the Assignor, if such failure remains uncured after passage of any applicable cure period; provided, however, that such assignment shall only be effective and absolute to the extent that this Assignment has not been terminated earlier pursuant to the terms of this Assignment.

C. If this Assignment has not become absolute, it shall automatically terminate upon the earliest to occur of the following events: (i) payment of the Series 2024 Bonds in full; (ii) Development Completion; (iii) transfer of any Development and Contract Rights to the City, the County, the State, Assignee, any utility provider, any other governmental or quasi-governmental entity, or any property owner’s association but only to the extent of such transfer; or (iv) transfer of any portion of the Lands which has been sold as a Residential Unit and for which a deed has been recorded to an end-user, but such termination in this clause (iv) shall be effective only as to such portion transferred (“**Qualified Transferred Property**”), from time to time (herein, the period from the Effective date to the date of termination is the “**Term**”). At Developer’s request from time to time, District and Developer will record a notice or other appropriate instrument in the Public Records of Polk County, Florida, confirming the end of the Term or the release of any property encumbered by this Assignment (and any other instrument encumbering the property of Developer), subject to the reasonable approval of the District and subject to conformance and documents applicable thereto.

3. ASSIGNOR WARRANTIES. Assignor represents and warrants to Assignee that: Other than in connection with the sale of portions of the Lands to Builders, Assignor has made no assignment of the Development and Contract Rights to any person other than Assignee.

B. Assignor has not done any act or omitted to do any act which will prevent Assignee from, or limit Assignee in, acting under any of the provisions hereof.

C. To the actual knowledge of Assignor, there is no material default under the terms of the existing Contract Documents, subject to any notice and cure periods, and all such Contract Documents remain in full force and effect.

D. Assignor is not prohibited under agreement with any other person or under any judgment or decree from the execution, delivery and performance of this Assignment.

E. No action has been brought or threatened which would in any way interfere with the right of Assignor to execute this Assignment and perform all of Assignor's obligations herein contained.

F. Any transfer, conveyance or sale of the Lands, other than Qualified Transferred Property, shall subject any and all successors-in-interest of the Developer to this Assignment.

4. ASSIGNOR COVENANTS. Assignor covenants with Assignee that during the Term (as defined above):

A. Assignor will use reasonable, good faith efforts to: (i) fulfill, perform, and observe each and every material condition and covenant of Assignor relating to the Development and Contract Rights, including, but not limited to, any material changes in the Development and Contract Rights; and (ii) give notice to Assignee of any claim of material default relating to the Development and Contract Rights given to or by Assignor, together with a complete copy of any such claim.

B. The Development and Contract Rights include all of Assignor's right to modify the Development and Contract Rights, to terminate the Development and Contract Rights, and to waive or release the performance or observance of any obligation or condition of the Development and Contract Rights; provided that no such modification, termination, waiver or release affects any of the Development and Contract Rights which pertain to lands outside of the District not relating to development of the Lands.

C. Assignor agrees to perform any and all actions necessary and use good faith efforts relating to any and all future creations, changes, extensions, revisions, modifications, substitutions, and replacements of the Development and Contract Rights.

5. ASSIGNEE OBLIGATIONS. Nothing herein shall be construed as an obligation on the part of the Assignee to accept any liability for all or any portion of the Development and Contract Rights unless it chooses to do so in its sole discretion. Nor shall any provision hereunder be construed to place any liability or obligation on Assignee for compliance with the terms and provisions of all or any portion of the Development and Contract Rights. **EVENT(S) OF DEFAULT.** Any breach of the Assignor's warranties contained in Section 3 hereof or breach of covenants contained in Section 4 hereof, or the failure to timely pay Series 2024 Assessments levied and imposed upon Lands owned by Assignor, shall constitute a default under this Assignment, provided however, that Assignee shall give Assignor written notice of any defaults hereunder and shall allow Assignor not less than fifteen (15) days from the date of receipt of such notice to cure monetary defaults and thirty (30) days to cure other defaults; if any non-monetary default cannot reasonably be cured within thirty (30) days, then such cure period shall be extended so long as the performing party has commenced to cure within thirty (30) days and diligently proceeds to complete such cure (an "Event of Default"). **REMEDIES UPON EVENT OF DEFAULT.** Upon an Event of Default, Assignee or Assignee's designee may, as Assignee's sole and exclusive remedies under this Assignment (and separate and apart from any Remedial Rights or other rights provided by law), take any or all of the following actions, at Assignee's option: Perform any and all obligations of Assignor relating to the Development and Contract Rights and exercise any and all rights of Assignor therein as fully as Assignor could. The performance by Assignee of any

such obligations: (i) shall not release Assignor from liability for such obligations; (ii) may be made without notice to or demand upon Assignor; and (iii) may be made without regard to the adequacy of other security for the indebtedness hereby secured;

B. Initiate, appear in, or defend any action arising out of or affecting the Development and Contract Rights; and/or

C. Sue for, or otherwise collect and receive, monies due under the Contract Documents, including those past due and unpaid, and apply the same against all costs and expenses of collection and then against all costs and expenses of operation of the Lands or the performance of Assignor's obligations under the Contract Documents. Neither entry upon and taking possession of the Lands nor the collection of monies due under the Contract Documents shall in any way operate to cure or waive any default under any instrument given by Assignor to Assignee, or prohibit the taking of any other action by Assignee under any such instrument, or at law or in equity, to enforce payment of the obligations secured hereby or to realize on any other security.

D. To be effective upon the occurrence of an Event of Default, and after Assignor's receipt of a demand notice from Assignor following an Event of Default, Assignor will use reasonable, good faith efforts: (i) at the sole cost and expense of Assignor, to enforce the performance and observance of each and every material covenant and condition of the Contract Documents to be performed or observed; and (ii) appear in and defend any action involving the Contract Documents or the obligations or liabilities of Assignor or any guarantor thereunder. Also to be effective upon the occurrence of an Event of Default, and after Assignor's receipt of a demand notice from Assignor following an Event of Default, Assignor will neither modify the terms of the Contract Documents in any material respect (unless required so to do by the terms thereof or to comply with documents executed in connection with the issuance of the Series 2024 Bonds) nor waive or release any person from the performance of any obligation to be performed under the terms of the Contract Documents or from liability on account of any warranty given by such person, without the prior consent of Assignee, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, Assignor will not at any time take any action (or omit to take any action) with respect to the Development and Contract Rights that materially and adversely affects the rights of the District and the District's bondholders.

8. AUTHORIZATION. Upon the occurrence and during the continuation of an Event of Default, Assignor does hereby authorize and shall direct any party to any agreement relating to the Development and Contract Rights to tender performance thereunder to Assignee upon written notice and request from Assignee. Any such performance in favor of Assignee shall constitute a full release and discharge to the extent of such performance as fully as though made directly to Assignor.**SECURITY AGREEMENT.** Subject to the terms of this Assignment, this Assignment shall be a security agreement between Assignor, as the debtor, and Assignee, as the secured party, covering the Development and Contract Rights and Contract Documents that constitute personal property governed by the Florida Uniform Commercial Code (hereinafter called the "**Code**"), and Assignor grants to Assignee a security interest in such Development and Contract Rights and Contract Documents. Notwithstanding the foregoing, Assignee shall not be entitled to exercise any right as a secured party, including, without limitation, the filing of any and all financing statements, until the occurrence of an Event of Default hereunder, subject to any applicable notice and cure period.

10. SUCCESSORS; THIRD-PARTY BENEFICIARIES. This Agreement is solely for the benefit of the District and the Assignor and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the District and the Assignor any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Assignor and their respective representatives, successors, and assigns.

Notwithstanding anything in this Agreement to the contrary, the Trustee(s) for the Series 2024 Bonds shall be a direct third-party beneficiary of the terms and conditions of this Agreement. In the event of an Event of Default, the Trustee(s) shall have the right to direct the actions of the District and select the remedies in this Agreement, provided such direction shall be made by the direction of the bondholders owning a majority of the aggregate principal amount of all Collaterally Secured Bonds outstanding. As used herein, the term “**Collaterally Secured Bonds**” shall mean the total principal amount of all Bonds of each separate Series of Bonds Outstanding under the Master Indenture, and secured by special assessments levied and imposed on the Lands, in each case reduced by the principal amount of special assessments securing the corresponding Series which are levied on Qualified Transferred Property applied pro rata according to principal of the Bonds of each Series. The Trustee shall not be deemed to have assumed any obligations under this Agreement.

11. ENFORCEMENT. In the event that either party is required to enforce this Assignment by court proceedings or otherwise, then the parties agree that the substantially prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys’ fees and costs for trial, alternative dispute resolution, or appellate proceedings as awarded by such court or arbitrator.

12. AMENDMENTS. This Assignment may be modified in writing only by the mutual agreement of all parties hereto. This Assignment may not be amended without the prior written consent of the Trustee acting on behalf and at the direction of the bondholders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding.

13. AUTHORIZATION. The execution of this Assignment has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law with respect to the executors of this Assignment; and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

**CONTRIBUTION AGREEMENT BETWEEN
PEACE CROSSING COMMUNITY DEVELOPMENT DISTRICT AND
LAKE WALES PROPERTY HOLDINGS, LLC**

THIS AGREEMENT (“**Contribution Agreement**”) is made and entered into this ____ day of _____ 2024, by and between:

Peace Crossing Community Development District, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, and located in the City of Lake Wales, Florida, with a mailing address of 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (the “**District**”), and

Lake Wales Property Holdings, LLC, a Delaware limited liability company, and the developer of the lands in the District, **Lakes Wales II Property Holdings, LLC**, a Delaware limited liability company, and **Lakes Wales III Property Holdings, LLC**, a Delaware limited liability company (collectively for purposes of this Contribution Agreement, the “**Developer**”), all with a mailing address of c/o Westport Capital Partners, 300 Atlantic Street, Suite 1110, Stamford, Connecticut 06901 (collectively and together with the District, the “**Parties**”).

RECITALS

WHEREAS, the District was established pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“**Act**”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purpose, among others, of planning, financing, constructing, reconstructing, operating, and/or maintaining certain infrastructure, including stormwater management facilities, roadways, water and wastewater facilities, off-site improvements, hardscape, landscape and irrigation systems, and other infrastructure projects within or without the boundaries of the District; and

WHEREAS, the Developer is the owner of certain lands within the City of Lake Wales, Polk County, Florida, located within the boundaries of the District (the “**Development**”); and

WHEREAS, the District has adopted an improvement plan to finance the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities, and services as detailed in the *Master Plan of Improvements*, dated October 10, 2023 (the “**Master Engineer’s Report**”); and

WHEREAS, the District has imposed special assessments on the property within the District to secure financing for the construction of the infrastructure improvements described in Master Engineer’s Report, and has previously validated \$392,270,000 in special assessment revenue bonds to fund the planning, design, permitting, construction, reconstructing and/or acquisition of improvements in the Master Engineer’s Report;

WHEREAS, the District presently intends to issue special assessment revenue bonds, including but not limited to its \$[PAR AMOUNT] Special Assessment Revenue Bonds, Series 2024 (Assessment Area One) (the “**Series 2024 Bonds**”) secured by special assessments on certain property within the District specially benefited by assessable improvements (“**Series 2024 Assessments**”);

WHEREAS, the Developer and the District entered into that certain *Acquisition Agreement* dated [CLOSING DATE], 2024, to set forth the process by which the District may acquire the Work Product, the Improvements, and any related real property interests from Developer (“**Acquisition Agreement**”); and

WHEREAS, the District will recognize in-kind contributions of work product, real estate and/or infrastructure included in the Master Engineer’s Report by the Developer which is at least equivalent to the amount of the Series 2024 Assessments which would have been levied against such units in lieu of the Developer Contribution (defined below).

The Developer Contribution will be satisfied within four (4) years of the issuance of the Series 2024 Bonds, unless extended by the parties by written agreement.

3. RELEASE UPON SATISFACTION. At the time the District Engineer confirms in writing that Developer’s Contribution has been fully satisfied as provided in this Contribution Agreement and the 2024 Assessment Report, a resolution and the District Engineer’s completion certificate, both in a form reasonably acceptable to the District and the

Developer, shall be presented to the District's Board of Supervisors for formal recognition that the Developer's Contribution has been satisfied, which such resolution and completion certificate shall act to terminate this Contribution Agreement; provided, however Developer has the right from time to time to obtain, by appropriate District Resolution and District Engineer's certificate, confirmation of that portion of the Developer's Contribution satisfied as of the date of the applicable District Engineer's certificate and District approval thereof.

4. ENFORCEMENT. A default by either Party under this Agreement, which continues for a period of thirty (30) days after notice of such default, shall entitle the other Party to all remedies available at law or in equity, which may include, but not be limited to, the right of actual damages and/or, if applicable, specific performance. The foregoing rights and remedies are in addition to any rights and remedies specifically set forth elsewhere in this Contribution Agreement as to a particular obligation of any party.

- **Hear testimony from the affected property owners as to the propriety and advisability of making the improvements and funding them with special assessments on the property.**

Ms. John posed the following questions:

177 **Ms. John:** Could you confirm again, for the public hearing, for the record, that the
178 meetings were properly-noticed in the newspaper.

179 **Mr. Wrathell:** Yes, they were.

180 **Ms. John:** And you also stated that the notices were mailed to the Landowners within
181 30 days of the hearing.

182 **Mr. Wrathell:** Yes.

183 **Ms. John:** The Landowners are present at today's meeting, so can the Landowners, for
184 the record, confirm that they received mailed notices within 30 days in advance of the meeting.

185 **Mr. Mays:** Confirmed.

186 **Ms. John:** Were names and addresses obtained from the official County of Record as
187 required per Chapter 170?

188 **Mr. Wrathell:** Yes.

189 **Ms. John:** Have plans and specifications been on file and available for public inspection?

190 **Mr. Wrathell:** Yes.

191 Ms. John briefly explained the assessment process, and posed the following questions:

192 **Ms. John:** Would you mind, very briefly again for the record, walk through the basics of
193 the Engineer's Report for the public hearing?

194 **Mr. Fledderman:** Yes. So, the basis of the Engineer's Report was to summarize the CIP
195 or improvements proposed by the CDD that would be required to make the project function. It
196 was for the entire, approximate 1,864-acre project area. The Report summarized the existing
197 conditions of the project, as well as the zoning approvals, which is Planned Development,
198 Mixed-Use zoning. The Report describes the master infrastructure and neighborhood
199 infrastructure, which I talked about earlier.

200 **Mr. Engel:** The costs that were generated are reasonable costs for the market and the
201 bond and the project can be built as it is proposed.

202 **Ms. John:** Were there any modifications to the Report since it was last presented to the
203 Board?

204 **Mr. Fledderman:** Yes, there were updates. We updated Table 1, Master Infrastructure
205 Costs, relating to the amenity centers; we increased that up to \$15 million after coordination

206 with the project team. Other than that, we cleaned up and removed a few notes that were
207 made and off to the side. The Report is currently in its final form.

208 **Ms. John:** Based on your experience, are the cost estimates in your Engineer's Report,
209 as supplemented, reasonable and proper?

210 **Mr. Fledderman:** Yes.

211 **Ms. John:** Do you have any reason to believe the project cannot be carried out by the
212 District?

213 **Mr. Fledderman:** No.

214 **Ms. John:** Mr. Wrathell, a few questions regarding the Methodology Report. Could you
215 confirm that the developed and developable property receives the benefit of the improvements
216 and there is no benefit to the undeveloped land?

217 **Mr. Wrathell:** Correct.

218 **Ms. John:** And there is special infrastructure, transportation improvements, stormwater
219 management facilities, recreation improvements and neighborhood improvements included in
220 the CIP? Correct?

221 **Mr. Wrathell:** Correct.

222 **Ms. John:** In your professional opinion, do the lands subject to the assessments receive
223 special benefits from the District's Improvement Plan?

224 **Mr. Wrathell:** Yes, they do.

225 **Ms. John:** In your professional opinion, are the special assessments reasonably-
226 apportioned among the lands subject to the special assessments?

227 **Mr. Wrathell:** Yes.

228 **Ms. John:** In your professional opinion, is it reasonable, proper and just to assess the
229 costs of the project against the lands in the District, in accordance with your Methodology,
230 which results in the special assessments set forth on the assessment roll?

231 **Mr. Wrathell:** Yes.

232 **Ms. John:** Is it your opinion that the special benefits the lands will receive, as set forth in
233 the final assessment roll, will be equal to or in excess of the special assessments thereon when
234 allocated, as set forth in the Methodology?

235 **Mr. Wrathell:** Yes.

236 **Ms. John:** Is it your opinion that it is in the best interest of the District that the special
237 assessments be paid and collected in accordance with the Methodology and the District's
238 assessment resolutions?

239 **Mr. Wrathell:** Yes.

240 **Ms. John:** There are no members of the public present. Are there are any other
241 questions from the Landowners?

242 **Mr. Mays:** No.

243 **Ms. John:** Were there any letters received by the District Manager?

244 **Mr. Wrathell:** No.

245 Ms. John presented Resolution 2024-32, read the title and reviewed each section.

REPORTS A

MEMORANDUM

To: Board of Supervisors

From: District Counsel

Date: January 1, 2024

Subject: Ethics Training Requirements

Beginning January 1, 2024, all Board Supervisors of Florida Community Development Districts will be required to complete four (4) hours of Ethics training each year. The four (4) hours must be allocated to the following categories: two (2) hours of Ethics Law, one (1) hour of Sunshine Law, and one (1) hour of Public Records law.

This training may be completed online, and the four (4) hours do not have to be completed all at once. The Florida Commission on Ethics (“COE”) has compiled a list of resources for this training. An overview of the resources are described below, and links to the resources are included in this memo.

Each year when Supervisors complete the required financial disclosure form (Form 1 Statement of Financial Interests), Supervisors must mark a box confirming that he or she has completed the Ethics training requirements. At this time, there is no requirement to submit a certificate; however, the COE advises that Supervisors keep a record of all trainings completed (including date and time of completion), in the event Supervisors are ever asked to provide proof of completion. The training is a calendar year requirement and corresponds to the form year. So, Supervisors will not report their 2024 training until they fill out their Form 1 for the 2025 year.

Free Training Options

The Florida Commission on Ethics’ (“COE”) website has several free online resources and links to resources that Supervisors can access to complete the training requirements. Navigate to that page here: [Florida Commission on Ethics Training](https://ethics.state.fl.us/Training/Training.aspx).¹ Please note that the COE only provides free training for the two (2) hour Ethics portion of the annual training. However, the COE does provide links to free outside resources to complete the Sunshine and Public Records portion of the training. These links are included in this memorandum below for your ease of reference.

¹ <https://ethics.state.fl.us/Training/Training.aspx>

Free Ethics Law Training

The COE provides several videos for Ethics training, none of which are exactly two (2) hours in length. Please ensure you complete 120 minutes of Ethics training when choosing a combination of the below.

State Ethics Laws for Constitutional Officers & Elected Municipal Officers (100 minutes)

Business and Employment Conflicts and Post-Public-Service (56 minutes) Restriction

Click here: [Business and Employment Conflicts](#)

Gifts (50 minutes)

Click here: [Ethics Laws Governing Acceptance of Gifts](#)

Voting Conflicts - Local Officers (58 minutes)¹

Click here: [Voting Vertigo](#)

Free Sunshine/Public Records Law Training

The Office of the Attorney General provides a two (2) hour online training course (audio only) that meets the requirements of the Sunshine Law and Public Records Law portion of Supervisors' annual training.

Click here to access: [Public Meeting and Public Records Law](#)

Other Training Options

4- Hour Course

Some courses will provide a certificate upon completion (not required), like the one found from the Florida State University, Florida Institute of Government, linked here: [4-Hour Ethics Course](#). This course meets all the ethics training requirements for the year, including Sunshine Law and Public Records training. This course is currently \$79.00

CLE Course

The COE's website includes a link to the Florida Bar's Continuing Legal Education online tutorial which also meets all the Ethics training requirements. However, this is a CLE course designed more specifically for attorneys. The 5 hours 18 minutes' long course exceeds the 4-hour requirement and its cost is significantly higher than the 4-Hour Ethics course provided by the Florida State University. The course is currently \$325.00. To access this course, click here: [Sunshine Law, Public Records and Ethics for Public Officers and Public Employees](#).
